11. Please describe why you wish to serve on the Independent Redistricting Commission and share any additional experience, community activities, or other qualifications that make you a strong candidate for the Commission, including, but not limited to, analytical skills, familiarity with the City's neighborhoods and communities, ability to be impartial, and ability to work cooperatively with other potential commissioners. (Max. 1800 Characters, approximately 250-300 words)

I want Long Beach to have impartially drawn city council district lines so all points of view of the citizens will be represented on the council. Being a Commissioner is a perfect match of my skills and experiences: I am familiar with census tracks and love data analysis, my geographical background gives me a strong understanding of the city's neighborhoods and communities, and I continue to be an active member of the city through volunteering.

I have been a Long Beach City resident since 1965, attending public schools (K-12), Long Beach City College, and CSULB. I graduated Phi Betta Kappa from CSULB with a degree in Geography and continued my higher education there to earn my teaching credential in History-Social Science.

After 7 years of teaching at Franklin MS, I was promoted to school counselor at Hamilton MS, transferred to Poly HS, and then spent the 24 years at the California Academy of Mathematics and Science (CAMS) as the Head Counselor, retiring in June 2019. During my time at CAMS, I frequently reviewed and analyzed student achievement data to help create a strong STEM program, created reports for the Principal and Superintendent, managed and negotiated the Master Schedule of Classes, and oversaw a comprehensive and fair CAMS admissions program. CAMS recruited students from all of Long Beach and I visited all of the middle school neighborhoods to understand the students we enrolled. To be an effective Head Counselor, one has to be impartial with the staff as I made many decisions that affected their work schedule and with students as I help guide them through the maze of high school and college admission.

Having a background in geography, I am well aware of the cultural communities and physical neighborhoods. Over the years I volunteered from Human Relation Camps, Cub/Boy Scout leader, and most recently start to help at Rancho Los Cerritos to name a few.

District 5

Q33

How did you hear about this Commission?

Other (please specify): Long Beach Utility Bill

Objective: Independent Redistricting Commission

HIGHLIGHTS OF QUALIFICATIONS:

- Experienced and adept at analyzing large amounts of data and applying results to guide decisions and meet goals
- Completed university Statistics and Data Analysis courses at the undergraduate and graduate levels
- Strong geographic knowledge of Long Beach communities and neighborhoods
- > Skillful at working with diverse and multicultural populations
- Resident of Long Beach for over 55 years; attended LBUSD schools
- Educator with Long Beach Unified School District for 39 years

RELEVANT EXPERIENCE

Director of Admissions at the California Academy of Mathematics and Science (CAMS), a regional magnet high school managed by the LBUSD

- Administered successful outreach and selective admission program
- Increased annual applications by 50%
- Evaluated 900-1,000 applications for the in-coming 9th grade classes
- Analyzed thousands of pieces of data (grades, test scores, and teacher recommendations) each admission cycle to develop a pool of semi-finalists
- Arranged on-campus interviews for 300 semi-finalists candidates each cycle
- Oversaw final admission decisions based on applicant's submitted data, interview, and ability to work in a group-based learning environment
- Ensured all 75 middle schools and member school districts were represented in each admitted class, including LBUSD students
- Visited and studied Long Beach communities, neighborhoods, and attendance areas for CAMS admissions to understand the background of students, families, and educational opportunities
- Chaired the CAMS Admission Appeals Committee to maintain program integrity, impartiality, and fairness as well as deal with parent concerns and complaints

CAMS Head Counselor and Director of College Counseling (24 years)

- Analyzed student achievement data (GPA's, standardized test, PSAT/SAT/ACT scores, AP Exam results) to examine student progress and guide curriculum
- Contributed to numerous school committees as a member: Administrative Team, Instructional Leadership Team, Grade Level Teams (4), and School Site Council
- Awarded the 2002 Arthur C. Marmaduke High School Counselor Award from the California Student Aid Commission recognizing superior skills, dedication, and results in counseling students for financial aid and post-secondary opportunities.
- Increased student financial aid (not including governmental grants) by over 800%

- Collaborated with California State University, Dominguez Hills deans, department chairs, faculty, and admission personnel as CAMS students enrolled in and attended university classes
- Created the school-wide Master Schedule of Classes to reflect student demand, teacher requests, and principal directives

College Summit: Director of College Counseling (volunteered 11 years)

- Trained and steered the College Counseling Team at Summer Workshops to counsel high school students from low-income families across the nation
- Provided one-on-one and group counseling for college admission information and guidance at Workshops
- Planned cooperatively with Workshop Leadership Team and staff to create a friendly and safe environment for student participants

Boy Scouts of America Leader in Long Beach (11 years)

- Arranged monthly meetings, quarterly outings, and camping trips as Den Leader
- Implemented the BSA's shared leadership program within the Den parents that encouraged all adults take on leadership roles
- Mediated Scout and parental concerns
- Responsible for all financial transactions as Treasure for Boy Scout Troup 117

Building Bridges—Human Relations Camps (volunteered 7 years)

- Conducted group human relations activities and exercises with high school students and adults at weekend Human Relation Camps
- Facilitated racial, dialogue, and community groups
- Recruited and organized high school students for Human Relations Camps and Youth Diversity Summits sponsored by the National Conference.

Recent events have made me re-think my participation as a citizen of Long Beach. I believe getting involved in the community and having a voice in decisions that benefit the greater good are very important and rewarding. I'm encouraged by the American spirit and resilience that we have to overcome any challenge we face.

My background as a businessman in the insurance and risk management industry for the last 30 years has provided me with vast experience in managing people, process, and overcome challenges/issues. I am also a 30 year resident of the great city of Long Beach and am familiar and/or aware of the vast majority of the neighborhoods that represent our community which we call home.

Thank you for your consideration.

Experienced risk management executive with success in developing new processes to support company growth, successfully managing cross-functional teams, improving profitability, and reshaping fundamental operations. Exceptional business development and client account management skills, coupled with extensive knowledge in technical workflows and implementation. Ability to relate and effectively communicate with all levels of the organization.

Core Competencies:

- Risk Management
- Strategic Planning and Implementation
- Sales Management
- Market Penetration & Expansion
- Customer and Vendor Relationships
- Contract Development & Negotiations
- Budget Administration
- Staff Development & Leadership
- Continuous Process Improvement
- Account Development and Growth

Career Experience

Sedgwick, Orange, California

Senior Vice President, Managed Care Client Services, 2019 - 2020

Provided leadership and direction to a team of 40 account managers, along with managing new product implementation and delivery, corporate marketing of managed care services, and analytical review across the book of business to measure effectiveness of managed care service delivery.

Key Contributions:

- Instrumental in overseeing the merger of two managed care client service departments into a centralized team, including rebuilding the organization and establishing best practices for all team members on product knowledge and service expectations.
- Strategically renegotiated contract terms to salvage a key client relationship, safeguarding \$8M in revenue for the company, while minimally impacting profit margins.

Vice President, Business Lead for Corporate Accounts, 2014 - 2019

Managed the Corporate Accounts business segment, including all aspects of profitability, client retention, and growth. Partnered with internal teams including marketing and sales to develop strategic ideas for market expansion and to create customized product solutions. Integrated account management practices to better utilize Salesforce functionality, account plans, and renewal strategies to support short- and long-term company objectives. Represented the company as a subject matter expert as well as a speaker at multiple industry conferences.

Key Contributions:

- Analyzed current contracts and pricing escalators and enforced an annual billing audit for all clients. Built pricing tools within CRM to measure and monitor renewal and retention disciplines, resulting in recapturing \$10M in uncollected revenues, annually.
- Instituted a formalized account plan document for Account Managers to thoroughly analyze individual accounts to assess profitability, strengths and weaknesses of service delivery, and cross-sell opportunities.

2014 - 2020

Broadspire, Brea, California

Vice President, Client Services Operations, 2010 – 2014

Led a team of three Account Executives managing property, casualty and managed care programs. Created and delivered effective training programs and a Best Practices SharePoint utilized by the national team of 50 Account Executives, with emphasis on program management, product knowledge, emerging market trends, and needs based selling strategies. Reviewed account performance and key metrics to present recommendations to senior leadership.

Key Contributions:

- Member of the multi-disciplinary team that identified and launched new products into the market. Worked collectively in creating all marketing documents used with each product launch, as well as instructing account teams on product benefits, information, and key talking points.
- Developed and launched a series of training programs and resources for client services team members to utilize, leading to improved overall efficiency while simultaneously improving the customer experience.
- Served as the Advisory Board Chairperson with a primary focus of gaining feedback on new product strategies and process improvements to drive client retention.

Senior Account Executive, 2006 – 2009

Managed a portfolio consisting of approximately \$10M in annual revenues, providing Fortune 1000 clients with claims administration services for property and casualty coverages. Managed end-to-end client relationships, including service delivery, facilitating claims reviews and audits, contract negotiations, and issue escalation and resolution. Advised clients on related legislative updates and new product offerings. Analyzed customer base to identify potential cross-sell opportunities and implemented program development options.

Key Contribution:

- Retained over 98% of clients by effectively and proactively communicating with clients to advise them of potential issues and opportunities, and successfully negotiating win-win solutions between the company and the client.
- Consistently exceeded annual sales goals and was ranked as one of the top Account Executives in the company.

Additional experience includes Director of National Accounts and National Account Manager for Intracorp; Assistant Vice President of Sales and Client Service Director for RSKCo; Claims Redesign Trainer and Senior Claims Representative for CNA Insurance Companies.

Education & Designations

Bachelor of Business Administration

University of San Diego, San Diego, California

(Max. 1800 Characters, approximately 250-300 words)

I would like to contribute more to my community by offering my skills and knowledge. I believe that I would be a great asset to the commission as I plan to be fair and objective in providing my fellow Long Beach citizens with a voice that represents all them. I believe that redistricting lines in my city is an important part of the electoral process and would like to be part of the Commission to ensure that future elections provide adequate representation and district lines are drawn to be an accurate reflection of the constituents that they represent. I have lived in three different Long Beach zip codes for the last 15 years so I am familiar with the different neighborhoods. I went to CSULB where I majored in Electrical Engineering so I posses a strong analytical background. I have been working for a law firm in Lakewood for the last 15 years. I am a veteran having served in the US Marine Corps. I respectfully request that you consider me as a candidate for the Commission.

As a public school teacher, I can say that I have a plethora of skills that fit this position: thinking logically and critically, ability to listen, communicating clearly, and working with a diverse group of individuals is what I do on a daily basis; it is so ingrained that I complete these tasks efficiently like it's second nature. Additionally, while looking at the district map of Long Beach, I have lived in all of the 9 districts at some point in my life. That alone gives me a multifaceted view of the people and dynamics in Long Beach.

I was born in Long Beach and have lived here my entire life. I attended the Long Beach Unified Public School System, through Long Beach City College. I have a B.A. in English from CA State University Dominguez Hills, a Paralegal Certificate with Honors from University of CA Irvine, and an M.P.A. from the School of Public Policy and Administration at CA State University Long Beach.

I worked for the United States Postal Service for 23 years. First as a personnel officer where I tested, interviewed, hired, and set on all the promotion boards for all of the maintenance employees in the Long Beach District. I retired as a Facilities Manager responsible for the maintenance of 47 postal facilities.

I realize how many hours and how much work is involved in the position of Commissioner. I understand how important redistricting is for Long Beach and its future and would like to give back to the people of my hometown. That is why I am interested in becoming a Commissioner on the Redistrict Commission.

Thank you for your consideration.

I'm a Latina Woman, Mother of 4 and HR Director for Universal Care/ Brand New Day.

I love my diverse community and want to be part of important work, to raise awareness, involve the community and partners to make Long Beach a more inclusive and safe place to live.

I live in the Lakewood Village area, of Long Beach in which minority Hispanics represent 29% and 11% African American.

My hopes is to have the opportunity to represent this area and make meaningful change....

Sincerely,

I applied for the State Redistricting Committee but was not chosen for a position on the committee. Stacy Mungo was kind enough to be one of those who submitted a letter of recommendation on my behalf. I understand the importance of this committee to evaluate the boundaries with respect to the current 2020 census. I have been a local business owner and a housekeeping manager for an international company at a major hospital in Orange County. As such I have worked collaboratively with many others. I have strong analytical skills, able to see the wide picture and then work to overcome obstacles and come to a conclusion. Having been a resident of Long Beach for over 25 years, I know the communities that make up this wonderful city. As a retiree, I enjoy volunteering at UCI Medical Center in Orange. Part of my responsibility there includes acting as a tour guide for new employees as well as visiting groups to the hospital. I enjoy meeting new people and assisting them as needed.

Q27 19. If appointed, I acknowledge that I will be ineligible to receive a non-competitively bid contract with the City of Long Beach, or to register as a City of Long Beach lobbyist.	Yes

20. If appointed, I agree to complete the following within 30 days of my appointment: Live Scan Background Check, Ethics Training, Written Ethics Pledge, Oath of Office. I also agree to file a Form 700 Statement of Economic Interest, which is a public record, within 30 days of accepting my appointment.

Q29

21. I understand my application is a public record. If qualified, the Office of the City Clerk will publish and transmit my name to the Ethics Commission to be considered for the subpool of applicants most qualified to perform the duties of the Commission. If disqualified, the Office of the City Clerk will maintain a public record of my name and the reason for my disqualification.

Q30

22. While serving on the Commission, I agree I will not endorse, work for, volunteer for, or contribute to any candidate campaign for a City of Long Beach elective office. If I choose to engage in such activity, I will immediately resign (including after the approval of a final map) to ensure that I no longer serve if the Commission reconvenes to redraw districts.

Q31

23. By submitting this application, I grant permission to the City of Long Beach to verify my answers to the questions in Section II using voter registration records.

Yes

Yes

Other (please specify): State Redistricting Commission

Objective: Position with the Long Beach Redistricting Commission*

Volunteer Positions:

2003 to present- I coordinate a team of 6 members of Cornerstone Church in Long Beach and am responsible for scheduling a total of 12 members to open and close the church campus.

2015 to present – UCI Medical Center 101 The City Drive, Orange, Ca.

I assist with the intake of visitors and patients to the hospital. In addition I am 1 of 3 tour guides for the campus. We give new employees a tour of the campus. In addition I give tours to outside groups seeking a tour of the campus. This involves speaking to groups of various size with pertinent information and history of the campus. These groups often consist of a varied and diverse assembly.

Work History:

2004 to 2014 Manager of Environmental Services for Sodexo Corp at UCI Medical Center Orange, Calif

Shift manager directly responsible to oversee 35+ employees, at the only Level 1 Trauma Center and teaching hospital in Orange County. Responsible for performance of a diverse group of employees while also keeping the hospital at a high level of cleanliness. Dealt with a varied group of visitors, employees, supervisors, patients and administrators. Remained there until my retirement in July of 2014.

2012-2014 Housekeeping Supervisor at Kohl's Dept Store, Irvine, Calif.

Assisted in setting up the store immediately after construction was complete. Took It to a completed, functioning retail store and maintained it through various holiday sales and functions. Supervised a group of 3 housekeeping personnel.

1996-2012 Owner/Manager of Certified Maintenance Service in Lakewood/Long Beach area.

Began an office cleaning service and grew it to the point where I secured the cleaning contract for AARP, 3200 E. Carson, Lakewood. Had that account for 12 ½ years. I had a crew assigned to that full time along with some part time employees as well. In addition I had many smaller accounts and did many one time cleanups, construction cleanups and hospital kitchen cleanups such as Lakewood Regional in preparation for JCAHO inspections. My staff varied from 6 to as many as 15.

