Board of Water Commissioners

September 5, 2019 Board Meeting

CHRISTOPHER J. GARNER, General Manager

Subject:

Adopt Specifications WD-27-19 and authorize the General Manager to execute an agreement with Haaker Equipment Company to furnish and deliver one (1) Closed Circuit Television Truck in an amount not to exceed \$238,000.

Executive Summary:

Bids for Specification WD-27-19 to furnish and deliver one (1) Closed Circuit Television (CCTV) Truck were opened on July 15, 2019. Two bids were received and evaluated for responsiveness. It was determined that the bid submitted by Haaker Equipment Company conforms to all bid document requirements and is the lowest responsive bidder.

This purchase is part of scheduled fleet replacement. The CCTV truck to be replaced is over 10 years old and has an outdated camera package that is heavy and difficult to use. In addition, the old camera package is no longer in production, making repairs difficult.

Staff Recommendation:

Adopt Specifications WD-02-18 and authorize the General Manager to execute an agreement with Haaker Equipment Company, to furnish and deliver one (1) Closed Circuit Television Truck in an amount not to exceed \$238,000.

Fiscal Impact: The total cost of the contract to the Sewer Fund will not exceed \$238,000. These costs are included in the Sewer Fund FY 19 Budget and financial projections.
