HONORABLE MAYOR AND CITY COUNCIL  
City of Long Beach  
California

## RECOMMENDATION:

Adopt a Resolution approving the 2019-2022 Memorandum of Understanding with the Long Beach Police Officers Association; and,

Adopt a Resolution of Intent to approve an amendment of the contract between the Board of Administration of the California Public Employees' Retirement System (CalPERS) and the City. (Citywide)

## DISCUSSION

In accordance with instructions from the City Council, a Memorandum of Understanding (MOU) agreement has been reached with the Long Beach Police Officers Association (POA) bargaining unit. The POA represents approximately 875 sworn employees in ranks of Police Recruit through Lieutenant.

Since May 2019, City management and POA representatives have held 13 negotiation sessions regarding a new MOU. The current MOU expires September 30, 2019. A tentative agreement has been reached and jointly signed by representatives of the City and the POA. The POA has worked in partnership with the City to develop an agreement that allows the City to remain competitive in the areas of recruitment and retention. A comparison of Police Officer salaries in other local law enforcement agencies versus the City is provided for informational purposes (Attachment A).

The tentative agreement includes a phased-in approach for structural wage increases that are in part offset by having employees pay a portion of the City's pension costs. The Public Employees' Pension Reform Act (PEPRA) of 2013 and related changes to the Public Employees Retirement Law (PERL) allow cities to negotiate "cost-sharing" with their employee unions, which means employees agree to share in the cost of the employer contribution. The cost-share amounts are paid in addition to the member contribution rates and assist in curtailing the City's growing pension expense. The mechanics of implementing the cost-sharing provisions are discussed further in this report.

The tentative agreement also contains key benefit enhancements such as a new paid parental leave program, one additional holiday, and modification of holiday and vacation accruals that enhance employees' ability to balance work and personal lives.

In addition, the agreement includes several items that will assist the Police Department in improving staffing capabilities such as a Letter of Agreement to discuss the feasibility of implementation of a Detective Rotation Program that aims to encourage cross-training in police investigative assignments. The agreement also includes the elimination of Administrative Skill Pay for approximately 30 positions on attrition basis (as employees vacate a designated position with Administrative Pay, the person back filling the position will not receive this skill pay). The agreement will also revise the Police Recruit training by having probationary employees to work with a partner during the last two months of their training period as opposed to a Field Training Officer (FTO). This change moves the Police Department more in line with other agencies training programs and increases patrol staffing capability.

### **Tentative Agreement Major Provisions**

The proposed MOU is for a three-year agreement from October 1, 2019 through September 30, 2022, and includes the following major provisions:

1. General Wage Increase:
  - 4 percent effective October 1, 2019
  - 3 percent effective October 1, 2021
  - 2.5 percent effective April 1, 2022
2. One-Time Payment: Effective October 1, 2020, all permanent full-time bargaining unit members (excluding Police Recruits and all non-career employees) receive a \$2,000 one-time payment.
3. Pension Pick-Up: Classic safety employees will contribute an additional 3 percent toward the City's employer contribution to CalPERS.
4. Skill Pays:
  - a. Advanced Post – Increase Advanced Post Certificate special pay from 7.5 percent to 10 percent of Step 5 Police Officer base hourly rate.
  - b. Police Officers assigned to Special Weapons and Tactics (SWAT) will receive additional compensation (10 percent of Step 5 Police Officer base hourly rate) when performing assigned SWAT duties.
  - c. Police Officers assigned to Dive Team duties will receive additional compensation (6 percent of Step 5 Police Officer base hourly rate) when performing assigned dive duties.
5. Overtime Bank Maximum: The maximum overtime hours banked will increase to 120 hours by 2021.

6. **New Paid Parental Leave:** Full-time employees eligible for City health benefits who have completed 6 months of full-time City service will be eligible for up to 30 consecutive days (160 hours) of Paid Parental Leave following the birth of a child, adoption of a child, or placement of a foster child in their home.
7. **Additional City Holiday:** In 2021, employees will receive one additional paid City holiday (to be determined by the City Council).
8. **Vacation and In-Lieu Holiday Accrual Maximum Changes:** In 2021, the City will implement revised vacation and in-lieu holiday accrual maximums. This will provide greater clarity on the accruals and accommodate the City's LB COAST HR system requirements. New employees may utilize accrued vacation hours upon completing 6 months of employment versus the current 12-month wait period.
9. **Probationary Training Police Recruits:** Beginning with Academy Class 93, probationary employees in field training will be allowed to work with a partner, other than the FTO, after successfully completing ten months of supervised training with an FTO. This provision increases patrol staffing capability.
10. **Detective/Administrative Pay:** Effective October 1, 2019, eligibility to receive Detective/Administrative Pay for selected positions will be eliminated on an attrition basis. The parties will meet to identify, specify, and narrow the application of the classifications that are eligible for Detective/Administrative pay between October 1, 2019 and September 30, 2020.
11. **Detective Rotational Program:** The City and POA will meet and confer within the first year of the term of this contract regarding the feasibility of implementing a pilot Detective Rotational Program.