*As a resident of Long Beach for 27 years, I am familiar with the varied neighborhoods and communities. I am able to work collaboratively with other citizens to bring our analytical skills to the forefront in establishing fair, equal district boundaries in compliance with applicable laws.

After 40 years of teaching experience in high school and junior college, I believe I have good experience listening and accommodating several sides of issues.

I have voted in every election since I turned 21. I sincerely believe in the necessity and fairness of voting. It's what makes the U.S. the envy of other countries--our ability to make up our minds and use our own brains to select our representatives. Voting districts must be fair, and I'd like to help make that happen.

I have a deep concern for fairness and democracy. As an attorney, I have a good understanding of the law and can work impartially. I would want to make sure that the people of Long Beach feel they are represented by new district boundaries and ensure that lines aren't drawn for partisan reasons.

(Max. 1800 Characters, approximately 250-300 words)

I would like very much to serve on the Independent Redistricting Commission. I have lived in Long Beach for 31 years, working at California State University, Long Beach during this time. My position as an Information Technologist supports a diverse campus of students, faculty and staff. As a statistical consultant, I support users with such programs as SPSS, SAS and ArcGIS. In addition to campus-wide positions, my Ph.D. is in Public Health and I have written/managed community health grants over a period of twenty years. A highlight of my career was receiving the CSULB "Outstanding Staff" leadership award in 2012 for service to the university community. Recently I began supporting campus election software, which protects voter privacy and electorate confidentiality. I am excited to bring my skills and experience to the Commission.

I take great pride in our city and community. As an active member of the Lakewood Village Neighborhood Association, I have coordinated its elections with wonderful committees, served as an authority of Robert's Rules of Order, and continue in my position as Neighborhood Watch Block Captain for my street.

My wife and I have raised two daughters here in Long Beach. Both attended neighborhood public schools. My wife worked 22 years as a school nurse and Program Specialist for the district. Now our youngest daughter is a teacher in LBUSD! We are truly a Long Beach family!

My work on numerous committees throughout my career has been one of cooperation, shared governance and completion of objectives toward a common goal. The redistricting process should be equitable for all residents of Long Beach. I will serve as an impartial commissioner with a sharp sense of fairness.

Thank you for your consideration.

PROFILE

EDUCATION

Highly accomplished in the areas of academic information technology and statistics; creative educator and grantwriter, obtaining over \$2.9M in extramural funding for original research and community health services in Los Angeles and Orange Counties; Major innovator and collaborator in the Tobacco-Free California Campaign; University leader, participating as an elected member of the Academic Senate and Staff Council, and the California State University Social Science Research and Instructional Council.

1987	Ph.D., UCLA School of Public Health, Division of Behavioral Sciences and Health Education.
1976	M.P.H., University of Michigan, School of Public Health, Department of Health Behavior and Health Education.
1974	M.S., University of Michigan, The Rackham School of Graduate Studies, Environmental Health Science.
1973	B.S., University of Michigan, College of Literature, Science, and the Arts, Speech Communications and Zoology.

February 1988 to Present

Information Technology and Statistical Consultant, California State University, Long Beach, Academic Technology Services (originally Academic Computing Services). Responsibilities include the advisement of faculty and graduate students in statistical analysis of research projects (i.e., appropriate experimental design, data collection, and data analysis techniques), the use of Qualtrics web-based survey tool, the promotion of the Social Science Research and Instructional Center, the Inter-university Consortium for Political and Social Research, the California Field Polls, and the Roper Center for Public Opinion Research, the support of test scoring and evaluation services for instructional programs, and media development projects. Previous assignments have included network-related application support for students, faculty and staff, publication of technical documentation such as the ACS Internet Access Tools and the Beach Bytes newsletter, the Faculty Guide to Computing, and New Media Development brochures, the coordination of computer workshops on learning and teaching, consultation with students, faculty and staff members on web technology such as the Blackboard Learning Management System and Desire2Learn and the coordination and distribution of site licensed software.

July 2005 to June 2008

<u>Principal Investigator and Project Director</u> - California State University, Long Beach Foundation at the Center for Health Innovation. Tobacco Control Education Project with funding from the Orange County Health Care Agency Tobacco Use Prevention Program through the Tobacco Master Settlement Agreement of 1998. This was an Orange County community service project focusing on public policy, merchant and public education, and the promotion of cessation services (\$861,315).

July 2000 to June 2005

<u>Principal Investigator and Project Director</u> - California State University, Long Beach Foundation at the Center for Health Care Innovation. Tobacco Control Education Projects with grant funding from the Los Angeles County Tobacco Control Section through Proposition 99, the 1988 Tobacco Tax Initiative. Projects included the promotion of Smoke-Free Campuses, voluntary tobacco-free sponsorship policies among bar owners, restaurant-bar owners, university fraternities and sororities. Successful activities have included the creation of a student organization called COUGH (Campuses Organized and United for Good Health), whose request resulted in the CSU Board of Trustees changing the Education Code allowing campus presidents to set outdoor tobacco-free policies for their campuses. (\$390,206). <u>Principal Investigator and Project Director</u> - California State University, Long Beach Foundation at the Center for Health Care Innovation. Tobacco Control Education Projects with grants from the Los Angeles County Tobacco Control Section through Proposition 99, the 1988 Tobacco Tax Initiative. Projects included the promotion of the Smoke-Free California Campaign at the K-12 schools (July 1997 to June 2000, \$695,166) and the promotion of the Smoke-Free California Campaign at the Preschools, Extended Day Care Programs and Elementary Schools (January 1993 to June 1997, \$753,023). Target audiences included children, teens and young adults and young children, respectively.

July 1990 to December 1992

<u>Co-principal Investigator and Project Director</u> - California State University, Long Beach Foundation at the Center for Health Behavior Studies. - Conducted a Preschool Tobacco Control Education Project with grant funding from the California Department of Health Services through Proposition 99, the 1988 Tobacco Tax Initiative. This project introduced the American Cancer Society's Starting Free, Good Air for Me Preschool Smoking Prevention Package to day care centers within the Department of Social Services South Bay Licensing District. The research design included a longitudinal evaluation of children, teachers/aides, and parents. (\$590,500)

January 1988 to December 1990

<u>Data Manager</u> - California State University, Long Beach Foundation at the Center for Health Behavior Studies (October 1989 to December 1990). Responsibilities included the database management and analysis of the Comprehensive School Health Education Demonstration Project. This was a three-year project involving 2nd and 3rd grade children in the ABC Unified School District. Lecturer - California State University, Dominguez Hills in the Department of Health Sciences (January 1988 to December 1988) and the Statewide Nursing Program (January 1989 to December 1990). Course instruction included: Research Methods in Health Science (HEA 210), Health in Public Education (HEA 300), and Statistics (BSN 405). Administrative Operations Analyst - California State University, Long Beach at the Center for Health Behavior Studies (November 1988 to June 1989). Responsibilities included the database management and analysis of the Health Plan Choice Mail Study. This study surveyed health insurance preferences among California State University System employees.

January 1985 to December 1987

<u>Health Promotion Consultant</u> - Los Angeles, California (January 1985 to December 1987). Areas of specialization included program planning and evaluation, curriculum development, training, study and questionnaire design, survey research, and database management. Projects have included the preparation of evaluation instruments for the Johnson & Johnson Live for Life health promotion programs and the evaluation of an American Heart Association funded program entitled High Blood Pressure Control in the Church Setting. <u>Doctoral Candidate</u> - UCLA School of Public Health, Division of Behavioral Sciences and Health Education, Los Angeles, California (March1985 to September 1987). <u>Instructor</u> - Department of Health Services Administration, School of Public Affairs and Services, Florida International University, North Miami (January 1986 to August 1986) Responsibilities included the preparation of graduate courses in health promotion and the instruction of Principles and Practices in Public Health and Health Promotion Communications. <u>Visiting Lecturer</u> - UCLA School of Public Health, Division of Behavioral Sciences and Health Education, Los Angeles, California (April 1985 to June 1985). Responsibilities included the teaching of a graduate course entitled Health Education in the Clinical Setting.

January 1981 to July 1985

<u>Staff Associate</u> - High Blood Pressure Council of Los Angeles (January 1981 to July 1985). Responsibilities included the facilitation of an Interagency Coordination Task Force for Los Angeles County, the preparation and updating of an annual High Blood Pressure Resource Directory for Los Angeles County, public relations, consumer counseling and education, professional education and training. <u>Post Graduate Researcher</u> - University of California Southern Occupational Health Center, Los Angeles (August 1982 to July 1984). Tasks included the data collection and analysis of a national survey research project entitled Occupational Health Education Task and Training Survey.

August 1977 to July 1982

<u>Assistant Professor of Health Education</u> - Department of Health Education, School of Health, Physical Education, and Recreation, Eastern Illinois University, Charleston (August 1977 to July 1980, Educational Leave of Absence-August 1980 to July 1982). Responsibilities included an annual instructional load of 500+ undergraduates; the curriculum design and instruction of Personal Health, Community Health, Diseases of Man, Health Care Delivery Systems, and Patient Education courses; the coordination of instructional media; the development of an expansion program in community health; grantsmanship; and the supervision of health education survey studies. <u>Teaching Assistant</u> - Department of Health and Safety Education, School of Applied Life Studies, University of Illinois, Champaign (August 1980 to December 1980).

January 1976 to July 1977

<u>Research Assistant</u> - Children's Television Workshop, New York (May 1976 to August 1976). Health communications internship focused on a critical review of the Feeling Good National Health Education Television Series' formative and summative evaluations. <u>Field Consultant</u> - Michigan Cancer Foundation, Volunteer and Field Services, Detroit (January 1976 to April 1976). Community organization project involved the application of an educational diagnostic approach in the analysis of the Michigan Cancer Foundation Cancer Screening and Detection Campaigns.

Academic: Member of Staff Council (1994-2000, 2012-Current); Member of Staff Council Special Events Committee (1998-Current, Chair 2015-2016): Member of Academic Senate (1998-2007): Member of the Academic Senate University Resource Council (2005-2007); Member of Academic Senate Executive Committee (1998-1999); Campus Planning Committee (1998-99); Collaborative Management Systems Steering Committee (1998-2005); Academic Senate Educational Resources Committee (1999-2001); President's Cabinet (1998-1999); Provost Search Committee (2006) and Associate Vice President for Information Technology, Academic Affairs Search Committee (1998, 2014); Vice Chair of Staff Council (1996-98); Chair of Staff Council (1998-99), SAC Strategic Planning Committee (1994-96); SAC Media Relations Subcommittee Chair for the Development of a Staff Council WorldWideWeb Home Page (1995-96); New Media Library Planning Committee (1995-96); SAC Representative to the Campus Web Committee (1995-1996); California State University Employees Union Chapter 315 Certified Steward (2004-present); California State University Employees Union Chapter 315 General Council Delegate (2009-2011); Field Preceptor for the CSULB Department of Health Sciences (1990-95); Coordinator of the UCLA School of Public Health Behavioral Sciences Doctoral Seminar (1982-83); Research Assistant at the UCLA Center for Health Enhancement, Education, and Research (1982); Member of the EIU School of Health, Physical Education, and Recreation Curriculum Committee (1978-80); Member and Chair of the EIU Health Education Department Curriculum Committee (1978-80); Supervisor of EIU Health Education Department Work-Study Students (1977-80); Director and founder of the EIU Wellness Center (1980); and the originator of the EIU Health Service Patient's Bill of Rights and Responsibilities (1979).

Professional: Member of the Social Science Research and Instructional Council (2006 to present); Presider/Session Coordinator of the Tutorials Section at the 3rd Annual Western Users of SAS Software (1995); Member of the Planning Committee for the 14th Annual Workshop in Applied Statistics (1994); Member of the Long Beach Tobacco Coalition (1990-2008); Reviewer for the Health Education Quarterly (1990); Chair of the SCA-SOPHE Research Committee (1990-91); Member of the Planning Committee for the mid-year National SOPHE Conference (1990-91); Member of APHA Public Health Education Program Committee, Washington, D.C. (1985); Abstract Reviewer for APHA Public Health Education (1985); Presider of Contributed Papers Session: Special Populations at APHA National Convention (1985); Monitor of Solicited Session: Selection, Development, and Publication of Computer Software in Health Education at APHA National Convention (1985); Volunteer at SOPHE Annual Meeting, Anaheim (1984) and the California Conference on High Blood Pressure in the Hispanic Community, Los Angeles (1982); Co-founder of the UCLA Health Behavior Association (1982); Member of National SOPHE Planning Committee for the SOPHE Annual Meeting, Los Angeles (1981).

Community: Lakewood Village Neighborhood Association member and Neighborhood Watch Block Captain (2005 to present), CSULB Staff Council Special Events Committee (2000-present); PTA member in the Long Beach Unified School District - Mark Twain Elementary, Hughes Middle School and Poly High School (1991 to 2009); 50th Anniversary CSULB Dodger Night Steering Committee Co-chair (1998-1999); Mark Twain Child Development Center Parent Organization Chair (1998-1999); Hughes Middle School Coach of Odyssey of the Mind Team (1998-1999); Greater Long Beach Child Care Consortium member (1990-91); Interagency School Health Alliance of Los Angeles County volunteer (1988-1989); Health and Social Services Committee Chair, Charleston 2000 Project, Area Chamber of Commerce, Charleston (1980); Disease Detection and Screening Programs Committee member, Sarah Bush Lincoln Health Center, Mattoon (1977-1980); and Consultant for the American Cancer Society program entitled A New Approach to Early Detection, Chicago (1978).

Research Interests

Theoretical focus is on communication processes related to the utilization of health care services and the psychosocial determinants of health protective behaviors; current public health education activities involve survey research, evaluation, and policy relevant study related to tobacco control education. Practical interest is currently in the area of long term care. Medicare, Medi-Cal, private insurance and the American Association of Retired Persons are rich in both applied research and practice, especially as life expectancy varies.

Teaching Interests

Health Care Organizations, Applied Research Methods and Database Management, Statistical Applications in Health, Program Planning and Evaluation, Psycho-social Determinants of Health-Related Behavior, and Information Management Systems.

Other course offerings have included: Computer Enhanced Patient and Family Education, Occupational Health Education, and School Health Promotion.

Special Teaching Skills

Ability to incorporate Internet resources into course offerings, the knowledge and motivation to develop online course materials using Learning Management Systems such as BlackBoard/Desire2Learn, and an expertise to build presentations and self-paced student learning modules with a mix of audio and video clips - all of which will enhance the learning experience in and out of the classroom. Alternative Modes of instruction also includes the management of the Zoom conferencing tool, BigPulse Election software, ArcGIS Data Mapping, and Qualtrics, a web-based survey tool.

Certification - Designing Individualized Instruction, EIU Professional Development Workshop (1978).

Professional Associations

Social Science Research and Instructional Council (2006-present) American Public Health Association, (1976-1996) American School Health Association (1992-1995) Society for Public Health Education, (1977-1997) Society for Public Health Education, Southern California (1981-1996) Digital Equipment Computer Users Society, (1984-1990) American Alliance of Health, Physical Education, Recreation, and Dance, (1987-88) Health Education Media Association, (1977-80) International Communication Association, (1976-81) Society for Public Health Education, Illinois (1979-81)

Awards and Honors

California State University, Long Beach Best of the Beach Award (2019); California State University, Long Beach Outstanding Staff Member (2012); California State University, Long Beach Staff Applause (1994, 1998, 2001); California State PTA Scholarship (1983-84); U.S. Public Health Service Special Purpose Traineeship for the Behavioral Sciences in Health Education (1975-76, 1981-84); University Fellowship (1973-74); and the State of Michigan Scholarship (1969-70).

