Subject: Agenda Item #6.A: SB1421 & #7.A

-EXTERNAL-

City of LB Human Relations Commission.

I am a resident of (90803) here in Long Beach. This moment for change in the City of Long Beach will not go unseen or unheard from our most vulnerable community. The Black community. Their demands and expectations to hold this city, the mayor, Chief Luna, police union and LBPD accountable will not stop.

- 1. The City of Long Beach and LBPD MUST fully adhere to state law transparency bill SB1421!**
- 2. LBPD MUST stop hiding or destroying violent officers records!**
- 3. Mayor Garcia and City attorney MUST retract article IX (9) from POA contract.**
- 4. Agenda item in old business #7.A: Structural Racism: DEFEND BLACK LIVES!**

The City of Long Beach must stand with **Black Lives Matter** and **Defend Black Lives** and **LIFE** here in Long Beach.

Thank you,

Kailee Caruso
