PUBLIC COMMENT	Michelle Baker	michellebaker199@gmail.com						I am very concerned about a candidate from District 2, Cindy Allen getting money from the City of Long Beach. She was sued by the new owners of ETA, Inc for fraud. In the court documents, it stated Cindy Allen would bet 10% of the revenue from ETA's clients... which most are City of Long Beach departments and the Mayor's Office. If she wins, this is a clear conflict of interest and not ethical.	10/9/2020