No

Having lived in Long Beach for 30 years, and actively working in real estate the entire time, I am acutely aware of the issues with zoning and the need to be fair and impartial. I've sold properties in every district over those year, I've performed several thousand price evaluations throughout the city, and in every district. I've owned property different districts and have helped owners with their rentals in every district. Odd as it sounds, I enjoy researching zoning questions and trying to figure out what may be possible on various properties. I am the broker of record for a large real estate office in Long Beach.

I was blessed to be born, raised, educated and employed in Long Beach which has given me a very thorough knowledge of our City's neighborhoods, governance and current district boundaries. I fully support the Independent Redistricting Commission and I would be honored to serve.

During my 20-year career with the City of Long Beach, I served as the LBPD's first civilian Crime Analyst and the Neighborhood Nuisance Abatement Coordinator. As a supervisor in the Crime Analysis Unit, I had an active role in compiling emergency response and police district data for the 2000 redistricting efforts. During the 2010 redistricting, I was assigned to the City Manager's Office as the Neighborhood Nuisance Abatement Coordinator, and in that role provided unique information regarding the issues and trends in our neighborhoods. As result of my work, I fully understand the importance and the correlation between the Census tracts, policing districts, fire and emergency response directives, our neighborhood and communities, and even the LBUSD district maps.

Long Beach is a large diverse City with unique and distinctive neighborhoods. The challenge before the Commission will be to honor our diversity and neighborhoods while also ensuring that adequate representation in our elected.

I am active in numerous neighborhood and social organizations and currently serve on the LBCC Citizen Oversight Committee.

CURRENT

• ELITE SKILLS DEVELOPMENT, Program Director

Co-creator of Elite Skills Development, a non-profit 501 (c)(3) that assists young entrepreneurs explore their interest in pursuing a career in business and learn more about life. We provide guidance and hands on skills development that will allow them to enhance their skill set, create their own opportunities and possibly become the next generation of entrepreneurs.

 JOSEPHINE S. GUMBINER FOUNDATION, Program Officer, 2016 to June 2019 Responsible for preparing and reviewing grant proposals, identifying and fostering relationship with new nonprofits that provide services consistent with our mission.

SELMA, AL EXPERIENCES:

• THE SELMA HOUSE, Owner, 2009 to present

The Selma House is a historic home located in Downtown Selma and has served as a gathering place for cross cultural dialogue and racial healing. The home has hosted some of the greatest leaders in the Civil Rights Movement along with hundreds of teens and college students from across the country as they journey along the Voting Rights & Civil Rights Trail. The homes historic roots trace back to Elodie Todd, the half-sister of former First Lady Mary Todd Lincoln.

 NATIONAL VOTING RIGHTS MUSEUM & BRIDGE CROSSING JUBILEE, Board Member, 2012 to present

50th ANNIVERSARY VOTING RIGHTS COMMEMORATIVE COMMITTEE, 2012-2016 Currently serving on the Bridge Crossing Jubilee Board and the National Voting Rights Museum Board, which plans the Annual Jubilee Bridge Crossing and planned the 50th Anniversary Celebration of the Voting Rights Movement. The 50th Anniversary celebration brought over 100,000 visitors to Selma, including President Obama and a combined 50 members of the US Senate & Congress.

• AUTHOR, *Images of America: SELMA*, Arcadia Publishing, Released November 2014. *Selma*, with more than 200 vintage images, many of which were previously unpublished, showcases the cities earliest history, its famous residents and its role during the Civil War and Civil Rights Movement era. The book has been well received and is now in its 3rd printing.

• SELMA WALTON THEATER

Developer & Manager, 2012 to 2014

Worked collaboratively with the City of Selma to successfully reopen the historic Selma Walton Theater and brought first-run movies back to the city after a 10 year hiatus. The reopening of the movie theater has served as catalyst for increased development, tourism and visitors to the downtown business district. After two years the theater was transitioned to local ownership, and continues to operate as a firstrun theater. Because of our efforts the City of Selma was able to host a red-carpet premiere screening of the Academy Award winning movie SELMA.

PAST PROFESSIONAL EXPERIENCES:

• LONG BEACH AIRPORT

Manager, Public Affair Office & Noise Compliance Office, 2001 to 2010, Retired Managing these divergent tasks required strong organizational skills, effective teamwork, attention to detail and follow-through. As the Public Affairs Officer my duties included serving as the Airport's spokesperson and Public Information Officer, marketing and community outreach efforts, management of the Airport's website, preparing press releases, compiling monthly activity reports for the City Council and Airport Advisory Commission, tenant relations and communications. Established the Airport's Information & Visitors Center.

For 5 years, I was tasked with the additional responsibility of managing the Airport Noise Office. Significant accomplishments included:

- Managed the upgrade of the entire Airport Noise Monitoring System, which included the installation of new noise monitors and a software upgrade
- o Implemented WebTrak technology and oversaw the community education campaign

• FEDERAL EMERGENCY MANAGEMENT AGENCY, November 2005

Following Hurricane Katrina, I was selected to serve as a media liaison at FEMA's Atlanta Office. During my month long assignment, I assisted with the creation and dissemination of press releases.

• CITY OF LONG BEACH, OFFICE OF THE CITY MANAGER

Neighborhood Coordinator & Interim Public Information Officer, 1998 to 2001

Created and managed the City's Neighborhood Nuisance Abatement Program. The program brought City representatives from Police, Fire, Planning and Building, Community Development, the City Attorney, City Prosecutor and the Health Department together in a coordinated manner to address neighborhood nuisances and distressed properties.

LONG BEACH POLICE DEPARTMENT

Supervisor, Crime Analysis Unit, 1990 to 1998

Responsible for the supervision of the Crime Analysis Unit, compiling and disseminating monthly, quarterly, and annual crime statistics to the community and media. Identified crime patterns, and provided projections on future trends.

ATLANTIC COMMUNITY DEVELOPMENT CORPORATION

Community Organizing Assignment, 1992-93 - In response to the Los Angeles Civil Unrest, I was assigned by the City of Long Beach assigned to work full-time with the Long Beach Partnership to establish the Atlantic Community Economic Development Corporation (ACED). At the conclusion of the 18 months, we had established the 501 corporation, recruited a board of directors and secured a office location.

• IBM

Administration Manager & Analyst, 1978 to1990

Responsible for the administrative operations of the Los Angeles Downtown Service Branch Office. Supervised an administrative staff of nine, with an annual budget in excess of \$15 million dollars.

• Education Council of African American Parents (ECAAP) – Co-founder & Director, 1990 to 2006 The mission of ECAAP is to ensure the academic success of African American students within the LBUSD. ECAAP believes that parents are the most important individual in a child's life. We further believe that parental involvement is the key to academic success. ECAAP was absorbed by LBUSD and continue to operate today as Concerned African American Parents (CAAP).

Biography

is a longtime resident of Long Beach. A Long Beach City College Professor Emeritus where she served as Associate Degree Nursing Program Instructor and Director; Affirmative Action Coordinator and Coordinator of Student Health Services. As a person with sincere concern for contemporary problems, she has been actively involved in community groups and has served on several Boards. Dr. Douglas's educational background include an Associate Degree in Science, Long Beach City College, A Bachelor and Master Degree in Nursing , California State University, Los Angeles and a Doctoral Degree of Education, Administration, Pepperdine University, Malibu, California.

As a Community Activist, **Serves** serves on many Boards. Past Board membership include: Long Beach Department of Health and Human Services (Chairman), City of Long Beach Human Relations Commission (Chairman), Leadership Long Beach(President), Long Beach Midnight Basketball League (Founding Member and President), Long Beach Day Nursery, Arts Council for Long Beach(President), Empowerment Through Employment, Better Learning After School(BLAST) and Greater Long Beach American Diabetes Association.

Presently, she serves on the following Boards and organizations: California Conference for Equality and Justice, CCEJ (Past President); International City Theater(President) ; Long Beach City College Foundation; Leadership Long Beach Honorary Board; St. Mary Medical Center Hospital Community Board ; St. Mary Medical Center Foundation Board; Ronald McDonald House-Heart of the House Committee; Long Beach Mombasa Sister City(Past Secretary); African American Cultural Center Long Beach (Founding Board Member) and the Pearl Foundation, Incorporation(Past Chairman).

Her other community affiliation include: Alpha Kappa Alpha Sorority, Incorporated, Theta Alpha Omega Chapter(Past President)(Life Member); Long Beach National Association of Colored People (NAACP) (Life Member); National Council of Negro Women (Life Member);Soroptimist International of Long Beach(Past President); The Links Incorporated, Harbor Area Chapter (Alumna) (Past President);Delta Kapp Gamma Society, Delta Epsilon Chapter (Past President)and member of St. John Missionary Baptist Church.

is recognized as an expert in developing and implementing curriculum for nursing programs and was sought after by several colleges. Upon her retirement from Long Beach City College she established a consulting business, Douglas Health Education Consulting in which she worked with several colleges in starting nursing programs. This was rewarding, as it allowed her to share her knowledge base with others and improve the number of nurses for the workforce.

She holds certificates in many areas which include: 1) Community College Instructor Credential Nursing (Life); 2) Community College Instructor Credential, Psychology (Life);3) Community College Credential Student Personnel Services(Life);4)Community College Supervisor Credential (Life); 5)Public Health Nursing Certificate and 6) Registered Nursing Licenses in California.

is the recipient of numerous awards and honors including Outstanding Student Nurse, Long Beach City College; Fellowship -Education, California State University, Los Angeles; Outstanding Page 2,

Achievement Award, Faculty and Staff Diversity, Board of Governors, California Community Colleges; Humanitarian Award, National Conference for Equality and Justice (CCEJ); Woman of Distinction, Soroptimist International of Long Beach; Hall of Fame, Long Beach City College; Humanitarian Award, NAACP, Long Beach Branch; Humanitarian Award, Arts, Arts Council for Long Beach; Outstanding Health Professional, Southern Area of the National Council of Negro Women, Incorporated; California Community College, Leadership Program and Distinguished Leadership Award, Community Leadership Association, Indianapolis, Indiana; and Aquarium of the Pacific, Heritage Award.

In addition to awards and honors received as listed previously, received many Certificates of Appreciation or Recognition Certificates for her devoted community service including: National Association for Advancement of Colored People (NAACP), Educator and Community Activist; St. Mary Medical Center, Presenter for Body and Soul Wellness Form; Ohlone College; Dr. Beverly O'Neill, Mayor, Long Beach; Jenny Oropeza, (deceased) Assemblywoman, State of California; Laura Richardson, Councilwoman, 6th District, Long Beach; Juanita Millinder McDonald, (deceased) Member of Congress; Rae Gabelich, Councilwoman, 8th District; Betty Karnette, Assembly Member, California; Val Lerch, Councilman, 9th District, Long Beach; Linda Sanchez, Member of Congress; Don Knabe, Superavisor, 4th District, Los Angeles, County;Frank A. Colonia, Councilman, 3rd District; City of Long Beach, Human Dignity Program; Alan Lowenthal, 27th Senate District; Lena Gonzalez, Councilmonan 6th District; Long Beach: Patrick O'Donnell , 70th District Assembly Member; Dee Andrew, Councilman 6th District; Eta Phi Beta, Sorority, Incorporation, Kappa Chapter: She is truly an individual that loves her community and attempts to give to others as she had been taught during her development years.

following her early childhood bringing up- that we are all placed here on earth-not just for ourselves but also to help others. One of her favorite quotes is by Marian Wright Elderman who wrote," service is the rent we pay for being here". She continually seeks challenges and methods to be of service to others and her community.

Other recognitions_she has received include; Listed in <u>The World Who's Who of Women in Education</u>, <u>1978</u>; and Center for Oral and Public History of California State University, Fullerton, California 2015; Publication " A Study of the Role and Responsibilities of the Academic Senate and the California Teacher's Association Bargaining Units in Education Matters" ERIC 1980.

11. Please describe why you wish to serve on the Independent Redistricting Commission and share any additional experience, community activities, or other qualifications that make you a strong candidate for the Commission, including, but not limited to, analytical skills, familiarity with the City's neighborhoods and communities, ability to be impartial, and ability to work cooperatively with other potential commissioners. (Max. 1800 Characters, approximately 250-300 words)

There are several reasons as to why I wish to serve on the Independent Redistricting Commission. I would to help others, and myself, have a better understanding of communities and the demographics, and guide the flow of resources as equally as possible among the districts in Long Beach. I want to make certain that all neighborhoods have equal access to and influence over their elected representatives. It is critical that we ensure the rules of the game are fair and that all politicians have to serve voters. It means better representation of what matters most for thriving families and communities: good jobs, affordable housing, safe communities, better education, and ongoing voter and civic engagement.

My professional background includes me having served as Executive Director of a non-profit where I lead my team and center in its growth and expansion. Utilizing my analytic reasoning, assessment, and problem solving skills, I was able to identify areas within the organization that did not address the needs of diverse populations and communities. I created and updated programs within the organization to meet these needs. I also practiced as a mental health clinician for 11 years where I worked with clients of various backgrounds. This helped me to identify and gain a better understanding of individual and community needs and how they can be supported. I have a proven history of working well with and collaborating with professionals of diverse backgrounds, and with individuals of diverse ethnic, cultural, and socio economic backgrounds.

I am able to make impartial and sound judgement/decisions, and I am willing to listen to various points of views as this helps create dialogue and understanding. My unique professional background directly contributes to my ability to meet needs with innovative solutions and methodologies.

I have been a resident of Long Beach for over 20 years and have raised two children in this city. I was actively involved as a Volunteer In Public Schools throughout their education in the Long Beach Unified School District and my husband and I also participated as volunteer coaches within the youth league sports programs in Long Beach. Together we coached a girls soccer team for 4 years and he coached our son's baseball while I served as a team parent. My family and I have also participated in beach cleanups.

Established and cultivated relationships with multidisciplinary team (MDT) members which included law enforcement agencies (local and federal), The Department of Children and Family Services (DCFS), the District Attorney's Office, and County Counsel. Worked in partnership with the MDT to ensure that all children received the services they need and to uphold knowledge and understanding of Los Angeles County's public child welfare and juvenile justice system and process. Consulted with MDT partners for needs assessment and program satisfaction. Created, prepared, and presented trainings for multiple partnering agencies. Created and executed inter-agency

agreements with partnering agencies. Prepared for and testified in criminal court trials when subpoenaed. Responsible for maintaining confidential records.

Addressed organizational growth and expansion by successfully opening a satellite office. Responsible for the rebranding of the CAC and new marketing and communication materials. Served as primary contact for information, communications, and public relations. Responsible for collecting and analyzing data to prepare final reports for grant funders and national accreditation centers. Consistently demonstrated skills and ability to effectively analyze and manage complex issues. Utilized organizational and analytical skills to assess needs, and organizational structure and effectiveness.

Demonstrated consistent ability to work independently, made sound and independent judgments, and effectively adapted to changes in priorities and tasks. Demonstrated consistent ability to work effectively with a range of clients, multidisciplinary team agencies, and staff from diverse ethnic, cultural and socio economic backgrounds.