**Employee Cost-Sharing**

The tentative agreement includes a provision that would have POA employees in the public safety Classic retirement tiers contribute 3 percent of their compensation toward the employer's share of CalPERS retirement contribution effective October 1, 2019. Classic members represent approximately 70 percent of the POA membership. This proposal would add 3 percent to their current contribution of 9 percent, bringing their total contribution to 12 percent, which is equivalent to the employees in the PEPRA retirement tier as indicated below:

| <b>Local Safety Police<br/>Retirement Benefit Type</b> | <b>Employee Contribution</b> |                 |
|--|------------------------------|-----------------|
|  | <b>Current</b>               | <b>Proposed</b> |
| Classic Members All Tiers                              | 9%                           | 12%             |
| PEPRA1 Members (Hired on or after 01/01/2013)*         | 12%                          | No Change       |

\*PEPRA employee contribution is half of the total normal cost and subject to change.

The increase in Classic employee contributions by 3 percent would reduce the City's contribution for Classic employees by an equivalent 3 percent.

Government Code Section 20516(f) allows employers to independently agree in an MOU to share the employer's pension costs. However, the employee contributions under Section 20516(f) are not credited to the employee's CalPERS account. Government Code Section 20516(a) allows for a similar arrangement that permits a credit to employees' CalPERS account; however, there are several administrative actions that need to take place before implementation.

The proposed MOU provision, if adopted by the City Council, would allow the City to implement this cost-sharing arrangement effective the first full payroll in FY 20 under Section 20516(f). Then after completion of the CalPERS administrative requirements, to amend the City's contract with CalPERS switching the cost-sharing arrangement under Section 20516(a). To implement a cost-sharing arrangement under Section 20516(a), CalPERS requires an amendment to the CalPERS contract, which is accomplished by the following administrative steps:

- City Council adoption of a Resolution of Intent to approve a contract amendment between CalPERS and the City initiates the process for the contract amendment.
- City sends CalPERS a letter requesting a contract amendment for cost-sharing with a copy of the MOU agreement.
- Adopt an Ordinance authorizing a contract amendment between CalPERS and the City. The Ordinance requires a first and a second reading, after the employee vote. Staff will submit an Ordinance authorizing an Amendment to the CalPERS contract for consideration in the next 90 days.
- CalPERS conducts a secret ballot election of POA public safety retirement members. The majority of the members must elect to change the employees' rate of contribution.
- City Council adoption of the Ordinance (second and final reading).
- Execution of CalPERS contract amendment.

This matter was reviewed by Principal Deputy City Attorney Gary J. Anderson on September 4, 2019 and by Budget Manager Grace H. Yoon on August 31, 2019.

#### TIMING CONSIDERATIONS

City Council action is requested on September 17, 2019, to ensure timely implementation of the MOU provisions.

FISCAL IMPACT

As shown in the table below, the total cost for this three-year agreement is estimated to be \$17.8 million for the General Fund and \$18.6 million for All Funds. The total structural (ongoing) cost increase resulting from the agreement is estimated to be \$16.2 million in the General Fund (GF) and \$16.9 million across All Funds. There is also a one-time payment in FY 21 estimated at \$1.6 million in the General Fund and \$1.7 million across All Funds. The table shows the breakdown of these costs by fiscal year. While the agreement is for FY 20 through FY 22, there are new structural cost increases that will impact FY 23 as a result of the mid-year raise that occurs in FY 22.

