

Bridging the Digital Divide

Supporting Families

Our Programs in Action

Impact since 2012:

- 38,000 devices distributed
- 50,000 families assisted in signing up to low-cost internet
- 1,500 digital literacy students

Building the Bridge

How we keep devices out of landfills

Partnering for Good

Working with the City and CBOs

Digital Inclusion = Economic Inclusion

Thank You!