February 2015 – October 2019 Program Director

The Children's Advocacy Center for Child Abuse Assessment and Treatment Covina, CA

June 2010 – October 2019 Forensic Interviewer

As Program Director, responsible for documentation and maintenance of the case tracking system. Supervised interns, volunteers and advocates, and trained and supervised Forensic Interviewers. Responsible for creating and providing training to Forensic Interviewers and multidisciplinary agency partners. Assured that the forensic interview program and center were in compliance with national standards to assure best practices. Consulted with multidisciplinary team partners, (various law enforcement agencies, the Department of Children and Family Services (DCFS), and the District Attorney's Office), regarding needs and program satisfaction to ensure appropriate services were rendered to children and their families. Assisted the Executive Director in researching grant opportunities for program expansion. As a Forensic Interviewer, worked in a multidisciplinary team setting to conduct forensic interviews with children, and any person with a developmental disability or delay, who are alleged victims of sexual and/or physical abuse, neglect, child pornography, human trafficking, and children who are witnesses to violent crimes. Responsible for coordinating and attending peer reviews and trainings to enhance knowledge and skills. Cultivated and maintained partnerships with multidisciplinary team members which includes multiple law enforcement agencies (local and federal), the District Attorney's Office, and the Department of Children and Family Services. Responsible for organizing and facilitating case review meetings with Multidisciplinary Team Members. Organized and presented at trainings sponsored by the Children's Advocacy Center.

March 2010 – October 2016 South Bay Child Guidance Clinic Torrance, CA

Staff Therapist (Registered Intern)

Provided trauma-informed individual, family and group counseling services to children, adolescents, and their caregivers from low income communities. Responsible for completion of appropriate Department of Mental Health paperwork and documentation, including intake assessments, while determining appropriate diagnosis based on DSM-IV-TR. Responsible for evaluating client safety and suicidal ideation, and responding appropriately and ethically. Responsible for determining appropriate type of therapeutic services for client, treatment planning, and providing ongoing therapeutic services. Assessed and referred clients and families to appropriate resources, and provided linkage to services, as necessary. Consulted with and coordinated services with other professionals as needed. Consistent ability to work effectively with a range of both clients and staff from diverse ethnic, cultural and socio economic backgrounds.

February 2012 - December 2015

California State University, Long Beach Center for Latino Community Health, Education, and Training Long Beach, CA

Staff Therapist (Registered Intern)

Responsible for creating curriculum and leading training on various parenting topics and mental health issues to Spanish speaking members of various communities as part of the center's outreach program, Hablando Claro project. Provided individual mental health services as well as facilitated group sessions for staff and student interns. Responsible for maintaining accurate records and confidentiality.

January 2008 – November 2009	Miller Children's Abuse and Violence
	Intervention Center (MCAVIC)
	Long Beach Memorial Medical Center
Child Therapist/Child	Long Beach, CA
Interview Specialist	
Staff Therapist (Registered Intern)	

Provided trauma-informed individual and/or family counseling, and parenting groups for victims of abuse and their non-offending family members. Provided individual counseling services in the Long Beach Unified School District for high school age students whom have experienced trauma(s). Responsible for providing direct mental health services to hospital patients with complex trauma. Served as the intake coordinator. Provided training on parenting to members of the community as part of community outreach. Demonstrated consistent ability to work effectively with a range of both clients and staff from diverse ethnic, cultural and socio economic backgrounds. Conducted forensic interviews with children and adolescents, as well as of adults with developmental disabilities, who are victims or witnesses of physical and/or sexual abuse. Responsible for meeting with multidisciplinary team to discuss case and relevant information for interview. Attended on-going peer reviews and trainings to enhance knowledge and skills.

EDUCATION:

Master's in Counseling: Marriage and Family Therapy, 2007

California State University, Long Beach

Born and raised in Long Beach, I have comprehensive experience with the city as a whole that I feel can contribute to the Commission. I have lived and worked throughout the city, including at the port. I have been educated at Long Beach public schools and Long Beach City College, as well as Cal State Long Beach. An MBA and management experience in the steamship industry at the Port of Long Beach and other ports have provided the background to work analytically, impartially and cooperatively with other commissioners. I would like to serve on the commission and make a contribution to my community.

I have lived in Long Beach for nearly 20 years now. I have seen the City go through immense changes in that time. One of the things that I love about Long Beach is its diversity. Adequately representing all of the stake holders who are part of the Long Beach community is an immense challenge, but it is also an imperative. I have had the privilege of working with and getting to know a diversity of people throughout both my personal and professional life. Those experiences have taught me how to hear and understand the issues that affect individuals who come from all kinds of backgrounds. I want to make certain that all of the voices in Long Beach are heard. I want to make sure that everyone in Long Beach feels that they matter. Drawing up districts properly in the City of Long Beach is at the foundation of achieving the kind of representation the reflects all of the citizens of Long Beach. There is no place for gerrymandering in Long Beach.

User Story Mapping Lean User Experience Scaled Agile Framework

STAND OUT SKILLS

Product Management Project Management Market Analysis Competitive Analysis Innovation Creative Solutions Collaboration Team Building Clear Communication Attention to Detail Network Cultivation

AKN MANAGEMENT CONSULTING, LONG BEACH, CA, 1990 TO 2006; 2008 TO 2012; AND 2016 TO PRESENT PRINCIPAL CONSULTANT

- Facilitated the creation and early implementation of the five-year strategic plan for a large division of a major medical products company, resulting in an average \$1.3 B increase in annual revenue
- Led the redesign of a leading cardiovascular surgery product company to re-establish the growth of its business.
- Created and implemented the go-to-market plan for a company with a patient bedside terminal
- Served as interim manager of a healthcare market vertical for a major telecommunication company resulting in a new global business unit responsible for \$128 M in gross revenues in its second year of operations
- Developed the marketing strategy for an anti-viral drug program responsible for \$200 million in annual revenues
- Participated in the implementation of a \$150 million acquisition by a large healthcare company
- Identified two venture investments in healthcare IT companies which achieved over 45% annualized returns to venture firm clients.

KEY SUCCESSES & HONORS:

- Invited speaker presenting at 3 5 conferences each year
- Responsible for the successful market entry of five foreign companies into the U.S. market
- About 82% of the client base is responsible for providing repeat business

ANTHEM, WOODLAND HILLS, CA, 2012 TO 2016 TECHNICAL PRODUCT DIRECTOR

- In charge of defining the solution plan, the go-to-market strategy, and the product positioning for Anthem's provider facing analytic solutions.
- Led the development of the analytic underpinnings supporting the Medicare value-based payment program, including the evaluation and selection of the quality measures (typically HEDIS and STARS measures) that were utilized by Medicare, Medicaid, and commercial programs.
- Initiated the monitoring of the impact of the TogetherWorks program on improving provider adherence to select quality measures.
- In charge of delivering an oncology clinical decision support solution aimed at helping contracted oncologists to deliver high quality, evidence-based, best practice medicine in an area of medicine which accounts for 28% of Anthem's total annual medical spend
- Led the team responsible for the use of quality-based measures in conjunction with data analytics to deliver performance metrics and care opportunity identification tools to providers contracted into Anthem's rapidly growing (in terms of number of providers contracted, number of quality measures incorporated, and number of members enrolled) provider collaboration program, TogetherWorks.
- Lead the required coordination across numerous departments within Anthem (particularly those parts of Anthem providing technical resources), to enable the delivery of Anthem's provider facing solutions In 2016, this program involved 18% of Anthem's contracted providers, touched 31% of Anthem members, impacted 29% of Anthem's medical loss ratio, operated in Anthem's Medicare business and in Anthem's commercial business for all 14 states in which Anthem does business, and was integrated with Blue Cross Blue Shield's national Blue Distinction Total Care program.

KEY SUCCESSES:

- Developed a solution for assessing and enhancing the efficacy of value-based payment programs in improving quality of care
- · Led the creation of IT system for performing the root cause analysis of anomalous analytic results

SIEMENS, CYPRESS, CA, 2006 – 2008

DIRECTOR OF HEALTHCARE SOLUTIONS BUSINESS DEVELOPMENT & STRATEGY

TECH SKILLS

□ Python □ Anaconda □ R and R Studio Octave Object Oriented Programming 🗆 SQĽ □ HL7 FHIR □ Data engineering Debugging 🗆 Git □ Agile □ Microsoft Office Word, Power Point, Excel, Access, Outlook, Project

- Led the development of a process for the delivery of unique and relevant, complete, turn-key solutions for a variety of clinical applications to a wide range of healthcare customers.
- Responsible for the go-to-market of a clinical Notification Solution which dispatches alerts and messages from nurse call and patient monitoring systems to most appropriate communication end-point for mobile clinical users.
- Led the development and introduction of a mobile clinical communication facilitation solution which integrates an electronic medical record with a unified communications platform (Soarian + OpenScape) to improve mobile clinical collaboration and consultation through management of the workflow of communications in a pervasively mobilized healthcare enterprise.
- Responsible for a mobile clinical communication facilitation solution which integrates an electronic medical record with a unified communications platform (Soarian + OpenScape) to improve mobile clinical collaboration and consultation through management of the workflow of communications in a pervasively mobilized healthcare enterprise.

KEY SUCCESSES:

• The above noted healthcare solutions resulted in the generation of \$1.2 B in global annual revenue in the first four years after their introduction

I have been a resident of Long Beach for over 30 years. I have participated in LBUSD Community Advisory Committee and Title 1. I am a Special Education Teacher and I have a Master's Degree currently retired. I am a long time voter with interests in the culture and local community. I would like to see re-redistricting that represents our local culture and community. As a member of the community my interests are only limited to the fair and independent re-redistricting conducted in an impartial manner that is indicative of our community and culture. Recent concerns regarding gerrymandering are a concern to me as a citizen and I would like to ensure through my participation that our interests and concerns, especially with children are provided. I am aware of parliamentary procedures, courtesy and proper decorum.

Q19

11. Please describe why you wish to serve on the Independent Redistricting Commission and share any additional experience, community activities, or other qualifications that make you a strong candidate for the Commission, including, but not limited to, analytical skills, familiarity with the City's neighborhoods and communities, ability to be impartial, and ability to work cooperatively with other potential commissioners. (Max. 1800 Characters, approximately 250-300 words)

No

No

No

No

I am applying to serve on the Independent Redistricting Commission because it would be an interesting and worthwhile experience, and I believe that the objective of the Commission is vital to strengthening the integrity of our voting process and our elective form of government.

I am retired from 32 years of employment in the superior courts of Los Angeles County (1973-90) and Orange County (1990-2005). I served in various positions, starting as a courtroom clerk, and concluding as the manager of Court Reporter and Interpreter Services.

After retiring, I served during one fiscal year as the foreperson of the Los Angeles County Civil Grand Jury (2007-08). I also served three years as a non-attorney member of the Commission on Judicial Nominees Evaluation of the California State Bar (2009-12), and then served four years on the Review Committee of the Commission on Judicial Nominees Evaluation (2013-17), which included two years as Committee chair.

During my tenure as Civil Grand Jury foreperson and my service on the JNE Commission and the RJNE Committee, collegiality, leadership and interpersonal skills were particularly necessary, and I was always able to work cooperatively and productively with others, including individuals from substantially different walks of life.

For the past seven or eight years, I have served the local community a volunteer with the East District Office of Meals on Wheels in Long Beach.

Thank you for your consideration of my application.

Page 5

Q20 12. In which Council District do you currently reside? Please visit http://tsdgis.longbeach.gov/MapIt/ to look up your District.	District 5
Q21 13. What was your total household income in the past 12 months?	\$75,000 - \$124,999
Q22 14. Please select which best describes your race/ethnicity:	White / Caucasian
Q23 15. Please select which best describes your sexual orientation:	Homosexual / Gay or Lesbian
Q24 16. What is your highest level of education?	Graduate School Experience
Page 6 Q25 17. If appointed, I acknowledge that I will be ineligible to serve on another City of Long Beach Commission for a period of four (4) years.	Yes
Q26 18. If appointed, I acknowledge that I will be ineligible to serve as a paid staff for or as a paid consultant to any City of Long Beach elected official or candidate for a City of Long Beach elective office for a period of four (4) years.	Yes
Q27 19. If appointed, I acknowledge that I will be ineligible to receive a non-competitively bid contract with the City of Long Beach, or to register as a City of Long Beach lobbyist.	Yes

20. If appointed, I agree to complete the following within 30 days of my appointment: Live Scan Background Check, Ethics Training, Written Ethics Pledge, Oath of Office. I also agree to file a Form 700 Statement of Economic Interest, which is a public record, within 30 days of accepting my appointment.

Q29

21. I understand my application is a public record. If qualified, the Office of the City Clerk will publish and transmit my name to the Ethics Commission to be considered for the subpool of applicants most qualified to perform the duties of the Commission. If disqualified, the Office of the City Clerk will maintain a public record of my name and the reason for my disqualification.

Q30

22. While serving on the Commission, I agree I will not endorse, work for, volunteer for, or contribute to any candidate campaign for a City of Long Beach elective office. If I choose to engage in such activity, I will immediately resign (including after the approval of a final map) to ensure that I no longer serve if the Commission reconvenes to redraw districts.

Q31

23. By submitting this application, I grant permission to the City of Long Beach to verify my answers to the questions in Section II using voter registration records.

(Max. 1800 Characters, approximately 250-300 words)

As a 32 year employee of the Los Angeles Unified School District, both as a long time teacher and now an administrator, I have learned to collaboratively work with a variety of staff, students, parents, and community members for the benefit of students. I have lived in Long Beach's 5th District with my wife for 22 years, and we have two boys who attend Millikan High School. I currently serve as an assistant principal at Rancho Dominguez Preparatory School in the 8th District of Long Beach. Although I have never served on a commission in Long Beach nor have I been involved in any part of the city government, I have been involved with several youth organizations including the Boys and Girls Club of San Pedro, AYSO, and East Long Beach Pony Baseball. I have also served on several committees within the LAUSD. Working and collaborating with a diverse group of individuals toward a common goal is a strong suit and I would appreciate the opportunity of serving Long Beach on this commission. Thank you.

(Max. 1800 Characters, approximately 250-300 words)

Though I am originally from Oakland, CA, my family has lived in the Long Beach area since the 1930's, making this community an integral part of who I am. I have spent much of my upbringing here, and currently am a full-time honors student at Long Beach City College, preparing to transfer to UCLA or UCI in the fall of 2021. I plan on making Long Beach my future home, and would like to be apart of the community. While in Oakland, I became a volunteer with Melanie Diamond at Oakland Stables, and became a member of the Oakland City stables board. Currently I am in the process of approving my volunteer status at Rancho Los Alamitos, but due to COVID-19 it was delayed. In high school, I was apart of a peer counselor program, and during my final year I was the president of the leadership program. At LBCC, I stood in as the interim president of the Honors Experience club for the spring term.

I have been a resident of Long Beach since 1980. Over the past several years I have become very interested in the political process in the city. I am familiar will many of the neighborhoods and communities in Long Beach, having been a residential real estate agent for about 12 years throughout the 1990's and early 2000's before deciding not to renew my license due to other employment.

Much of my working life prior to retirement six years ago was working in finance, with my last position being in the Fiscal Division of the LBPD, working on budgets and grants, a position which gave me great insight into many areas of Long Beach. Since retiring I joined the board of the Aquatic Capital of America, and now serve as Vice President. I also joined the Long Beach Century Club, and have been a board member, as Treasurer, of that organization for the past two years.