POA Net Contract Cost by Fiscal Year (in \$ millions)

| Fund                      | FY 20      | FY 21      | FY 22      | FY 23      | Total       |
|---------------------------|------------|------------|------------|------------|-------------|
| <b>General Fund</b>       |            |            |            |            |             |
| Structural costs          | 6.3        | 0.7        | 7.0        | 2.2        | 16.2        |
| One-time payment          | -          | 1.6        | -          | -          | 1.6         |
| <b>Total General Fund</b> | <b>6.3</b> | <b>2.3</b> | <b>7.0</b> | <b>2.2</b> | <b>17.8</b> |
| <b>All Funds</b>          |            |            |            |            |             |
| Structural costs          | 6.6        | 0.7        | 7.3        | 2.3        | 16.9        |
| One-time payment          | -          | 1.7        | -          | -          | 1.7         |
| <b>Total All Funds</b>    | <b>6.6</b> | <b>2.4</b> | <b>7.3</b> | <b>2.3</b> | <b>18.6</b> |

The net fiscal impact of the agreement includes the cost of the wage increases and other wage and benefit costs minus the savings from a 3 percent pension pick-up (cost-sharing) for all Classic (pre-state pension reform) employees. The pension pick-up savings are estimated to save a total of \$1.7 million in the General Fund and \$1.8 million across All Funds during the proposed contract period. These savings are included in the net contract cost above and the cost-sharing savings decrease over time as Classic employees retire or otherwise leave the City. PEPRAs members have lower cost pension plans as part of PEPRAs pension reform.

The net structural costs in FY 20 (\$6.3 million in the General Fund and \$6.6 million All Funds) are expected to be funded from one-time sources, as the proposed FY 20 budget has already been prepared. City management expects to identify one-time revenues in FY 20 - if adequate alternative sources are not available, the City has sufficient balance available in the operating reserve. The one-time costs in FY 21 (\$1.6 million in the General Fund and \$1.7 million All Funds) will also be funded from one-time sources, presumably from FY 20 year-end savings.

For FY 21, the City is expected to structurally include both the FY 20 and FY 21 structural costs into the operating budget (total of \$7.0 million in the General Fund and \$7.3 million All Funds) and will make any necessary adjustments to incorporate these costs. For FY 22 and FY 23, similar steps will be taken. This recommendation has a moderate staffing impact to implement the payroll changes but is within the normal budgeted scope of duties and is consistent with existing City Council priorities. There is no local job impact associated with this recommendation.

**MEMORANDUM OF UNDERSTANDING**

**Section I - Parties to Memorandum of Understanding**

**Section II – Purpose**

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstanding or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

**Section III – Recognition**

The City of Long Beach hereby recognizes the Police Officers Association as the exclusive representative for employees in the basic and supervisory Police unit classification referenced in Appendix A of the Memorandum, subject to the right of an individual employee to represent himself/herself as provided in Government Code Section 3502.

**Section IV - No Discrimination**

- A. The parties mutually recognize and agree fully to protect the rights of all employees covered by this MOU, and that all employees so covered shall have the right to join and participate in the lawful activities of the Association, and to exercise all rights expressly and impliedly set forth in Section 3500 et seq. of the Government Code of the State of California. Effective October 1, 2011, the City shall contribute to PERS on behalf of each bargaining unit member covered by this Agreement, zero percent (0%) of his or her nine percent (9%) employee contribution.

Should an employee hired under Tier II, terminate service prior to retirement and elect to withdraw his/her retirement contributions from PERS, it is intended that the City will pay to the employee two percent (2%) and applicable interest of the employee's regular compensation for that portion of service worked between April 21, 1990 through June 29, 2001. Regular compensation includes applicable wages, skill pay, incentive pay, etc., but does not include overtime, employer contributions to deferred compensation, or other forms of compensation not subject to PERS.

**B. Post-Retirement Health Insurance Account Supplement**

Retirees who retired between September 30, 2009 and December 31, 2011 receive a supplement to their Post-Retirement Health Insurance Account in accordance with the mutually agreed to supplement plan (see Appendix B POA MOU 2009-2014).

**C. Pension Formula Change**

1. Employees hired between October 1, 2011 and December 31, 2012 shall be provided a new retirement formula of 2.0 percent @ 50 (2.7 percent @ 55). These employees shall contribute from their annual salary an employee contribution of 9 percent to CalPERS. Final compensation for employees hired on or after October 1, 2011 will be calculated based on a three-year average.
2. Those employees hired on or after January 1, 2013, who are new members to CalPERS shall receive the new retirement safety formula of 2.7 percent @ 57 in accordance with Government Code section 7522.04.

**D. Report the Value of Employer-Paid Member Contribution (EPMC) - Special Compensation**

Effective October 1, 2011, the City no longer designates EPMC as compensation earnable and does not report it as such to PERS for unit employees in both Tier I and Tier II.

