RE: The Hideaway, 4137 E. Anaheim St., Long Beach, CA

To Whom It May Concern,

My family and I have been regular customers at Roundin' 3rd since 2015. Our son played baseball at Wilson High School, a few blocks away, so the baseball team families made Roundin' 3rd the *Game Day* hub. The atmosphere is always relaxed and family friendly. Geoff and Karna continually support Wilson Baseball and various other Wilson programs by hosting fundraising events at the Sports Bar. My husband and I have also made Roundin' 3rd our pre-game ritual before attending the Cal State Long Beach Dirtbag games.

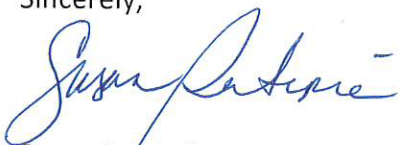

In 2017 Geoff and Karna became our Long Beach Parks and Rec Co-ed Softball team sponsors and we go there weekly after our games. In my opinion, Geoff, Karna and the Roundin 3rd staff have always demonstrated an interest and responsibility as stakeholders in our East Long Beach community.

Needless to say, my husband, Robert Renteria, and I strongly support their request to serve drinks in the proposed outdoor patio area.

As I mention, the staff has always demonstrated professionalism and responsibility at the Sports Bar, and I have no doubt they will maintain that level of integrity at The Hideaway.

If you have any questions, feel free to contact me at any time @ [REDACTED] or at [REDACTED]

Sincerely,

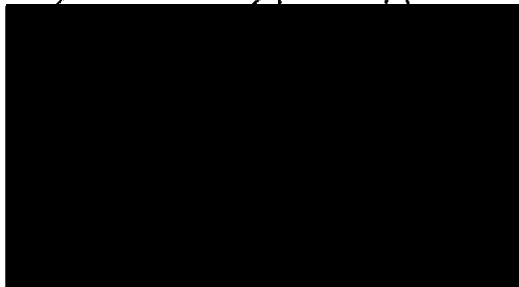

Susan Renteria

To whom it may concern,

I have been coming here since Geoff and Karna opened Roundin 3rd. My kids have practically grown up at Roundin 3rd and love to come in here and eat. They have always been kind and respectful to my family, and we are very much looking forward to trying their new restaurant the Hideaway. We support them serving alcohol on their patio and believe they will be very respectful of their neighbors.

Sincerely,

Rebecca Youngblood .

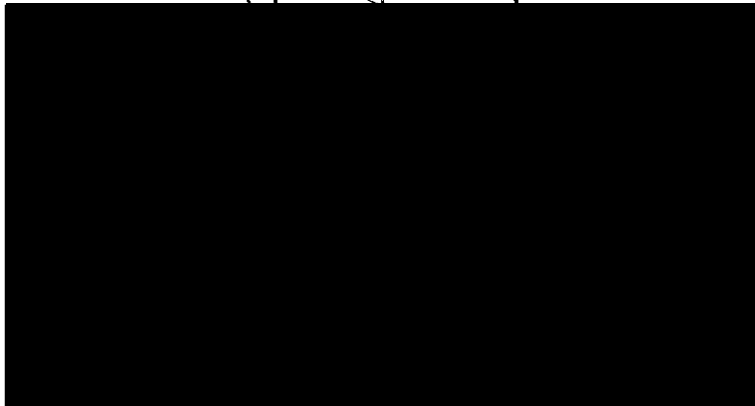

City of Long Beach,

When I heard that Geoff and Karna had bought the Caribbean restaurant next door and were planning on opening a high-end Steakhouse, I could not have been more excited. This area needs more dining options and could not have chosen better people to open a fine dining establishment. We have become friends over the years, and I know they will be aware of their responsibilities of not disturbing fellow neighbors. I am in full support of them serving alcohol in their outdoor patio and can't wait to try their new venture.

Sincerely,

City of Long Beach,

I live right next door to Roundin3rd at [REDACTED] Street and when I heard that Geoff and Karna had bought the Caribbean restaurant next door and were planning on opening a high-end Steakhouse, I could not have been more excited. In the 6 years they have been open they have never been loud or disrespectful to their neighbors. We have become friends over the years, and I know they will be aware of their responsibilities of not disturbing fellow neighbors. To whom it may concern,

My name is Adriana Rodriguez and my family and I are proud patrons of Roundin' 3rd Sports Bar and Grill. My husband, Josh Rivera, and I have been going to this establishment for over six years now, and we've had nothing but great experiences here. We've made lifelong friends with other customers, the staff, and the owners. We have always felt safe and comfortable at this business.

Six years ago, we frequented R3 with our friends and family members and always had a great time. Now, as proud parents of a toddler and an infant, this has not changed. My kids love going to Roundin' 3rd because it is a place that welcomes everybody. Everyone knows our kids - it really feels like a family. We come here to eat good food, watch some games, and chat with other patrons. Our kids enjoy the food, especially the items on the kids menu, and there is always something for them to do.

My family is so excited about The Hideaway and we fully support the liquor license in the patio. This is going to allow more families to enjoy the great food, drinks, company, and experiences that we have been privileged to have during the last six years. We are looking forward to a new family friendly restaurant that we can enjoy with our friends and family.

We thank you for taking this into consideration. Please feel free to reach out if you have any questions about our experiences.

RE: The Hideaway, 4137 E. Anaheim St., Long Beach, CA

To Whom It May Concern,

I have been a regular customer at Roundin' 3rd for over 2 years now. Our Co-ed Long Beach Parks Softball team is sponsored by Geoff and Karna. The team celebrates after playing by going to Roundin' 3rd every Friday night. The Roundin' 3rd staff have always been responsible stakeholders in our community.

