COMMISSIONERS
MARINE ADVISORY COMMISSION
City of Long Beach
California

RECOMMENDATION:

Recommendation to approve the placement location of memorial or commemorative bench outlined in Attachment "A". (District 3).

DISCUSSION

The Department of Parks, Recreation and Marine (PRM), with the consent of the City Manager, has a policy on donating funds for minor park assets (including Memorial Benches and Trees).

The Policy states, in part, that on a quarterly or as needed basis, proposed locations for new or replacement benches (Attachment A) proposed for PRM-managed areas will be presented to the Marine Advisory Commission. This will allow a public forum for residents or other interested parties to comment on all newly proposed benches or replacement bench locations, and determine a point in time for the installation of a memorial bench. After this recommendation, installation of the bench will be the responsibility of PRM staff. PRM does not warrant benches against vandalism or destruction and based on the condition of the bench after ten (10) years, a specific bench may be removed if deemed appropriate with the location being made available for another bench (unless the original party purchases a new bench for the donation amount in effect at that time).

PRM staff has reviewed the requested bench location at the Marine Stadium for Douglas Foster Nosworthy (Attachment B).

FISCAL IMPACT

Part of the duties of PRM staff is to place and maintain benches in parks, so this and other bench installations or relocations are not outside of PRM's regularly budgeted activities. The bench donation amount is sufficient to cover all costs of the bench.