**E. Cost Sharing by Classic CalPERS Members**

Effective with the start of the first full pay period of FY 2019-20, Classic safety employees will contribute 3.0 percent of compensation earnable toward the City's required employer contribution to CalPERS, via payroll deductions pursuant to California Government Code Section 20516(f). This cost sharing contribution will be in addition to the 9 percent statutory employee contribution already paid by the employee, and will increase the employee's contribution to a total of 12.0 percent.

1. During the term of this MOU, the City shall initiate a CalPERS contract amendment, as soon as administratively possible to change the 3 percent cost sharing under Government Code section 20516(f) described in section 1 above, to cost sharing of 3 percent of compensation earnable, pursuant to Government Code Section 20516(a). The change to cost sharing under Government Code section 20516(a) will be effective upon the conclusion by the City and CalPERS of the CalPERS contract amendment process. The total Classic member contribution shall remain at 12 percent of compensation earnable (9 percent statutory employee contribution plus 3 percent cost sharing).
2. The CalPERS contract amendment process has an employee election requirement for this amendment. Following the adoption of a Resolution of Intention for the contract amendment, CalPERS will conduct a secret ballot election as required by applicable law prior to approving the CalPERS contract amendment.
  - a. If the employees vote in favor of the employee contribution rate change and CalPERS approves the amendment, then as a result of the change to Government Code section 20516(a) cost sharing, prospective employee cost sharing contributions will be credited to each member's account as normal member contributions.
  - b. In the event employees do not vote in favor of the CalPERS contract amendment contribution rate change during the secret ballot election or if for some other reason CalPERS will not approve the contract amendment, Classic members will continue paying the three percent (3%) of compensation earnable toward the employer's contribution rate, as cost sharing pursuant to Government Code section 20516(f). However, in that event, the cost sharing contributions will not be

credited to each member's account by CalPERS and will not be made on a pre-income tax basis, unless otherwise provided by law.

- c. The employee cost sharing contributions will be made on a pre-income tax basis as allowed under Internal Revenue Service Code Section 414(h)(2) or as otherwise provided by law.
3. It is the intention of the parties that the Classic member cost sharing contributions shall continue beyond the term of this MOU, and until otherwise amended through the normal collective bargaining process.
4. The Long Beach Police Officers Association acknowledges and agrees that if this MOU expires without a successor MOU in place, the cost sharing contributions shall continue in the same manner as they were prior to expiration of the MOU.
5. If, for any reason, the cost sharing provisions of this MOU are not enforceable, whether by operation of law, a ruling by a court or administrative proceeding, or otherwise, the parties agree to re-open the MOU solely to collectively bargain over the effects of this change.
6. Because Classic CalPERS members have voluntarily agreed to contribute an additional 3 percent toward the City's pension costs, both parties agree that members have reached the maximum employee contribution of 12 percent allowed under Government Code Section 20516.5(b). Both parties agree that imposition of any additional member contribution is not currently permitted, as specified in Government Code section 20516.5(c).

### LETTER OF AGREEMENT BETWEEN THE CITY OF LONG BEACH AND THE LONG BEACH POLICE OFFICERS ASSOCIATION

#### PAID PARENTAL LEAVE

Subject to approval by City Council, the City of Long Beach proposes to implement the following paid parental leave policy effective the first full pay period of calendar year 2021 or upon implementation of the City's LB Coast HR system (whichever comes last):

The proposed policy institutes a new program offered by the City which provides 30 consecutive calendar days (160 hours) of Parental Leave at 100 percent of salary, for the birth, adoption or foster placement of a child, regardless of the gender, marital status or sexual orientation of the parent. Paid Parental Leave may be taken at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee. The leave must be taken in full work day increments, and within one year of the date of birth/placement of the child. This type of absence is not charged against the employee's leave credits.

#### Purpose/Objective

All full-time employees eligible for City health benefits are eligible for Paid Parental Leave, for up to 30 consecutive days (160 hours) in the twelve-month period following the birth of a child, adoption of a child, or placement of a foster child in their home. Employees will be afforded the same level of benefit continuation for the period of time that the employee is on Paid Parental Leave as if the employee was on active work status.

The purpose of Paid Parental Leave is to enable the employee to care for and bond with a newborn or a newly adopted or newly placed child.

