

**STANDARDS VARIANCE
LOCAL COASTAL DEVELOPMENT PERMIT
CONDITIONS OF APPROVAL**

5701 East Seaside Walk

Application No. 2006-02 (APL20-003,SV20-001, LCDP20-005)

September 3, 2020

Special Conditions:

1. This approval is for a Local Coastal Development Permit to allow the rebuilding of an existing single-family dwelling located as the first lot from the water in conjunction with a Standards Variance to allow a four (4') foot garage setback where twenty (20') feet is required. Compliance with all other applicable development standards shall be demonstrated on construction drawings prior to building permit issuance.
2. Construction staging, equipment, and materials shall not obstruct the existing 9-foot easement without written approval of the property owner(s) to which the easement serves.
3. Prior to the issuance of building permits, a construction staging and management plan shall be submitted to the Director of Development Services for review and approval.
4. Construction staging, equipment, and materials shall not impede public access to the coast for both vehicular and pedestrian traffic.
5. A land survey of the subject property shall be submitted to the Planning Bureau prior to the issuance of building permits. The survey shall be prepared and stamped by a licensed surveyor noting the property lines of the lot, all existing structures on-site, and all existing features and structures within the public right-of-way adjacent to the site.
6. Improvements within the public right-of-way adjacent to the site shall be limited to flatwork or landscaping subject to the approval of the Director of Public Works. Any existing encroachments that violate the standards established by the Department of Public Works for encroachments into the public right-of-way shall be removed prior to the approval of rough framing inspection.
7. The Applicant is hereby advised that sea-level rise could potentially cause physical hazards, such as beach erosion, flooding, and saltwater intrusion upon the subject property. This condition of approval serves in an advisory capacity and does not constitute a vulnerability assessment. The Applicant is encouraged to include adaptive capacity in development with measures such as waterproofing, flood shields, watertight doors, moveable flood walls, partitions, and other floodproofing techniques.

Standard Conditions:

8. This permit and all development rights hereunder shall terminate three years from the effective date of this permit unless construction is commenced, or a time extension is granted, based on a written and approved request submitted prior to the expiration of the two year period as provided in Section 21.21.406 of the Long Beach Municipal Code.
9. This permit shall be invalid if the owner(s) and/or applicant(s) have failed to return written acknowledgment of their acceptance of the conditions of approval on the *Conditions of Approval Acknowledgment Form* supplied by the Planning Bureau. This acknowledgment must be submitted within 30 days from the effective date of approval (final action date or, if in the appealable area of the Coastal Zone, 21 days after the local final action date). Prior to the issuance of a building permit, the applicant shall submit a revised set of plans reflecting all of the design changes, if any, outlined in the conditions of approval to the satisfaction of the Zoning Administrator.
4. If for any reason, there is a violation of any of the conditions of this permit or if the use/operation is found to be detrimental to the surrounding community, including public health, safety or general welfare, environmental quality or quality of life, such shall cause the City to initiate revocation and termination procedures of all rights granted herewith.
5. In the event of a transfer of ownership of the property involved in this application, the new owner shall be fully informed of the permitted use and development of the said property as set forth by this permit together with all conditions, which are a part thereof. These specific requirements must be recorded with all title conveyance documents at the time of closing escrow.
6. All conditions of approval must be printed verbatim on all plans submitted for plan review to the Planning and Building Bureaus. These conditions must be printed on the site plan or a subsequent reference page.
7. All plans submitted for plan review must explicitly call out and describe all materials, textures, and colors approved by the Zoning Administrator. No substantial changes shall be made without the prior written approval of the Zoning Administrator.
8. The Director of Long Beach Development Services is authorized to make minor modifications to the approved design plans or any of the conditions of approval if such modifications shall not significantly change/alter the approved design/project. Any major modifications shall be reviewed by the Zoning Administrator.
9. Site development, including landscaping, shall conform to the approved plans on file in Long Beach Development Services. At least one set of approved plans containing Planning, Historic Preservation, Building, Fire, and, if applicable, Redevelopment and Health Department stamps shall be

maintained at the job site, at all times for reference purposes during construction and final inspection.

10. All landscaped areas must be maintained in a neat and healthy condition. Any dying or dead plant materials must be replaced with the minimum size and height plant(s) required by Chapter 21.42 (Landscaping) of the Zoning Regulations. At the discretion of City officials, a yearly inspection shall be conducted to verify that all irrigation systems are working properly and that the landscaping is in good healthy condition. The property owner shall reimburse the City for the inspection cost as per the special building inspection specifications established by the City Council.
11. The property shall be developed and maintained in a neat, quiet, and orderly condition and operated in a manner so as not to be detrimental to adjacent properties and occupants. This shall encompass the maintenance of exterior facades of the building, designated parking areas serving the use, fences, and the perimeter of the site (including all public parkways).
12. Any graffiti found on site must be removed within 24 hours of its appearance.
13. All structures shall conform to the Long Beach Building Code requirements. Notwithstanding this subject permit, all other required permits from the Building Bureau must be secured.
14. Separate building permits are required for fences, retaining walls, and flagpoles.
15. Approval of this development project is expressly conditioned upon payment (prior to building permit issuance or prior to Certificate of Occupancy, as specified in the applicable Ordinance or Resolution for the specific fee) of impact fees, connection fees and other similar fees based upon additional facilities needed to accommodate new development at established City service level standards, including, but not limited to, sewer capacity charges, Park Fees and Transportation Impact Fees.
16. The applicant shall file a separate plan check submittal to the Long Beach Fire Department for their review and approval prior to the issuance of a building permit.
17. Demolition, site preparation, and construction activities are limited to the following (except for the pouring of concrete which may occur as needed):
 - a. Weekdays: 7:00 a.m. to 7:00 p.m.;
 - b. Saturday: 9:00 a.m. - 6:00 p.m.; and
 - c. Sundays and Federal Holidays: not permitted
18. Any off-site improvements found to be damaged shall be replaced to the

satisfaction of the Director of Public Works.

19. All unused curb cuts shall be replaced with full height curb, gutter, and sidewalk and shall be reviewed, approved, and constructed to the specifications of the Director of Public Works.
20. The applicant shall defend, indemnify, and hold harmless the City of Long Beach, its agents, officers, and employees from any claim, action, or proceeding against the City of Long Beach or its agents, officers, or employees brought to attack, set aside, void, or annul an approval of the City of Long Beach, its advisory agencies, commissions, or legislative body concerning this project. The City of Long Beach will promptly notify the applicant of any such claim, action, or proceeding against the City of Long Beach and will cooperate fully in the defense. If the City of Long Beach fails to promptly notify the applicant of any such claim, action, or proceeding or fails to cooperate fully in the defense, the applicant shall not, thereafter, be responsible to defend, indemnify, or hold harmless the City of Long Beach.