I believe that I can be impartial and work cooperatively with the other redistricting commissioners. Thank you for considering my application.

11. Please describe why you wish to serve on the Independent Redistricting Commission and share any additional experience, community activities, or other qualifications that make you a strong candidate for the Commission, including, but not limited to, analytical skills, familiarity with the City's neighborhoods and communities, ability to be impartial, and ability to work cooperatively with other potential commissioners. (Max. 1800 Characters, approximately 250-300 words)

I spent my weekends in Long Beach for about 12 years before moving to Long Beach permanently in October 2019. I can bring perspective as both an outsider and a resident of Long Beach. I already love a lot of things about Long Beach and at the same time have been discovering new aspects that I enjoy. During this pandemic, I've especially admired how Long Beach small businesses have responded in innovative to survive and thrive.

In terms of professional experience, I am a licensed but non-practicing attorney who currently works in the marketing department at a medical malpractice insurance company. My work experience allows me to take advantage of both my analytic and creative skills. I oversee a staff of seasoned professionals and am experienced with managing a multi-million dollar budget. In my current role, I have learned to be very collaborative and respectful of all viewpoints.

(Max. 1800 Characters, approximately 250-300 words)

As a 43 year Long Beach resident who has literally walked in many Long Beach neighborhoods, I know how important fair and unbiased districting is in helping city agencies serve city residents with efficiency and respect and in reassuring those residents that their city government is responsive and representative.

I recently retired from a 33 and a half year career producing informational and instructional videos for law enforcement, other public agencies and the community. Many of the community videos dealt with issues of safety and security, health and traffic, common issues for any medium sized city. As I worked in Santa Ana, I was also able to take advantage of my Spanish language fluency.

While I was attending college, I was a letter carrier in our city. I walked neighborhoods as diverse as North Long Beach, Bixby Knolls, California Heights, Los Altos, Park Estates, East Long Beach and Belmont Shore. I served businesses as well as residents became very acquainted with those neighborhoods I served.

I attended LBCC and my wife and I both graduated from CSULB. Both our daughters attended LBUSD schools and graduated from Wilson High. They have since obtained degrees from USC, UCLA and CSULB. Since moving to Long Beach, I have lived in three neighborhoods, first as a renter then later as a homeowner. In I have been involved in my current Neighborhood Association, helping plan and implement community events.

In my view, proper re-districting will preserve the uniqueness of Long Beach communities while maintaining fair representation for all Long Beach residents. Although I realize that there will be inevitable compromises during the redistricting process, I feel I can competently address this complex issue while keeping neighborhood cohesion, concerns and interests in the forefront.

I am an engineer and have experience handling technical and nontechnical projects and people. Since I am semi-retired, I have the time to volunteer to be a commissioner. I have lived in Long Beach since 1981 and have developed an interest in what goes on in my city and wish to make contributions to make it better. I believe I can work with people and not worry about what political parties or religions they are affiliated with.

EXPERIENCE SUMMARY

Experienced as an engineer and project manager for over 40 years in a variety of work, including manufacturing, health and safety, treatment of hazardous soil and groundwater, and delivery of potable water. My experience has included managing large projects and staff, and working with different departments in a large organization. I also have extensive experience in complying with regulatory requirements and working with different regulatory agencies.

PROFESSIONAL EXPERIENCE

Part-Time Independent Engineering Consultant, Long Beach, CA, November 2018 - Present

Senior Engineer / Project Manager, AECOM, Long Beach, CA, 1996 – Present (Part-time November 2018 – Present)

- Designed and managed construction and operation and maintenance of treatment systems for the treatment of hazardous waste and contaminated soil and groundwater. Systems also included delivery of potable water after treatment;
- Worked with clients to generate future work and to manage existing workflow;
- Managed a staff of junior engineers;
- Prepared bid proposals for future work;
- Managed the scope schedule and budget for various projects;
- Prepared project plans for new projects;
- Managed construction contractors to maintain compliance with project plans, costs, and schedules;
- Worked with procurement personnel to minimize costs for purchase of equipment and services;
- Worked with legal to negotiate and finalize terms and conditions of contracts;
- Provided savings by working with vendors and suppliers to solve technical problems.

OTHER EXPERIENCE AND RELATED ACTIVITIES

- Various engineering positions, 1978 1996
- President of Condominium Homeowners Association, Long Beach, CA 1981-1992
- Current President, Huntington Beach Ski Club

EDUCATION AND REGISTRATIONS

- B.S. Chemical Engineering, UC Santa Barbara, 1978
- B.S. Chemistry, UC Santa Barbara, 1978
- California Professional Engineer, Civil #82192
- California Professional Engineer, Mechanical #M26758

As a Californian, I've watched the City of Long Beach change and grow. I've visited The Pike when I was a child, I attended the Long Beach State University and have lived in this marvelous city for fifteen years. As a resident of Long Beach, I have an interest in creating the best city that we can and help to advise the city on how to best draw the Council District lines. I am quite familiar with the city, have wandered its streets, talked to its residents and frequented it's many diverse establishments, and I believe my background and experience will help to bring diversity and a fresh view to the process.

I have been a resident of Long Beach for 13 years and have a deep appreciation for the diversity of people and neighborhoods within the city. We're living in a moment where civic participation and local government has never been more important, so being a part of the commission seems like a good way to get involved. I volunteer with Long Beach Heritage, a non-profit dedicated to bringing awareness to and advocating for historic preservation within the city, so I operate from the point of view of someone who believes it's critical to take into account both past and present when planning for the future. My professional background is in marketing and public relations and I consider myself a skilled communicator and people person, which I think would be valuable qualities for a commissioner.

Summary

Seasoned marketing communications professional with 15+ years of experience in building consumer brands. Natural storyteller with keen ability to synthesize information, insights and strategic goals to develop compelling content that connects with consumers. Particular sweet spot in creating and executing holistic, yet focused integrated marketing plans and campaigns designed to engage and activate target audiences.

Skills

- PR/Media Relations + Corporate Communications
- Brand Strategy + Messaging Development
- Creative Content + Copywriting
- Digital + Social Media Marketing

Experience

Marketing Communications Consultant

Creative/Copywriting, PR, Brand Strategy, August 2013 - February 2018; July 2019 - present

- Engage in brand, product and editorial copywriting for consumer brands including ASICS, K-Swiss, Alternative Apparel, Incase, Joybird, SOMA and Vega Coffee. Responsible for content used across multiple touchpoints including website, email marketing, social channels, packaging, press materials, B2B collateral and direct mail catalogs.
- Provide content development and copywriting services for creative and brand marketing agencies in development of RFP responses and pitch decks.
- Served as marketing and public relations for Youth Independent Party (yipkids.com), an eco-friendly kids' clothing brand based in Long Beach, overseeing strategic partnerships, PR/media relations, influencer outreach, creative concepting and events. Secured editorial placements in The Los Angeles Times, USNews.com, Red Tricycle and Long Beach Post.
- Led public relations and communications for Arklign (arklign.com), a dental industry startup. Created marketing communications tools and resources, including company backgrounder, executive bios, press releases and internal reference materials such as communications plan and tough Q&A. Spearheaded proactive media relations, identifying targeted opportunities for brand awareness and executive visibility. Resulted in coverage of partnership announcements, feature stories and executive quotes in key trade publications.

Consumer Marketing Director

ecos.com

Earth Friendly Products, March 2018 – June 2019

- Lead and devised marketing strategy for ECOS brand, overseeing brand storytelling, new product introductions, existing product refreshes and national cause marketing partnerships.
 - Developed national marketing calendar to align cross-functional teams on key consumer moments and campaign seasons.
 - Served as creative lead responsible for development of campaign narratives/messaging and look and feel. Crafted detailed creative briefs to ensure produced materials provided cohesive, consistent storytelling at retail.
 - 2018 partnership campaign with American Cancer Society for Breast Cancer Awareness Month led to more impactful on-shelf presence at retail and contributed to exceeding sell-thru goals by 200%.
- Implemented structure and format for marketing campaign planning across department. Activated relevant teams, including PR, social media, digital marketing (external team) and trade/retail (B2B)

marketing, to create appropriate omnichannel marketing support mix for campaigns, ensuring efforts laddered up to key business objectives.

- Sourced, vetted, on-boarded and managed consultants and agencies to fill internal knowledge and resource gaps.
 - Worked with branding, digital and creative consultants to conduct brand discovery and messaging refinement for purposes of website redesign. Developed content matrix and production schedule in conjunction with agency, wrote copy and worked cross-functionally with product development, regulatory affairs and legal teams to obtain information and ensure accuracy of content.
 - Served as digital marketing lead, partnering with external paid media agency to align tactical plan to strategic goals. Ensured spend across search, programmatic, social media and Amazon was efficient and optimized for maximum return.
 - Created video content with external video agency to support new product introduction and highlight technical innovation. Wrote script for long-form explainer video and provided creative direction to agency, supporting tight project turnaround and delivering final video within two weeks of project initiation. Uncut video available to view at: <u>http://bit.ly/RMexplainervideo</u>

Communications Manager (contract)

bugaboo.com

Bugaboo, May 2014 - March 2015

- Oversaw public relations campaigns for two major product launches in North America (NA). Managed development and execution of PR plans, directing external agency's media outreach and messaging. Planned and conducted media tours, tradeshow appointments and press events in key markets including New York, San Francisco and Las Vegas. Garnered editorial coverage in outlets such as WIRED, NYMag.com, Parents and PopSugar.
- Developed paid content partnerships and event sponsorships with parenting media outlets and influencers. Managed product seeding and product review program, brokering coverage and content deliverables with recipients to maximize return.
- Localized PR materials from global PR team for NA market and supplemented global creative with locally sourced assets created through media and influencer partnerships in order to bolster regional relevance.
- Managed global Instagram presence with limited owned creative assets, engaging with audience to inspire UGC and leading to 30% follower growth in six-month period.

Communications Manager

incase.com

Incase, June 2008 - June 2013

- Devised PR/communications plans for product and brand initiatives, including new product launches, event activations, seasonal campaigns and collaborations. Developed pitch angles, key messaging and talking points for internal use, working cross-functionally with key stakeholders to align external communication across departments.
- Spearheaded proactive media relations, communicating regularly with contacts across lifestyle, technology and design verticals in order to foster and strengthen relationships with key journalists and outlets.
- Worked with and managed external resources, including PR agency, creative agency and freelancers, to ensure deadlines and objectives were being met.
- Merchandised brand marketing team efforts and communicated marketing messaging internally by delivering company-wide updates, crafting B2B memos and creating custom reporting for key internal stakeholders.
- Provided project management for channel marketing initiatives working closely with internal sales directors to align goals to creative strategy and brief creative team in order to produce high-impact brand creative to drive sell-thru at retail (in-store and online).

• Served in a cross-functional capacity as primary marketing contact for international distributors and retail customers, facilitating communication and asset usage while ensuring brand and product messaging consistency across sales channels and regions.

Public Relations Specialist

Hoag Hospital (Corporate Communications), February 2006 - June 2008

- Developed and executed media pitching strategies for major organizational announcements, specialty service lines and foundation initiatives for leading Orange County hospital. Brokered exclusives and first-break stories with priority media outlets and conducted follow-up. Crafted materials including press releases, fact sheets and talking points to support media outreach. Resulted in front-page story in The Orange County Register (key regional publication) and regular coverage in Orange County Business Journal and The Daily Pilot.
- Liaised directly with C-suite executives, medical staff leadership and clinicians to source information and provide media training, briefings and strategic counsel for secured press opportunities.
- Responsible for managing reactive media responses, acting as hospital spokesperson and determining need to enact crisis communications plan. Exhibited high levels of diplomacy and quick thinking, balancing needs of competing stakeholders during sensitive situations.

Account Executive - Interactive Entertainment

bhimpact.com

BH/I, December 2003 - February 2006

- Developed public relations plans and media strategies for videogame clients with a variety of objectives ranging from elevating corporate visibility to garnering exposure for high-profile franchise product launches.
- Conducted regular media outreach and follow-up with top-tier press for global videogame publishers Namco, THQ and Buena Vista Games (Disney). Garnered coverage in national consumer outlets such as The New York Times and USA Today.
- Engaged in heavy writing for a variety of projects ranging from press releases and pitch letters to executive bios and panel abstracts.

I wish to serve as a commissioner to allocate city income, including property tax, utility fees and sales tax to city services that will serve all residents in a more efficient manner. As a resident of Long Beach for 43 years I have lived and worked in all areas of the city. I attended Herrera Elementary(named Lee Elementary) when I attended. moving to an area of north Long Beach I was bused to a Paramount Unified middle school. I then attended St Anthony High School. I went to college at Loyola Marymount University before starting a career with the city of Los Angeles. My wife and I purchased our home in the 5th district in 1992. Believing in Long Beach we purchased investment property in the 6th district in 2009. We have raised 3 children. They all attended Prisk Elementary, Stanford Middle School and Millikan High School. As my children were growing I held numerous community positions. I was a member of Prisk PTA including Prisk Foundation President. For 12 years I was an executive board member of Los Altos Youth Baseball and Softball including 3 years as Girls Softball President. I was then President of Millikan girls soccer for 3 years. I finished my service as an executive board member of Millikan Baseball for four years. I worked with hundreds of people from every background to finalize budgets and agendas. These positions allowed me to work with not only the diverse communities of Long Beach but also outside communities that were utilizing Long Beach resources. As a commissioner I will use my experiences and knowledge of Long Beach and its resources to provide the best access to city services for all residents.

Please describe why you wish to serve on the Independent Redistricting Commission and share any additional experience, community activities, or other qualifications that make you a strong candidate for the Commission, including, but not limited to, analytical skills, familiarity with the City's neighborhoods and communities, ability to be impartial, and ability to work cooperatively with other potential commissioners. (Max. 1800 Characters, approximately 250-300 words)

No

No

No

No

I've lived in Long Beach since 2012 and I've lived both downtown (2nd district) and in Lakewood Village (5th district).

I've been active in the political process for almost of my adult life, and would love to contribute to my community. Most recently, I helped organize a local group of volunteers for Mayor Pete Buttigieg's presidential campaign. I also created and ran our website for our group (www.lbforpete.com). I have a background in business consulting with a focus in business analytics.

I believe strongly in a fair and balanced electoral process and understand the importance of an impartial redistributing process.

11. Please describe why you wish to serve on the Independent Redistricting Commission and share any additional experience, community activities, or other qualifications that make you a strong candidate for the Commission, including, but not limited to, analytical skills, familiarity with the City's neighborhoods and communities, ability to be impartial, and ability to work cooperatively with other potential commissioners. (Max. 1800 Characters, approximately 250-300 words)

I have been a resident of Long Beach almost since I was born, and I love this community more than anything. I want to help Long Beach grow, thrive, and continue to be a city where diversity, inclusion, and tolerance are ideals that are upheld in our community. I not only graduated Muhlenberg College with a B.A. in Political Science and Spanish, and had a minor in Women's and Gender studies, but I have been committed to creating equitable environments my entire life. I have studied voting patterns, redistrciting, and the California political system extensively, and I will be attending law school in the fall while concurrently getting my Master's in Peace and Justice studies through a dual degree program. I believe that an independent redistributing commission for Long Beach is tantamount to an equitable distribution of resources, unbiased voting patterns, and key to making sure that our diverse populace feels represented. As a Jewish and Hispanic woman myself, I have experience with racial and ethnic discrimination, and I want to help ensure that no Long Beach residents feel that way based on the district they are in, and for that reason I also believe that I would be an asset as a commissioner. Since I grew up in Long Beach and have worked downtown, in District 5, and throughout the city, I am well-versed in the neighborhoods, commercial areas, and recreational spaces in throughout the city. I also have a personal connection, and want the best for Long Beach and all of its residents. Through my experience interning for an immigration attorney, a congressman, a college admissions office, and a Long Beach summer camp, I have learned a great deal about working with a team, many of whom shared different and opposing views, remaining impartial and taking things on a case by case basis, and how to think analytically and systematically, making sure not to miss small but critical details. I love Long Beach, and would be a great candidate for the Redistricting Commission, as I am hardworking, dedicated and committed to our city's core values.