#### Eligibility

- Full-time employees eligible for City health benefits; AND
- Employees that have completed six months of full-time City service; AND
- Employees who are the parent of a newborn child without regard to the marital status or sexual orientation of the parenting individual; OR
- Employees who have adopted a child or been placed with a foster child (in either case, the child must be age 17 or younger).
- This benefit shall apply to life events occurring after the effective date of the Paid Parental Leave program.

#### Amount, Time Frame and Duration

- Employees will be eligible for up to 30 consecutive calendar days (160 hours) of Paid Parental Leave at 100 percent of the employees regularly scheduled weekly adjusted-pay.

- Paid Parental Leave will be paid on regularly scheduled pay dates.
- Approved Paid Parental Leave may be taken at any time during the twelve-month period immediately following the birth, adoption or placement of a child with the employee.
- Paid Parental Leave may not be used or extended beyond this twelve-month time frame.
- In no case will an employee receive more than 30 calendar days (160 hours) of Paid Parental Leave in a rolling 12-month period, regardless of whether more than one birth, adoption or foster care placement event occurs within that 12-month rolling time-frame.
- The scheduling of the leave may be modified to meet the operational needs of the department on an exception basis by approval of the Human Resources Department Director.
- City employees who are co-parents with another City employee, will each have an individual right to paid Parental Leave.

#### **Coordination with Other Policies**

- Paid Parental Leave taken under this policy will run concurrently with leave under the FMLA, CFRA and PDL.
- If a City holiday occurs while the employee is on Paid Parental Leave, such day will be charged as holiday pay and will not be counted against the employees 30 days of Paid Parental Leave.

#### **Requests for Paid Parental Leave**

- The employee must provide his or her supervisor and the Human Resources Department with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible).
- An employee who does not give 30 days' notice must explain why such notice was not practicable.
- The employee must complete the necessary Human Resource Department forms and provide all documentation as required by the Human Resource Department to substantiate the request.
- Employees may request to start their Paid Parental Leave up to two weeks prior to the birth/placement of the child.

The City has the exclusive right to interpret this policy.

The City retains the right to review the Paid Parental Leave program at the end of the contract term to evaluate the program impact on operations. The parties will agree to meet and discuss modifications to the program to address unforeseen fiscal and/or operational impacts.

#### PROBATIONARY TRAINING

During the term of this MOU, the parties agree to include and incorporate the following change into the department manual. Technical language changes to the verbiage below must be agreed upon by both parties prior to implementation into the department manual.

Starting with Academy Class 93 and following classes, probationary employees in field training will be subject to the following:

- **Phase 1 Training:** An entry level officer must successfully complete the requirements of a Basic Police Academy as set forth by the California Commission on POST. Typically, Phase 1 is completed upon graduation from a certified basic police academy.
- **Phase 2 Training:** Probationary officers must successfully complete a minimum of five months of Phase 2 training with a qualified Field Training Officer (FTO) followed by one month of role reversal training with a qualified FTO. Phase 2 training period may be extended as necessary.
- **Phase 3 Training:** Upon successful completion of Phase 2 training, probationary employees must complete a minimum of four months of Phase 3 training with a qualified FTO. Phase 3 trainees shall not be moved to Phase 4 or counted towards patrol minimum staffing numbers until they have successfully completed these four months.
- **Phase 4 Training:** Phase 4 is intended to be the final two months of probationary training but will not occur before the successful completion of Phase 3 training. Phase 4 trainees will be required to work with a partner. Non-probationary officers who would normally be entitled to solo patrol premium and are assigned to work with a Phase 4 trainee will be entitled to FTO pay for every hour worked with the Phase 4 trainee.

Probationary officers while still in training shall not be allowed to sign up for special event or contract service overtime assignments. Probationary officers shall not be subject to inverse overtime.

Training of probationary officers in positions outside of normal Patrol calls-for-service requires mutual agreement between the department and the POA.

Lateral transfer officers shall have their probationary period determined by the Chief of Police.

#### **ADDRESSING POLICE ACADEMY RECRUIT CLASSES**

The parties agree to acknowledge the City's past practice of allowing POA representatives to make a presentation during the Police Recruit class. The City intends to issue a letter to the POA to this effect as follows:

As the department and POA have discussed, the current practice allows the POA to speak in the last week of the academy, based on the Chief of Police or designee approval. The department would like to acknowledge the past practice of allotting two (2) consecutive hours during the last week of the academy curriculum for the POA to make a presentation to the Recruit class(es).

