The screenshot shows the PBS LearningMedia website interface. At the top, there are navigation links for 'Subjects', 'Grades', 'Standards', and 'For Students'. The main heading is 'Our Water Future | Sustainability Series'. Below this, a video player shows a woman speaking. To the right of the video, there is a resource guide titled 'Our Water Future | Water Resources - Episode 1' which includes sections for 'Art Gallery', 'Hands-on Pacific Tissues Theater', and 'Sustainable Family Culmination Gallery'. The video player has a progress bar at the bottom showing 02:01 / 05:51.

“[On the west side] we have a fear of sometimes going outside of our homes, due to the crime or different things... But a couple of us decided that we are going to take back our streets... We would invite all our neighbors to meet up and we would just do a mile [walk] in different parts of the neighborhood. And we were able to see the different homes and the pride that the home owners had on the west side.”

“[En el lado oeste] tenemos miedo unas veces de salir de nuestras casas, debido al crimen o cosas diferentes... Pero unos de nosotros decidimos que vamos a recuperar nuestras calles. Invitaremos a todos nuestros vecinos a juntarse para que caminemos una milla en diferente partes del vecindario. Y podemos ver las diferentes casas con orgullo en el lado oeste.”

“ [នៅភាគខាងលិចនៃក្រុងឡុងប៊ិច] ពេលខ្លះយើងមានការភ័យខ្លាចនៅពេលចេញក្រៅផ្ទះរបស់យើងដោយសារតែបទឧក្រិដ្ឋ ឬរឿងប្លែកៗកើតឡើង...ប៉ុន្តែយើងរួមគ្នាចំនួនប៉ុន្មានរូបបានសំរេចចិត្តថា យើងនឹងធ្វើឲ្យផ្លូវរបស់យើងមានសុវត្ថិភាពឡើងវិញ...យើងអញ្ជើញអ្នកជិតខាងទាំងអស់ដើម្បីជួបប្រជុំគ្នា ហើយយើងនឹងដើរមើលជុំវិញតំបន់នោះប្រហែល 1-2 km។ យើងបានមើលឃើញផ្ទះមានលក្ខណៈផ្សេងៗ និងមោទនភាពដែលម្ចាស់ផ្ទះនៅភាគខាងលិចមាន។ ”

“Community isn't just about oh how can you help me or what can I get out of you. It's also about what can I do for you and what can you get out of me. And I think that that is something that is very much lost in today's present day, but I think that having grown up here, it was never lost to me.”

“Comunidad no nomas se trata de cómo tu me puedes ayudar a mi, o lo que yo puedo sacar de ti. También se trata de lo que yo puedo hacer por ti, y lo que puedes sacar de mi. Y yo pienso que eso es un tópico perdido en el día presente, pero pienso que como crece aquí, nunca se perdió en mi.”

“ សហគមន៍មិនគ្រាន់តែអំពីថា តើអ្នកអាចជួយខ្ញុំយ៉ាងដូចម្តេច ឬតើខ្ញុំអាចបានអ្វីពីអ្នកនោះឡើយ។ វាក៏ជាអ្វីដែលខ្ញុំអាចធ្វើសម្រាប់ជួយអ្នក និងតើអ្វីដែលអ្នកអាចទទួលបានពីខ្ញុំ។ ហើយខ្ញុំគិតថាអ្វីទាំងនេះ គឺបានបាត់បង់ក្នុងពេលបច្ចុប្បន្ននេះ ប៉ុន្តែខ្ញុំគិតថាការជំលូតលាស់ឡើងនៅទីនេះ វាមិនមានអ្វីបាត់បង់ឡើយ សម្រាប់ខ្ញុំ។ ”

"In Leadership Long Beach...

We focused on a need which was access to healthy fruits and vegetables in west side Long Beach. My team of 10 people, we partnered with the council district, Cabrillo, as well as the Health Department, and we got some funding from the Port of Long Beach and we were able to build a farm stand. So it's still current now, 2 years later... And the residents of Cabrillo who are people who are combatting chronic homelessness, now have access to fresh foods and they don't have to walk miles and miles on really dangerous side walks with a bunch of semi-trucks going past them. And in fact the Director at the Century Villages at Cabrillo was now able to get a community garden at this center and now the community garden supplies this farm stand."

"En Liderazgo Long Beach ...

Nos centramos en una necesidad que era el acceso a frutas y verduras saludables en el lado oeste de Long Beach. Con mi equipo de 10 personas, nos asociamos con el distrito del consejo, Cabrillo, y también con el Departamento de Salud. Obtuvimos algunos fondos del Puerto de Long Beach y pudimos construir un puesto de granja. Así que todavía está vigente ahora, 2 años después ... Y los residentes de Cabrillo que son personas que luchan contra la falta de vivienda crónica, ahora tienen acceso a alimentos frescos y no tienen que caminar millas y millas en caminatas laterales, realmente peligrosas, con un montón de semirremolques pasando junto a ellos. Y de hecho, el Director de Century Villages en Cabrillo ahora podía obtener un jardín comunitario en este centro y ahora el jardín comunitario suministra este puesto de granja."
