Mayor, City Council, City Attorney, City Manager:

My name is Carlos Ovalle and I live in zip code 90806.

I STRONGLY OPPOSE agenda item #9, a request from the LBPd for over \$2.4 million for software to provide, implement, and maintain Police Records.

More money to LBPd is NOT a solution to the problem of police violence. Already half of the general fund goes to the police, while the council districts with a high proportion of Blacks and other People of Color suffer the highest mortality rate because of POLICE VIOLENCE, ENVIRONMENTAL RACISM, HIGH CRIME RATE, FEW PARKS AND OPEN SPACE, LITTLE AFFORDABLE HOUSING, AND DETERIORATING INFRASTRUCTURE.

This is not subject to debate, no more funding for arbitrary contracts. NOT A DIME MORE TO THE POLICE.

We must defend Black lives.

We must use funds to reinvest in our community, especially our Black LB community.

We must strengthen our city services such as parks, housing, library services in the LB.

We MUST DEFUND THE POLICE.

Sincerely,

Carlos Ovalle, Architect, LEED AP

My name is Andre and I live in zip code 90805. I am opposed to item #9 which is a request from the LBPD for over \$2.4 million for software to provide, implement, and maintain Police Records. More money to LBPD is NOT a solution to the problem of police violence. This is not an area of debate, Black people are dying in LB at a high rate. No more funding for arbitrary contracts.

My name is Viki Yamashita. I live in zip code 90808, Lakewood Village.

I STRONGLY. OPPOSE item #9 which is a request from the LBPD for over \$2.4 million for software to provide, implement, and **maintain Police** Records. As we have seen by the various protests throughout Long Beach, the thousands of voters want real change. We demand it.

More money to LBPD is NOT a solution to the problem of police violence. This is not an area of debate, Black people are dying in LB at a high rate. No more funding for arbitrary contracts.

50% of a city's budget is an obscene amount of money to spend on just one entity of what makes a city. Your residents are begging for more services. Do not approve the \$2 million dollars to the LBPD.

Sincerely,

Viki Yamashita