In the event there is an unforeseen or unavoidable academy schedule change, preventing the POA from having their two-hour presentation, every effort will be made to reschedule the POA presentation as soon as practicable. In so doing, we look forward to continuing the relationship between the Academy and the POA.

### MILITARY LEAVE BENEFITS

**City of Long Beach**  
*Working Together to Serve*

**Memorandum**

**Date:** December 23, 2002

**To:** Employees Subject to Military Service In 2003

**From:** Kevin Boylan, Acting Director - Human Resources

**Subject:** Employees Called to Military Duty – Revised for 2003

This memo concerns employees who may be called to military duty during 2003. The City Council recently approved a resolution extending, through December 31, 2003, the supplemental benefits for full-time employees involuntarily called into active military service in support of the war on terrorism. We want to make you aware of these City benefits, as well as other benefits to which you may be entitled under state and federal law. This memo revises and supercedes all previous memos on military leave benefits.

#### **GENERAL PROCEDURES**

It is important that you provide written notice to your supervisor as far in advance as possible of any anticipated call to military service. In some cases, this may be before you have even received your written orders. When you receive orders calling you to military service, you must submit a copy to your supervisor who shall forward them to your department's Payroll/Personnel Office. You should also designate someone to act on your behalf for matters relating to your military leave benefits. This person should be made aware of the City benefits for which you are eligible while on military leave, and of the procedures required to receive these benefits.

#### **STATE & FEDERAL MANDATED BENEFITS**

If you are called to military duty, you may be entitled to benefits as provided under applicable state and federal laws: the state Military and Veteran's Code (MVC) Sections 389 et seq. and the federal Uniformed Services Employment & Reemployment Rights Act (USERRA) 38 U.S.C. Sections 4301 et seq. Since the following is intended to be a summary, the state and federal laws may have additional benefits and conditions that apply. In all cases, the state and federal laws shall be controlling.

#### **Wages**

State law provides that when you are absent on active military duty or temporary military leave (including active duty for training, encampment, naval cruises, special exercises or similar activities) and have at least one year of City service or combined City and/or military service, you will receive your regular salary for the first 30 calendar days for any one military leave of absence or during any one fiscal year (i.e., July 1<sup>st</sup> to June 30<sup>th</sup>). There is an exception, however, for National Guard members called to active duty. They are entitled to the first-30 days of pay

regardless of length of City service. Note that there is no exception for National Guard members on temporary military leave.

### Accruals

State law provides that when you are absent on temporary military leave (i.e., active duty for training, encampment, naval cruises, special exercises or similar activities) and have at least one year of City service or combined City and/or military service, you will continue to accrue the same vacation, sick leave and holiday privileges for up to a maximum period of 180 days that the you would have received had you not been on leave. Employees absent on active military duty are not entitled to sick leave or vacation accrual under MVC Section 395.1(b).

Federal law provides that when you are absent for military duty you will continue to accrue the same Civil Service seniority and credit for retirement benefits that you would have received had you not been on leave.

### Reemployment Rights

State and federal law provides that you are entitled to reinstatement or reemployment with the City in the same or similar position held prior to being called to military duty.

### **SUPPLEMENTAL CITY BENEFITS**

In addition to the benefits indicated above, if you are a full-time officer or employee of the City who has been or is involuntarily called to active military duty with the Armed Forces of the United States on or after September 11, 2001, in support of the war on terrorism, you are also entitled to the following additional benefits through December 31, 2003.

### Wages

You will receive an additional supplemental wage benefit equal to the difference between your gross pay and allowances from the military and your gross wages from the City.

To receive this supplemental wage benefit you or your designee must submit each military paycheck stub to Central Payroll (6<sup>th</sup> floor, City Hall) along with a mailing address. When a military check stub is submitted, a paycheck for the difference will be generated either as part of the City's regular pay cycle or upon your return. If you utilize direct deposit for your paycheck, the supplemental wage check will also be deposited in your bank account. Your direct deposit paycheck stubs will be mailed to you.

### Health/Dental/Life Insurance

You will continue to be eligible for your health, dental, and life insurance benefits. To maintain this coverage, however, you must continue to pay your normal employee contribution each month. If your military check stub is submitted in a

timely manner, the deductions may be taken directly from your supplemental wage benefit. As an alternative, you or your designee may send in a personal check for the employee portion each month. You must make these payments for your insurance to be continued.

**QUESTIONS & PROCEDURES**

If you have any additional questions regarding these benefits, feel free to contact your department's Payroll/Personnel Office.
