Hi Teresa!

My name is Ashley Locke and I'm a resident of Long Beach, CA 90808. I'm writing to pass along my public comment for the Human Relations Commission Meeting that was this evening.

Here are my demands:

- The city of LB and LBPd fully adhere to state law transparency bill SB1421
- LBPd and its POA stop trying to hide violent officer's records
- Mayor and City Attorney retract Article 9 from POA contract

Thank you for your time!

All the best,
Ashley
