28. (20-0112) Recommendation to declare ordinance amending the Long Beach Municipal Code by amending Sections 8.63.020 and 8.63.030; all relating to prohibiting the use and sale of single-use food and beverage containers, packaging and food service ware made of expanded polystyrene (EPS) foam, rigid polystyrene #6, and non-recyclable and non-compostable material for prepared food distribution, and the distribution of plastic for bio-plastic straws, read the first time and laid over to the next regular meeting of the City Council for final reading. (Citywide)	Whitney Amaya	whitney.amaya@gmail.com						To improve community health, reduce impacts to frontline communities next to facilities along the lifecycle of plastic we need to move away from plastics and bio plastics and move toward reusables to reduce the amount of waste that's being generated. Plastic pollution starts with the extraction and refining of fossil fuels, which as a resident of West Long Beach, I breathe in a lot of the pollution that comes from these facilities which negatively impacts my health, the health of my family and community. In addition to the refineries, because most plastic is not recycled, it ends up in landfills or is burned at SERRF, the incinerator owned by the city of Long Beach which leads to toxic emissions. It's important to tackle plastic pollution at all the stages And stop creating more plastics. These amendments are a step towards reducing impacts from plastic and we should continue to do more in the future.	2/4/2020
29. (20-0070) Recommendation to declare ordinance amending and restating the Belmont Pier Planned Development District (PD-2), read and adopted as read. (District 3)	Susan Miller	mpshogri@msn.com						This is a sham. Oppose this Item. This is being fast tracked and lacking transparency. This sets a precedent for other out of character projects for this area.	2/2/2020
30. (20-0071) Recommendation to declare ordinance amending the Use District Map of the City of Long Beach as said Map has been established and amended by amending portions of Part 5 of said Map from Park (P) to Belmont Pier Planned Development District (PD-2), read and adopted as read. (District 3)	Jessin Lucas	dlgenservice@gmail.com						Well, this is just another piece of the puzzle? I guess I need to Read More...on this site.	2/4/2020
