Subject SMOKING LOUNGES

Smoking Lounges??????? I don't think so.....Tobacco stores are bad enough.....Where is our STATE LAW??????? sounds like a "knee jerk" approval to me!!!! Please, people we are trying to clean up our contaminated, polluted environment and stop killing people in our city (adding to all health care costs)!!!!!! NO SMOKING LOUNGES!!!!!!!!!! and while I'm "talking".....NO SMOKING IN OUTDOOR RESTAURANT SEATING AREAS!!!!!!

Thanks!!