I have been apolitical for my whole life but feel a need to get involved recently. I have lived in LB for 5 years and enjoy it immensely, every corner of it.

My family and I frequent Retro Row, Little Cambodia, North Long Beach, El Dorado Park, the Wrigley, Zaferia, and Belmont regularly and have done business in the Ports and West Long Beach.

I have worked in communications and analytics and feel my personal and professional skills would be useful in this endeavor. My history includes working independently and on teams and have no issues remaining unbiased and non-partisan.

I would feel honored to do my civic duty, volunteering my time to better understand our communities, our residents and the districts that contain us.

Best regards,

(Max. 1800 Characters, approximately 250-300 words)

I believe the fundamental structures of democracy are very important, and how we draw district lines is a key aspect. I'm glad we don't allow the council members themselves to draw their own districts, as an independent commission is the best way to ensure fair district maps.

I've been a Long Beach resident for nearly 7 years. I love this community and have been happy to make it home for myself, my wife, and my children. Long Beach is incredibly diverse, vibrant, fun, and dynamic. It's a representation of what America can and should be.

Drawing districts in a fair and representative way is essential to ensuring all citizens have a voice that can shape the city in the way they want.

I earned my MBA at UCLA and work in Brand Marketing, which is a highly analytical profession that uses data to make sense of the world and create marketing plans to sell products. And I got my bachelor's degree in Mechanical Engineering from Rice University, one of the most respected universities in Texas. I know how to attack complex problems with an analytical framework, break them down, and come up with solutions (even with incomplete information).

I understand that this is a commission of many, and the decisions will be made through persuasion and compromise. That's exactly how it should be, and I'd love to be a part of shaping our community.

As a proud citizen of our beloved city of Long Beach. It will be a great honor to serve in this vitally important role. I have participated in various volunteer positions in the city of Long Beach. I have participated in the count the homeless individuals. I am a certified emergency response team member (CERT). A graduate of the community police academy. A proud volunteer (VIPS) for my daughter's school. A community member on the city of Long Beach fire department firefighters recruit interview panel. A graduate of the neighborhood resource center class of 2011.

I am a supervising right of way agent with 21+ years of excellent state service managing and leading a team of 24 project delivery agents. I file annually the conflict of interest form 700. I am required to complete ethics training biannually. I am a reviewer for the state of California on the construction process and a federal highway administration reviewer on the new Gerald Desmond bridge replacement project in the city of Long Beach.

All these and more speak to my experience, dedication and excellent analytical skills. I am a great team player and my leadership qualities are what I will bring to this most important position that will go to shape the city of Long Beach and our community for years to come.

Q20 12. In which Council District do you currently reside? Please visit http://tsdgis.longbeach.gov/MapIt/ to look up your District.	District 5
Q21 13. What was your total household income in the past 12 months?	\$125,000 - \$250,000
Q22 14. Please select which best describes your race/ethnicity:	Black or African American
Q23 15. Please select which best describes your sexual orientation:	Heterosexual / Straight
Q24 16. What is your highest level of education?	Graduate School Experience
Page 6 Q25 17. If appointed, I acknowledge that I will be ineligible to serve on another City of Long Beach Commission for a period of four (4) years.	Yes
Q26 18. If appointed, I acknowledge that I will be ineligible to serve as a paid staff for or as a paid consultant to any City of Long Beach elected official or candidate for a City of Long Beach elective office for a period of four (4) years.	Yes
Q27 19. If appointed, I acknowledge that I will be ineligible to receive a non-competitively bid contract with the City of Long Beach, or to register as a City of Long Beach lobbyist.	Yes

20. If appointed, I agree to complete the following within 30 days of my appointment: Live Scan Background Check, Ethics Training, Written Ethics Pledge, Oath of Office. I also agree to file a Form 700 Statement of Economic Interest, which is a public record, within 30 days of accepting my appointment.

Q29

21. I understand my application is a public record. PROFESSIONAL EXPERIENCE

2011 - Present: Office Chief, Division of Right of Way and Land Surveys Office. California Department of Transportation (Caltrans), Los Angeles and Ventura Counties. My duties include:

- Serving as Project Manager for all Right of Way activities and having oversight for \$ 1.5 Billion Design build Gerald Desmond Bridge replacement project in the city of Long Beach.
- Managing land rights clearance for all public utilities in conflict with a highway construction project.
- Administering_and maintaining property lease for State inherited tenants including, advocating and managing the Public Relation and outreach office
- Preparing and soliciting bids from vendors for property management related services.
- Serving as panel member and chair of the Consultant Selection Committee for Caltrans Architectural and Engineering Contracts and District Review Panel/Relocation Appeals.
- Overseeing and exercising California's real estate principles, eminent domain, real estate legal practices and procedures.
- Hiring and supervising staff including, assigning and monitoring work, coaching, mentoring, counselling, and performance review.
- Evaluating and determining priorities for aligning work load; reviewing thoroughness and adherence to applicable standards, constructability and accuracy.
- Assessing employees' competencies and develop training plans for ensuring compliance with applicable techniques and methodologies including; health and safety standards and requirements.
- Supervising a staff of (5) Senior Right of Way Agents that manage Right of Way components on major project delivery for Land Acquisition and Uniform Relocation within Federal Highway Administration (FHWA) and Caltrans Procedure Requirements Program.
- Ensuring timely project delivery and meeting of Right of Way clearance milestones for highway construction projects. Managing other special assignment that include FHWA audit compliance for METRO route 405 Design build project.
- Assisting with settlement of conflicts and claims with property owners, including, relocating business as well as single family dwelling occupants displaced by a State highway project.
- Mediating and resolving conflict between public agencies and tenants; I serve as "Appointed Attorney" in fact for Ventura and Los Angeles counties.
- Approving Draft Relocation Impact Report for Project Environmental compliance.

2008 - 2011: Senior Right of Way Project Coordinator, Division of Right of Way and Land Surveys California Department of Transportation (Caltrans), Los Angeles and Ventura Counties. I was responsible for completing the following tasks:

- Planning and managing Right of Way Project Coordination System for the Los Angeles and Ventura counties.
 Directing and tracking multiple right of way milestones and project files including responding to all public inquiries on matters related to land rights.
- Administering the Right of Way clearances and advertising all District Capital improvement construction projects.
- Attending public hearing for project scoping for compliance with National Environmental Policy Act (NEPA) and California Environmental Quality Act (CEQA)
- Preparing presentations to the executive management team and status report on Right of Way requirements for capital improvement projects.
- Overseeing all Right of Way capital and support cost estimates of Land Rights for all Los Angeles and Ventura counties highway construction and maintenance projects.
- Determining land rights to be acquired and the degree of protection required as well as perfroming Land Rights quality control review for maps and project plans.
- Conducting successful negotiations with internal stakeholders (Caltrans division of design, planning) and external stakeholders (private property owners, and other public agencies).
- Providing consultation services to all Caltrans division on matters of land rights.
- Reviewing Plans Specification and Estimates for all construction plans, permits and engineering drawings.
- Confirming jurisdiction of, and requirements for, accessing entry onto railroad rights-of-way, public utilities, and public agencies.
- providing cost estimates for all capital projects including, consulting with, and providing work direction to, appraiser, and acquisition agents.

• Hiring and supervising staff, assigning and monitoring work, coaching, mentoring, counselling, and evaluating employee performance.

2001 - 2008: Associate/ Right of Way Agent, Division of Right of Way and Land Surveys Office. California Department of Transportation (Caltrans), Los Angeles and Ventura Counties. I performed the following duties:

- Advised project development team on all right of way matters for the Los Angeles and Ventura counties.
- Reviewed federal Right of Way funds and requested federal authorization to proceed.
- Assessed progress on all required Right of Way milestones including, analyzing, determining property rights and performing due diligence (i.e. title, easement and legal document research).
- Determined ownership of property rights; mediated and assisted in the settlement of conflicts and claims with property owners, public agencies and tenants.
- Attended weekly project team development meeting for a design build project on freeway 405 Sepulveda Pass including tracking \$80 million budget.
- Acquired parcels for construction of highway projects through negotiation and eminent domain.
- Negotiated 30 Right of Way Contracts within six months of being hired. Route 1, Route 138, Route 10, Route 210, Total cost \$1.5 million.
- Acquired easements, permits and other land rights; appraised and estimated land values for acquisition and/or disposition of easements.
- Prepared acquisition contracts and condemnation plans when negotiations stalled.
- Appraised using the Uniform Standards of Professional Appraisal Practice (USPAP) Real Estate required for Highway Construction projects in Ventura and Los Angeles Counties. Route 23, Route 405, Route 60.
- Acquire land rights, survey request, title examination, and preparation of legal descriptions request.

I wish to serve on the Independent Redistricting Commission to fulfill a civic duty and provide guidance in shaping the future of Long Beach. As a lifelong resident I am very well familiar with the various neighborhoods and I have great appreciation for the diversity of our community. I am also aware of the opportunities and challenges present and forthcoming, and recognize the importance in having a well informed Commission. I am fluent in Spanish and employed as a Senior Planning Associate within the South Bay. I am an alumni of Millikan High School, LBCC, CSU Long Beach (BA Political Science), and UC Irvine (Master of Urban Regional Planning). My wife and I own a home together and our child attends elementary school.

I was born and raised in the City of Long Beach and have witnessed the city's landscape, population and culture evolve over the decades. As a lifetime resident, I have lived in West Long Beach, California Heights, Wrigley and currently, I am a resident in the South of Conant community. Each of these neighborhoods have contributed to my appreciation and understanding of the city's diversity, history, population, culture and needs. My first-hand experience is well complemented by my master's degree in City and Regional Planning from the University of California, Berkeley. My master's thesis on housing affordability was conducted under the guidance of Angela Reynolds in the Advance Planning Division of the City of Long Beach in 2003. During my internship with the department, I assisted the team in conducting a land survey of several census tracts in the city's downtown. After completing my graduate degree, I also contributed to the process of updating the Land Use Element of the General Plan. Since then, I have earned a doctoral degree in education and have dedicated my professional life to this field. My work has focused on high quality programs and equitable policies that can change the course of the life of students who have been historically underserved by the public-school system. While my doctoral degree training has provided the necessary skills to enhance my analytical and critical thinking skills, I also have experience as a board member. I recently completed a five-year term as board member on the CA State Board of Education. This state body, comprised of 11 board members, has given me ample training on consensus-building, engaging in collaborative discussions, compromise, ethics, clear and respectful communication, systems-thinking and other relevant skills that will suit me well in the role of commissioner if selected for the Independent Redistricting Commission.

Page 5

Q20 12. In which Council District do you currently reside? Please visit http://tsdgis.longbeach.gov/MapIt/ to look up your District.	District 5
Q21 13. What was your total household income in the past 12 months?	\$75,000 - \$124,999
Q22 14. Please select which best describes your race/ethnicity:	Hispanic / Latino
Q23 15. Please select which best describes your sexual orientation:	Heterosexual / Straight
Q24 16. What is your highest level of education?	Doctoral or Professional degree
Page 6 Q25 17. If appointed, I acknowledge that I will be ineligible to serve on another City of Long Beach Commission for a period of four (4) years.	Yes
Q26 18. If appointed, I acknowledge that I will be ineligible to serve as a paid staff for or as a paid consultant to any City of Long Beach elected official or candidate for a City of Long Beach elective office for a period of four (4) years.	Yes
Q27 19. If appointed, I acknowledge that I will be ineligible to receive a non-competitively bid contract with the City of Long Beach, or to register as a City of Long Beach lobbyist.	Yes

20. If appointed, I agree to complete the following within 30 days of my appointment: Live Scan Background Check, Ethics Training, Written Ethics Pledge, Oath of Office. I also agree to file a Form 700 Statement of Economic Interest, which is a public record, within 30 days of accepting my appointment.

Q29

21. I understand my application is a public record. If qualified, the Office of the City Clerk will publish and transmit my name to the Ethics Commission to be considered for the subpool of applicants most qualified to perform the duties of the Commission. If disqualified, the Office of the City Clerk will maintain a public record of my name and the reason for my disqualification.

Q30

22. While serving on the Commission, I agree I will not endorse, work for, volunteer for, or contribute to any candidate campaign for a City of Long Beach elective office. If I choose to engage in such activity, I will immediately resign (including after the approval of a final map) to ensure that I no longer serve if the Commission reconvenes to redraw districts.

Q31

23. By submitting this application, I grant permission to the City of Long Beach to verify my answers to the questions in Section II using voter registration records.

PROFESSIONAL EXPERIENCE

2019-Present Principal, Education Programs UnidosUS

- Enhance and implement organizational vision and institutional priorities.
- Demonstrate consistent quality of finance and administration, fundraising, communications and systems; recommend timelines and resources needed to achieve the program goals.
- Attract, develop, coach, and retain high-performance team members, empowering them to elevate their level of responsibility, span of control, and performance.
- Provide leadership in development of inter-team communication and cohesiveness, sustaining culture and supporting staff during organizational growth.
- Expand fundraising activities to support existing programs; cultivate existing relationships and develop new funder relationships.
- Develop the necessary systems, processes, and tools to better support the facilitation, collection, and sharing of knowledge and data that is generated by the programs.
- Ensure that key program outcomes are assessed and leveraged for maximum community and organizational impact.
- Work collaboratively with the senior management team to integrate cross program activities and functions.

2013-2019 Senior Director, Education Leadership Development UnidosUS

- Lead and coach the national *Lideres* team responsible for designing, implementing, and monitoring high quality, culturally and linguistically responsive programs that focus on service-learning, college and career readiness, post-secondary models, gender-specific models, youth leadership development and STEM initiatives.
- Establish and cultivate positive working relationships with a cross-sector of stakeholders including colleagues, Affiliates, partners, educators, community members, policy makers and funders.

- Design and oversee the organization's education strategy to ensure alignment of educational initiatives with UnidosUS strategic direction and policy priorities.
- Grant writing, reporting and monitoring of education grants to ensure program effectiveness and return on funders' investments.
- Forge cross-component collaboration with housing, health, workforce development and immigration teams to streamline processes, integrate services and increase programmatic impact.
- Engage in coalition-building efforts and partnerships to move forward a Latino-focused, education agenda.
- Spearhead the National Institute for Latino School Leaders (NILSL) fellowship designed to train school leaders in policy-making efforts to advance advocacy efforts at the federal and state levels.

2007 to 2013 Regional Director of Education, CA & Far West <u>UnidosUS</u>

- Engaged in research of current educational programs, practices, and policies that impact Latino and lowincome students in the public-school system.
- Conducted internal, qualitative evaluations of education programs.
- Delivered professional development trainings on cultural competence, service-learning and leadership development.
- Provided technical assistance to Affiliates to build staff capacity, improve programmatic outcomes and sustain education initiatives post the grant period.
- Engaged Affiliates in education reform efforts through the development of advocacy resources, toolkits and trainings.
- Served as the liaison between UnidosUS Affiliates located in the California and Far West Regions.