I strongly support their request to serve alcoholic beverages in the proposed new outdoor space.

As I mention, the staff has always demonstrated professionalism at the Sports Bar. I have never seen customers that were out of hand or too drunk to handle themselves. I am confident they will maintain the same structure for their new venture, The Hideaway.

If you have any questions, please contact me at info@sicilianodesignstudio.com or on my phone at 562-972-9010.

Respectfully,

RE: The Hideaway, 4137 East Anaheim St., Long Beach, CA.

To Whom It May Concern,

I am writing this letter to express my support for full service patio seating at the Hideaway. I've been a patron at Roundin' 3rd for several years. I discovered Roundin' 3rd because I was in search of a place to watch sports with friends in a family friendly environment.

I love Roundin' 3rd. It's a great place to gather for food and a few beers to watch sports and visit. It's such a refreshing, casual restaurant that loves the Dodgers and all things sports. I really appreciate an establishment that is inviting to all and provides a safe environment to enjoy a night out.

Geoff and Karna will bring the same well managed environment to The Hideaway. We can't wait to enjoy some wine and great meal in their new space hopefully being able to enjoy it on their outdoor patio.

One of best things Southern California has to offer is amazing weather. Having great weather allows us to enjoy so much time outdoors and one of the great ways to spend time outdoors is enjoying a drink or meal on a restaurant patio. If anyone can responsibly operate an outdoor patio, it's Geoff and Karna. They operate their business professionally and their customers feel like they are family. Please grant them the permit to serve alcohol on the outdoor patio at the Hideaway.

Sincerely,

Alicia Gerken

RE: The Hideaway, 4137 E. Anaheim Street, Long Beach, CA

To Whom it May Concern,

I am writing this letter in support of the request of the proprietors of Roundin' 3rd Sports Bar and Grill, Geoff and Karna, to serve drinks in the proposed outdoor patio area at the Hideaway. I am a homeowner in the East Long Beach, Traffic Circle, neighborhood and have lived in the neighborhood since 2010.

I have been a patron of Roundin' 3rd, along with friends, family and my sports teams, since they opened their doors in 2013. They represented a big improvement over the previous establishment and have become an important part of our neighborhood and community. As an active participant on a local Tennis team that plays out of the BJK tennis center, after match get togethers at Roundin' 3rd are a big part of our teams' camaraderie. When I joined a Long Beach Parks and Rec Softball team, I was excited to learn that Roundin' 3rd had agreed to sponsor us. They proudly display our 2 championship trophies in the bar and have been great supporters of our team.

As a local resident, I appreciate having a professionally run and friendly local establishment that we can walk to and enjoy a good meal and a beer. I was very happy when I became aware that Geoff and Karna were taking over the recently available space next door to open The Hideaway. A successful and stable restaurant in that space will be a big addition to the neighborhood and Geoff and Karna have shown that they have the expertise and care to make it happen. I know the neighborhood residents will support them and I am hopeful that the city and county will provide the support needed give The Hideaway the best chance of success. Please support their request to serve drinks in the proposed outdoor patio at The Hideaway. Thank You

If you have any questions, please feel free to contact me at 313-313-3133 or [REDACTED]

RE: The Hideaway, 4137 E. Anaheim Street, Long Beach, CA

To Whom it May Concern,

I am writing this letter in support of the request of the proprietors of Roundin' 3rd Sports Bar and Grill, Geoff and Karna, to serve drinks in the proposed outdoor patio area at The Hideaway. I am a resident in the nearby Zafaria neighborhood and frequent their establishment with friends on weekends and Friday nights after our softball games.

I believe Geoff and Karna to be responsible business owners and fully support them in their desire to serve alcohol on the patio. I'm confident they will keep noise to a minimum and adhere to any local noise ordinances.

I was very happy when I became aware that Geoff and Karna were taking over the recently available space next door to Roundin' 3rd to open The Hideaway. As a local resident, I appreciate having a professionally run and friendly establishment that we can walk to that serves good food along with beer and alcohol. A new restaurant will be a welcome addition to the neighborhood and Geoff and Karna have shown that they have the expertise and care to make it happen. I am confident the neighborhood residents will support them as well.

It is my hope that you will approve their request to serve drinks in the proposed outdoor patio at The Hideaway as this will provide them with the best chance to be successful in this new endeavor.

To whom it may concern,

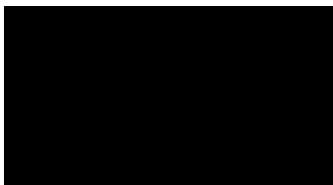

I am writing this letter as a character reference for Geoff and Karna, the owners of the sports bar, Roundin' 3rd. My wife and I have been patrons and personal friends of Geoff and Karna for the past 6 years and now even get to call them, neighbors. They live next door to us in Belmont Heights, Long Beach.

We met Geoff and Karna when Roundin' 3rd opened for business back in 2013. In that time, we have known them to be a great couple who care about their community, running a quality business and being kind and honest people. They are very hard working and strive to have their businesses represent quality and offer an environment for entertainment, good food and family fun. They even often pass on certain sports events that may entice a crowd or customer base that does not fit the style of business that they aim to be.

We look forward to the new dining experience that Geoff and Karna are looking to bring to Long Beach and my wife and I can most definitely vouch for their character.

Sincerely,

Gary and Genny Dunn
