3. (21-025RC) Recommendation to receive and file a presentation on Communities of Interest.	Dave Shukla	dave.shukla@gmail.com		<p>The Independent Redistricting Commission should seriously consider going beyond the minimum requirement of nine (9) public meetings.</p> <p>Since these meetings will most likely be virtual throughout the year, each meeting should have space allotted to gather testimony on specific regions/neighborhood areas agendized, along with space allotted for testimony related to other areas or issues related to redistricting in Long Beach.</p> <p>Look forward to seeing the outreach plan from this IRC for gathering public input and participation.</p>	2/17/2021