2006 to 2007 Director of College Access Services <u>The Fulfillment Fund</u>

- Supervised staff of ten College Access Program advisors in the delivery of college access curriculum, data tracking processes, and evaluation of direct services in LAUSD high schools.
- Cultivated partnerships with school site administrators and teachers to ensure effective operations of the college access program and service delivery.
- Conducted monthly professional development trainings in curriculum development, effective teaching strategies, organizational change, and leadership development.
- Performed ongoing research on pressing educational issues and best practices.
- Developed and evaluated program materials and curriculum.
- Recommended modifications to existing curriculum and designed new activities, including changes to the organization's college access model.
- Coordinated an array of efforts to ensure the successful transition of high school students to institutions of higher learning and post-secondary options.
- Managed department's budget and allocation of discretionary funds.

2004 to 2006 Director of Policy

Los Angeles Unified School Board of Education, Board Member's Office

- Evaluated curricular materials and forward recommendations to shape local educational policy.
- Served as the liaison to the following committees: Small Learning Communities, Charter Schools, Early Childhood, Curriculum & Instruction.
- Conducted weekly staff meetings and bi-weekly professional development trainings.
- Interfaced with central district, local, district, school site staff, city officials, and community members to actively address issues ranging from educational resources, facilities, new construction projects, and school site issues.
- Coordinated with principals and in-house administrators to monitor and evaluate the implementation of

system-wide, reform efforts such as the small learning communities, A-G implementation, full-day kinder, etc.

- Conducted quantitative and qualitative analysis of pressing educational issues.
- Supervised graduate students conducting research in the Board District office.
- Represented the Board Member's office in meetings, committees, boards, events, etc.

2003 to 2004 Field Deputy

Los Angeles Unified School District, Board Member's Office

- Cultivated relationships with local elected officials and attended to the needs of constituents in the Southeast communities.
- Tracked and analyzed development of existing and new school facilities projects in Board District 5.
- Served as office and community liaison in the identification process of new school sites and modernization projects.
- Partnered with administrators, teachers, and parents to organize community meetings and field events.
- Liaison to the Southeast Youth Council and prepared workshops related to government affairs, higher education, and youth development.
- Responded to constituents' concerns regarding school operations, course offerings, personnel issues, parent concerns, and student affairs.

1999 to 2001 Elementary School Teacher

John Muir Elementary, Long Beach Unified School District

- Implemented a rigorous and standard-based curriculum.
- Personalized and differentiated instruction to tailor to students' academic strengths and areas in need of improvement.
- Assisted with language development needs of English learners by targeting and teaching to the four domains: speaking, listening, writing and reading.
- Opened and maintained lines of communication with parents via weekly newsletters, conferences, calls, and orientations.

APPOINTMENTS, MEMBERSHIPS & HONORS

2018	Alliance for a Better Community (Board Member)
2017	CSU Chancellor's Office, Academic Work Group (Member)
2017	CSU Los Angeles, Ed.D. Advisory Committee (Member)

I wish to serve on the redistricting commission to help bring fairness to our community. I believe that voters should be represented fairly in their district and in doing so we can raise the political efficacy in our city. I also believe that I have the skills and attributes required to be a fair and qualified commissioner.

As a high school and college student I served in my community neighborhood council as a student representative and learned a lot there about working with others and taking all the facts into consideration when making decisions for the common good. I was always amicable and impartial when serving as a representative on the board.

I am currently a law student. Law school has taught me to be impartial on matters and has allowed me to gain analytical skills. I am interested in our cities government and would like for more residents to gain trust of our elected officials and the democratic system that we follow. As part of a democratic system every resident should feel like their voice is being heard and that they are being represented. Having fairly divided districts and the redistricting being done in a fair, well-represented manner, would raise their trust in our elected officials.

I sincerely believe I would be an asset to the commission and that I am a well rounded individual that has the knowledge needed to serve. I hope to serve my city and help make it even better than it already is.

I've been a resident of Long Beach for 12 years and am raising my child here. I didn't expect to love Long Beach, but now think it's the best community I have ever lived in. I value the diversity of people here and think that we should work hard to make sure all residents are fairly represented. There is clearly inequality in the distribution of wealth throughout the city and regardless of the causes, I believe we must make sure that the democratic process does not create structural barriers to resolving the issue.

Personally, I am a small business owner and an engineer. I have strong skills in data analysis. I get along with almost everyone and take a very evidence-driven and data-supported approach to decision making. I've studied history, politics, and philosophy so I understand and can bring perspective to the group in a dispassionate way. I also understand that all decisions about the rights of groups are never black and white but require nuanced thinking and compromise to achieve reasonable balance . I will promise to hold moral integrity above self interest if asked to serve.

Daring Engineering LLC. President 2019-Present

I founded Daring Engineering in 2019 to provide contract engineering services for complex system design in a variety of industries.

- Capabilities include mechanical and robotic design, system design, engineering analysis.
- Clients include aerospace, construction, DOE, independent research, energy, and recreation industries.

Otherlab, Inc. Senior Robotics Engineer / Research director (Pneubotics spinoff) 2014-2018 I was brought on to secure and run Navy research grants related to underwater robot arms based on Pneubotics soft robot technology. I also performed system engineering and tech development of mechanical systems for soft industrial robots for a 5-10 person spinoff group.

- Successfully won several Phase 1&2 SBIR /STTR grants from ONR and NASA for robotics programs
 Designed many critical portions of the hardware for underwater and terrestrial soft (but strong) robotic manipulators
- Managed an engineering group including local and remote workers
- •Worked on finding and hiring tech talent

Hadal, Inc. Mechanical Engineer / Chief Engineer 2009-2014

I started as one of the first 5 employees at a startup building autonomous underwater vehicles. We designed, built, and field operated a completely custom autonomous vehicle for high-resolution, large scale acoustic mapping. My focus areas were system architecture and pressure tolerant hardware development.

- •Hydrodynamic scale model design, fabrication, and testing
- Composite hull design and fabrication (11m x .75m nominal dimensions) with rapid-swap 1 Ton battery
- Battery system mechanical design leading to successful product offering of underwater battery systems
- Electromechanical control and propulsion system specification, design, fabrication, and testing.
- Outfitting a machine shop and a prototype shop.
- Ocean deployment and field testing of underwater vehicles.
- Vendor management

Makani Power Systems Engineer 2007-2009

I joined this wind power startup company several months after it received initial funding. My final position there was leading the robotic base station team for high altitude, tethered, wind power systems. Our small team created systems ranging from simple manually controlled winches to fully autonomous power generation and kite flying robots on mobile platforms

- Physics modeling of kite / winch / wind / control system interaction
- Java programming of sensor systems / winch control / user interfaces for a complex mobile generator system
- CAD design of winch systems
- Management, design, and construction of mobile base stations
- Research and development of highly dynamic electromechanical tethers
- Supervision of a team of engineers and machinists
- Frequent and extended field deployment of kite-based electrical generators (50kW scale)

Scripps Institution of Oceanography Ocean Engineer 2004-2006

I worked as a generalist engineer in an ocean-going research and development lab.

I did most of the work to create the WireWalker, a wave-powered ocean profiler that carries scientific instruments along a vertical wire in the ocean.

- ·Creation of a parametric mathematical model to optimize this system for speed
- Design of the mechanical components for open ocean deployment
- Supervision of a crew of interns to assemble the WireWalkers
- Creation of a data collection, storage, and telemetry system using embedded microcontrollers, Bluetooth and Iridium links
- Development of on an onboard electrical power generator to capture mechanical wave energy

Segway LLC. Mechanical & Control Systems Engineer 1999-2001

I worked on the Segway Human Transporter, a dynamically stabilized, two-wheeled transportation device. I started in mechanical design with Segway when it was an 11 person project team at DEKA R&D (see below), and eventually moved to the vehicle dynamics group

- 3D inertial navigation modeling, ride quality, and safety features such as traction control and zero gravity behaviors
- Steering system and various drive system component design for the Segway Human Transporter
- Fast prototyping and concept testing
- Subjective vehicle performance evaluation (Development of a "feels just like dancing" Segway ride)
- Programming in fixed point C on embedded multi-processor systems

DEKA Research & Development Mechanical Engineer 1998 - 1999

At DEKA I worked in medical device design, developing hardware and algorithms for a dialysis machine and disposable components of a blood separator.

- Development of hardware to heat dialysate safely and quickly for injection into patients
- Development of instrumentation to improve volumetric accuracy of a pumping system
- Accelerated life testing and redesign of a disposable cassette for a client's blood plasma donation system.
- •Worked to FDA standards for various classes of medical devices and accordingly documented work

Scripps Institution of Oceanography 2001-2005

Masters of Science in Oceanography, GPA 3.59

I earned my degree as a member of the Applied Ocean Science curricular group, focusing on physical oceanography, acoustics, and instrument design.

Course Work: Applied Math, Physical, Biological, and Chemical Oceanography, Climate Physics, Linear/non-linear Waves, Acoustic Modeling, Signal Processing.

Carnegie Mellon University 1994 - 1998

Bachelor of Science in Mechanical Engineering, GPA 3.87, University Honors Course Work: Physics, Material Mechanics, Fluid Mechanics, Thermodynamics, Industrial Design, Prototyping, Engineering Graphics, Machining, Chemistry, Dynamics, Electrical Engineering, Numerical Methods, Control Systems, Heat Transfer, Computational Geometry, Stress Analysis.

Design – Mechanical and system design of robotic, medical, transportation, power generation and oceanographic systems

Prototyping – Design and implementation of mechanical, electronic, and software solutions for quickly testing or evaluating ideas

Computer – Proficient: Matlab, Labview, Solidworks, Familiar: C++, Java, Python, various micro-controllers, etc.

Communication – Facilitation of group design efforts, graphical, text, and verbal reporting, interaction with program managers, clients and suppliers, and presentation of tech advances to expert and general audiences

Modeling – Mathematical modeling of physical systems for static and dynamic behaviors, including analytical, numerical and finite element analysis. FEA of solids.

Personal – Artist, athlete, inventor, gardener, husband, and father.

Have been a lifelong resident of Long Beach, CA, 63 plus years. I have lived exclusively in the 5th district and know the neighborhood and more importantly, my neighbors. I have been a professor of business administration, business law and economics for the last 38 years teaching at both private and public universities. I want to give back to my city and my neighbors by serving with the redistricting commission.

I work at Long Beach City College and before that I work at CSULB. I have served and worked in my community. Working with people from different backgrounds and serving our students at Long Beach City College, I am fully aware and familiar of Long Beach neighborhoods and communities. I understand how our communities shape us and it becomes the foundation for our childhood. I want to be involved in redistricting Long Beach which I feel deeply needs it.

(Max. 1800 Characters, approximately 250-300 words)

Participation in the political process is fundamental to our democracy and voting and representation lies at the center of this process. I feel that I can be an excellent redistricting commissioner because I believe in this principal wholeheartedly and because I have dedicated my civic involvement/ engagement in fulfilling this objective. My education and professional background also make me an exceptional commissioner because it is based in the social sciences and urban planning. Understanding the dynamics of neighborhoods and communities and what constitutes their character and make up is a core strength of mine, especially communities of color. Lastly, I work in a collaboration and open fashion and currently serve on two Long Beach non-profits and have served on numerous boards and committees in the past.

Professional Experience / Employment History

Chief Facilities Executive, Facilities Planning & Development Division

Los Angeles Community College District, 770 Wilshire Boulevard, Los Angeles, CA 90017 August 2017 to June 2019

Provided leadership and management for all aspects of the Facilities Planning and Development Division for the nine-college campus district, the largest Community College District in the State of California. Primary responsibilities include oversight of a multi-billion capital bond program and technical direction for college facilities management and physical planning activities.

Duties included:

- Led and manage a staff of 180 (district employees and consultants) to implement a \$3.3 billion-dollar facilities bond program as well as \$24 million-dollar deferred and scheduled maintenance program.
- Manage and led all facets of capital bond program implementation which includes capital construction and Improvement projects, sustainability strategies and utility and energy projects, real estate and asset management, ancillary business and support services, business and community relations, environmental and review.
- Provide technical direction of college building maintenance and repair, alterations and improvements, and landscape and grounds management.
- Establish, implement and monitor short-range and long-range project goals, budgets, schedules and strategies.
- Coordinate the development and implementation of nine campus master plans, space utilization and related CEQA documents.
- Coordinate with General Counsel and outside construction counsel on the resolution of claims, legal cases, and disputes from the facilities management and bond program.
- Ensure compliance with district policy and procedures and applicable local, state, and federal laws and regulations.

Associate Vice President, Physical Planning & Facilities Management California State University Long Beach, 1250 Bellflower Boulevard, Long Beach, CA 90840

January 2009 to August 2017

Provided leadership, oversight and management to a staff of 300 (six direct reports) in the areas of physical planning and sustainability, design & construction, facilities operations, environmental health and safety & customer service, financial management, human resources, and information technology. Campus consists of 355 acres with 6 million square feet in 84 permanent buildings. Budget responsibility includes a \$200 million multi-year capital program and \$24 dollar-million annual operating budget (state and self- support).

Duties included:

• Development and implementation of annual Five-Year Capital Outlay Plan and related space planning and inventory

- Implementation of the campus master plan, landscape master plan and related sustainability programs, and state and federal environmental compliance
- Principal liaison with staff, faculty and students on all matters related to the physical development of the campus, including new construction; renovations; parking and alternative transportation; landscape and open space development, athletic facilities, student residence halls, and sustainability initiatives
- Oversight and management of capital projects including budgeting, planning, and construction administration, and commissioning
- Ensured that all annual operational objectives are established and achieved in all functional areas of physical planning, design and construction, financial and customer services, and facilities operations
- Provided leadership in establishing the long-range strategic goals and objectives of the department, as well as interaction and collaboration with university stakeholders and constituents
- Served as the principal contact with the CSU Chancellor's Office, State and local agencies, and community leaders on all matters related to the development, improvement, and use of campus facilities

Major accomplishments included:

- Residence Colleges Dining Halls Renovations, (Renovation and modernization of two student dining halls, 10,000 asf; Project budget \$10 million). Completed Fall 2013 & Fall 2014
- Liberal Arts Seismic Retrofit & Renovation, (Seismic upgrade and renovation of midcentury classroom and office buildings, 36,000 gsf; Project budget \$10.3 million). Completed March 2013
- Bob Cole Conservatory of Music, (New music pavilion, seating terrace, and entry plaza and landscape improvements, (3,000 gsf; Project budget \$2.5 million). Completed October 2012
- Hall of Science Building, (125,524 gsf; Project budget \$100 million). Completed June 2011
- Pyramid Locker Room Renovations, (Renovation of men's & women's locker rooms, 8,000 gsf; Project budget \$2 million). Completed August 2012

- Provided key administrative leadership in the award and hosting of the annual California Higher Education Sustainability Conference, July 2011
- Provided key administrative leadership in the adoption and signing of the President's Climate Commitment, signed September 2010

Capital and Planning Projects that I Initiated before my departure from CSU Long Beach:

- Comprehensive Campus Master Plan Revision, Projected completion Spring 2020
- Campus-wide Infrastructure Improvements, (Electrical, Gas, Water, Sewer upgrades; Project Budget \$35 million). Projected completion Spring 2020
- Renovation of existing 1950s vintage building to Student Success Center, (80,000 gsf; Project budget \$40 million). Completed Spring 2019
- Construction of College of Continuing and Professional Education, Net Zero Energy Building, (30,000 gsf; Project budget \$30 million). Completed Fall 2018
- Installation of a 4.5 MW carport solar power system and a 1.0 MW battery storage project (Project budget, \$3.2 million). Completed Summer 2017
- TES Plant Feasibility Study, Modernization of existing central plant with state-of-the art technology to produce energy efficient electricity, cooling, and heating for the campus. Completed Summer 2017

Lecturer, Urban and Regional Planning Department

California State Polytechnic University, Pomona

3801 W. Temple Avenue, Pomona, CA 91768 September 2002 to 2010

Taught undergraduate and graduate courses that included: Urban Design and Graphics, Campus Planning and Development, Special Studies, Senior Project and Thesis Preparation, Professional Development, and Field Work/Service Learning

Executive Director of Facilities, Planning & Administrative Services

San Bernardino Community College District, 114 S. Del Rosa Drive, San Bernardino, CA 92408 February 2006 to January 2009

Provided leadership and management for a district staff of five direct reports and planning, design and construction consultant staff of twenty. Responsible for the successful management of District facilities staff and related administrative functions with a \$5 million-dollar operating budget and management of the District's \$900 million-dollar capital bond program for San Bernardino Valley College, Crafton Hills College, and District Office.

Duties included:

- Led District Administration and appropriate campus committees to identify planning and program needs for facilities construction projects, and developed related administrative policies and procedures
- Managed all campus and facilities planning functions for San Bernardino Valley and Crafton Hills Colleges and District Office
- Prepared Five-Year Construction Plans and related space inventory documents required by the State Chancellor's Office
- Managed design and construction process for approved construction projects,

including the management and coordination of contractors, architects, engineers, equipment vendors, project management consultants, and facilities staff

- Principal liaison with the State Chancellor's Office and other governmental agencies, architects, engineers, etc., regarding District planning, construction, and facilities development
- Responsible for District compliance with Federal, State and local governmental requirements regarding facilities construction, including the Division of the State Architect and California Environmental Quality Act (CEQA)
- Developed and maintain the energy conservation program and served as the District's energy conservation coordinator
- Managed the maintenance and operations of District Office facilities, parking services, and mail and courier services
- Chaired district-wide environmental health and safety committee and disaster preparedness

Director of Facilities Management

Claremont Graduate University, 1227 Dartmouth Avenue, Claremont CA 91711 September 1999 to February 2006

Responsibilities included management of facilities staff (three direct reports) with a \$3 million-dollar operating budget; principal planning, budgeting and management of all existing and proposed campus facilities and assets with fifteen facilities staff and Claremont Consortium facilities and support services, including:

- Successfully implemented Claremont Graduate University Campus Master Plan, and related City of Claremont Development Agreement--including capital planning, design and construction, and city and CEQA approval processes
- Managed all university and residential buildings including new construction, renovations, operations, maintenance and energy management programs
- Managed grounds and custodial services
- Developed Landscape Master Plan and oversaw implementation of phase one improvement projects
- Maintained campus space inventory database and allocation
- Managed all Claremont University Consortium facility service agreements and contacts
- Chaired, campus-wide disaster preparedness and environmental health and safety committees

Director of Campus Planning and Development

California State University, Monterey Bay, 100 Campus Center, Seaside, CA 93955, November 1993 to September 1999

Founding Administrator and Chief Campus Planner. Responsibilities and accomplishments encompassed management and administration of all physical planning and development activities in the conversion of a former U.S. Army military base (Fort Ord) to a state university campus with a planning and design and construction staff of ten and four direct reports, including:

• Negotiated land transfer from U.S. Army to the California State University System

- Developed the first CSU, Monterey Bay Campus Master Plan, and secured all state and federal environmental approvals
- Managed \$10 million-dollar Federal funding from the Economic Development Agency for the Phase I capital improvements to open the campus
- Negotiated the successful transfer of management for approximately 800 residential units from the Department of Defense to CSU, Monterey Bay for use by faculty, staff, and students
- Oversaw architects, landscape architects, engineers and design and construction staff
- Principal planning liaison with all federal, state and local agencies and campus departments
- Administered annual CSU System funded Capital Outlay Program
- Managed campus space planning policies and procedures and facilities use

University Facility Planner

California State University-Office of the Chancellor, Long Beach, CA

February 1990 to November 1993

Evaluated capital outlay projects for assigned CSU campuses with respect to academic programming; project scope and budget development, design and construction, campus master planning, environmental compliance, and project coordination from design through building commissioning. Managed no direct reports. Accomplishments included:

- Successfully implemented new building construction, renovations and additions, electrical and telecommunication upgrades and landscape improvement projects for three assigned CSU campuses (CSU, Fullerton; CSU, Stanislaus, and CSU, Dominguez Hills)
- Co-authored the first system wide California Environmental Quality Act (CEQA) Handbook
- Preformed the initial base closure re-use analysis for 1,300-acre parcel for university use at Fort Ord, U.S. Army military base

<u>Associate Planner</u>

City of Whittier, California

August 1985 to February 1990

Scheduled and monitored development applications for land-use and zoning permits; prepared related environmental documentation; managed city design review program; presented development projects and staff reports to design review board, planning commission and city council for approval.

Education

- **Executive Master of Business Administration**, Peter F, Drucker Graduate School of Management, Claremont Graduate University, Claremont, 2003-2006

11. Please describe why you wish to serve on the Independent Redistricting Commission and share any additional experience, community activities, or other qualifications that make you a strong candidate for the Commission, including, but not limited to, analytical skills, familiarity with the City's neighborhoods and communities, ability to be impartial, and ability to work cooperatively with other potential commissioners. (Max. 1800 Characters, approximately 250-300 words)

How exciting that Long Beach will be redrawing its Council District boundaries through an Independent Commission! This is a great way to bring impartiality into this process. I am very interested in the activities of our city government and interested in serving on the Independent Redistricting Commission.

My skill set is a mixture of people-skills and detail-skills which I currently use as the Events Coordinator at my church. I guide people through planning and execution of weddings, funerals, parties, and conferences. I have held this paid position for 15 years.

I also do many volunteer activities that use these skills. In the past I have:

* Headed up the Vacation Bible School program - with about 100 volunteer staff and about 300 students.

* Been in charge of fundraising for my church's youth program including planning the events and organizing the students to work. These fundraisers included decorating trees for Christmas, bake sales, large dinners, restaurant fundraisers, and golf tournaments.

Currently I am involved with:

* Administrating my church's Awana program (a mid-week program for students ages 3 through high school seniors). I make all official purchases for this program as well as create spread sheets for each of the five clubs within the larger program. I am also the director of the High School club.

* Leading Women's Ministry my church including planning and organizing monthly events.

* Being on the board and chairing the Membership committee of the LLCS, a fundraising organization devoted to the education of children in Lebanon. This involves analysis of spreadsheets plus working in harmony with women of very diverse backgrounds and opinions.

I am a life-long Long Beach resident and familiar with our City's neighborhoods. I do believe I am able to work impartially and cooperatively with many different people.

(Max. 1800 Characters, approximately 250-300 words)

Currently, I am a home owner in the Fifth District of Long Beach. I have lived in Long Beach for over twenty years (6 years - South of Conant; 18 years - Belmont Shore). I work as a senior principal systems engineer at Raytheon in El Segundo, California where I design and build navigation electronics. I earned my master of science degree in physics from California State University, Long Beach (CSULB). I was a member of the board of directors for the University of California, Riverside Alumni Association (B.S. Physics; 1982) for ten years and served on the Alumni scholarship committee for twenty years. I volunteered with Corazon, Inc to build houses in Tijuana, Mexico. (That was a lot of fun. I would supervise Americans (little children pounding nails) and I would fix a all their mistakes making the house suitable. The process of redistricting is very important and ensures that democracy is served. I have the analytic skills, the familiarity of the Long Beach neighborhoods and the experience with working with other to achieve a goal. I was inspired by President John F. Kennedys words, "My fellow Americans, ask not what your country can do for you, ask what you can do for your country."

My qualifications for the Long Beach redistricting commission are based on my interest in democracy, concern for social justice, my love of the City of Long Beach, and my consensus and analytical skills.

Basic to our democracy is fair representation, fair through inclusion, participation and diversity. Personal and professional skills and experience I would bring to the commission include nearly 40 years of local governmental service as an engineer and manager, volunteer activities including the I DIG LONG BEACH tree planting program, service to those in Long Beach without shelter through the Christian Outreach Action and Catholic Charities' food distribution programs. I am also a Court Appointed Special Advocate, CASA, advocating for youth in the County Dependency system.

I have skills and abilities necessary for the success of the commission, including knowledge of governance, interest and ability to listen and draw information from a wide range of sources and individuals and analytical skills to make judgments on complex and technical data. I have experience using a wide variety of maps, statistics and programs for analyzing information. I have participated in public meetings and hearings both presenting and receiving information for governing decisions.

Please describe why you wish to serve on the Independent Redistricting Commission and share any additional experience, community activities, or other qualifications that make you a strong candidate for the Commission, including, but not limited to, analytical skills, familiarity with the City's neighborhoods and communities, ability to be impartial, and ability to work cooperatively with other potential commissioners. (Max. 1800 Characters, approximately 250-300 words)

As a long time Long Beach resident and one who intends to remain as such for the foreseeable future, I want to be a part of the process to shape the city in which I live. I have lived and worked in many areas throughout the city, from Belmont Shore to Downtown, North Ling Beach and now East Long Beach. My experience around the city gives me a unique perspective to be helpful in this arena.

(Max. 1800 Characters, approximately 250-300 words)

I have lived in the city of Long Beach since 1991. Initially I lived in the Belmont Shore neighborhood for two years, then after purchasing my first home, moved to 90814. Since 2004, I have lived in 90808, so I have experienced both the beach, city and suburban environments of Long Beach. I currently work for the world's largest Property & Casualty insurer and am responsible for designing, developing and delivering skill and knowledge learning to our claims teams in the 51 countries that do business in and that are outside of North America. As such, I am very comfortable working with diverse groups of people, taking into consideration language, culture, etc, which should serve me well should I sit on this committee. Finally, my goal is to retire from work in April 2021, and involvement with this committee would be a great way to ease into retirement, while still making use of my skills and of course filling the time I hope to have available to me.

Summary

joined Chubb in August 2000 and has been in the insurance industry for over 30 years. He currently works as Insurance Learning & Development Manager for Chubb Overseas General Claims. His responsibilities include identifying potential skill & knowledge learning needs for claim examiners across the 51 countries that make up Overseas General Claims. He is also responsible for collaborating in the design, development and delivery of these learning solutions. This is done with the intent of supporting Chubb's Talent Management Philosophy, which states that "continuous individual growth and development, regardless of role or level, is a core tenet of our company's success". Including LGBTQ+ employees through active participation in the Chubb's LGBTQ+ Business Roundtable, Chubb Pride, including serving as Chair. To achieve the goal of attracting and retaining the best and brightest employees, he believes that Chubb has a duty to create an environment that allows all employees, including LGBTQ+ employees, including LGBTQ+ enough to bring their full authentic self to work on a daily basis. Chubb has made enormous progress in this regard, but significant work remains to be done. In has resided in Long Beach, CA since 1991. He currently lives with his spouse, Ray.

Professional Experience

Insurance Learning & Development Manager, Overseas General – Claims – Chubb Sep 2017 - Present (2 years 8 months +)

Sr. Learning Specialist - Chubb

Apr 2013 - Sep 2017 (4 years 6 months)

Design, develop and deliver skills & knowledge training to Claim staff worldwide. Recent projects have included assuming responsibility for delivering Early Career Development Program workshop quarterly for 45 potential high-performer new hires. Other projects included creating a repeatable foundational learning path for newly hired Auto examiners in Argentina & Brazil as well as managing Specialty & Marine claim seminars in England. In 2013, developed claim seminar for Specialty, Casualty & Property examiners in Australia for the entire Asia Pacific Zone, intermediate/advanced Commercial Property Forms training for Outside Property Examiners and General Adjusters, and training content focusing on hail damage to roofs as well as Life Science Property Forms training.

Learning Specialist - Chubb

Jan 2009 - Apr 2013 (4 years 4 months)

My responsibilities included creation of a foundational new hire learning path for Casualty claim examiners. They also included design, development and delivery of a training program around the use of business analytics in the claim process.

Sr. Claim Specialist - Chubb

Aug 2000 - Jan 2009 (8 years 6 months)

My responsibilities included managing litigated and non-litigated claims for commercial and personal insurance. Claims included construction defect, bodily injury and products liability.

(Max. 1800 Characters, approximately 250-300 words)

Over my lifetime I have watched the physical and demographic changes that contribute to the life-blood of this city that I love and live in. I am a life-long resident of Long Beach (-4 early years in San Pedro) and the daughter of an immigrant. My roots in Long Beach are deep: born in Wrigley at Seaside Hospital, lived on Christmas Tree Lane (Daisy), later lived on 33rd Street. I attended Birney Elementary, Hughes Jr. High and Poly High schools. As a young adult I rented an apartment in North Long Beach and later bought a home on East 56th Street where I lived for seven years. I sold that home and rented in the Circle area for 12 years. In 1996 I bought my mother's home in the South of Conant area where I have been living for 23 years. My family and I attended LBUSD and LB colleges. I've visited family, friends and businesses in all parts of our city. I possess historical knowledge of changes that have taken place in Long Beach and have first hand knowledge of our communities.

Today I work for the Unitarian Church of Long Beach. I see people from all walks of life, young and old, rich and poor, both stable and unsheltered. I understand the need to approach redistricting from a business and financial perspective while also considering our most valuable asset: our people. I believe that we can redraw Council District boundaries in a balanced and non-prejudiced way. While redistricting will help us thrive, I recognize the importance of maintaining the warm, small town feel that long-time Long Beach residents (and hopefully newcomers) so appreciate.

I'm good at solving problems, at listening and at considering all options. I am easy to work with and enjoy teamwork. I'm straight-forward but sensitive to the feelings of others. I would like to participate in ways that will help others enjoy life in this city that I love. I am at your service.

Long Beach

PS. 300 words = not enough!

I have lived in Long Beach nearly my entire life. And I make a full effort to be pragmatic in everything I do. I feel that impartiality in all areas of politics and for the city is of utmost importance. I also work currently work at Fortune 100 company in a communications role where I am relied on to work across a multitude of businesses and departments to reach a common goal. Beyond that, this just seems like a fun opportunity to help the city I love.

The process of redistricting is interesting to me especially considering how big Long Beach is and the fact that each council districts has very different interest and priorities— I think those need to be respected and prioritize led. Also, at state and national level, redistricting has become an opportunity for misappropriation and abuse, and I think it's important to protect the process and protect residents to ensure equal representation for residents across the board.

My background is in community and government relations. I have my Masters of Public Policy And Administration from CDULB and am very involved in the city, right now at the neighborhood level. However, I've done a lot of work partnering with policymakers and nonprofits throughout my career and it's interesting to me and something that I'm good at.

I feel that I would be able to represent my district because not only have I lived in Long Beach for more than ten years, but I also acquired my post high school education in this city. I know what it's like to live in downtown, take the bus everyday to LBCC, and graduate from our local four-year university.

I believe in my ability to bring intelligent discourse to the panel, and in my ability to change my views based on other's relevant viewpoints.
