HONORABLE MAYOR AND CITY COUNCIL City of Long Beach California

#### **RECOMMENDATION:**

Approve the Uptown Property and Business Improvement District Annual Report continuing the property assessment for the period of January 1, 2021 through December 31, 2021, automatically extending the current agreement with the Uptown Property and Community Association for a one-year period; and, authorize the payment of \$26,046 in City property assessments from the General Fund Group. (Districts 8, 9)

#### DISCUSSION

The Uptown Property and Business Improvement District (UPBID) was established by the City Council in 2013 for an initial term of five years. The UPBID was renewed in 2018 for a term of ten years. The City of Long Beach (City) contracts with Uptown Property and Community Association (UPCA) to manage the UPBID and the UPCA Board of Directors serve as the Advisory Board to the City Council on matters related to the UPBID. UPCA utilizes the UPBID funding to provide enhanced maintenance, security, and marketing above and beyond the services provided by the City.

State law governing Property and Business Improvement Districts requires that an annual report be submitted to the City Council by the Advisory Board designated for this Assessment District. The UPBID 2020-2021 Annual Report (Annual Report) (Attachment) describes the boundaries, proposed activities, and budgetary information, as well as the method and basis for continuation of the assessment. The Annual Report proposes no change to the UPBID boundaries, the method of assessment, and activities.

The Annual Report, transmitting the recommendations of the Advisory Board, proposes the following assessment rates:

#### Method of Assessment

The UPBID assessment is computed based on three primary parcel characteristics: (1) land use type, (2) linear frontage, and (3) lot square footage. Each parcel's special benefit points are calculated as follows:

Parcel's Linear Factor + Parcel's Lot Factor
---

The original maximum rate per Special Benefit Point is \$42.36864.

HONORABLE MAYOR AND CITY COUNCIL March 9, 2021 Page 2

#### Parcel Factors

Each parcel's Linear Factor is computed by dividing the parcel's specific linear frontage by the median frontage at the time of formation, 45 feet.

Each parcel's Lot Factor is computed by dividing the parcel's specific lot square footage by the median lot square footage at the time of formation, 4,792 square feet.

#### **Special Factors**

Certain mobile home, apartment, and school properties were assigned a Special Factor to account for special circumstances related to distance from the improvements and the nature of the land use. Details about these factors can be found in the June 2018 Formation Engineer's Report for the UPBID.

#### **Total Benefit Points**

The Total Benefit Points assignment for each property land use is shown in the following table:

Property Land Use	Aesthetic Benefit Points	Safety Benefit Points	Economic Benefit Points	Total Benefit Points
Commercial Property	1.00	1.00	3.00	5.00
Apartment Property	1.00	1.00	2.00	4.00
Undeveloped Property	1.00	1.00	1.50	3.50
Single-Family Residential Property	1.00	1.00	0.00	2.00
Mobile Home Park Property	1.00	1.00	0.00	2.00
Public/Church Property	1.00	1.00	0.00	2.00

This matter was reviewed by Deputy City Attorney Amy R. Webber on February 9, 2021 and by Budget Management Officer Rhutu Amin Gharib on February 16, 2021.

#### TIMING CONSIDERATIONS

City Council action is requested on March 9, 2021, so that FY 21 assessment transfers may be made as required by the Agreement for Funding with UPCA.

#### FISCAL IMPACT

It is estimated that the UPBID will generate \$177,357 in FY 21 through the proposed continuation of the assessment. Assessment funds are collected through additional fees attached to property owner assessment payments in the UPBID area. All revenues are distributed directly to UPCA for implementation of annual programs.

The total City share of the UPBID assessment for FY 21 is \$26,046. Sufficient funds are budgeted in the General Fund Group in the Library Services Department, the Parks, Recreation, and Marine Department, and the Fire Department to cover the costs of the assessment. This recommendation has no staffing impact beyond the normal budgeted scope of duties and is consistent with existing City Council priorities. There is no local job impact associated with this recommendation.

# **District Boundary**

The BID boundary generally includes the areas described below:

Each parcel's Lot Factor is computed by dividing the parcel's specific lot square footage by the median lot square footage at the time of formation, 4,792 square feet.

#### SPECIAL FACTOR

Certain mobile home, apartment, and school properties were assigned a Special Factor to account for special circumstances related to distance from the improvements and the nature of the land use. Details about these factors can be found in the June 2018 Formation Engineer's Report for the BID.

#### TOTAL BENEFIT POINTS

The Total Benefit Point assignment for each property land use is shown in the following table:

The table below shows the historical, maximum and actual assessment rates for the BID:

Fiscal Year	Maximum Rate Change	Maximum Rate Per Special Benefit Point	Actual Rate Change	Actual Rate Per Special Benefit Point
2018/19		\$42.36864		\$42.36864

### **Proposed Changes**

For 2020/21, the BID Board did not propose any changes to the rate, however, due to parcel changes, the actual rate per special benefit point decreased slightly from the prior year.

There are no proposed changes to the boundaries, the benefit zones, or the assessment methodology of the BID.

# BUDGET

### **District Budget**

The formation engineer estimated the general benefit of the BID improvements and activities to be 5.37%. Thus, 5.37% of the budget must be funded from sources other than assessments.

### **Contributions from Other Sources**

The BID has limited sources of income outside of the assessments. Some other sources include: corporate sponsorships, promotional events, and in-kind goods and volunteer services. The total contributions/in-kind services from other sources are expected to total approximately \$8,400.

# UPTOWN BUSINESS IMPROVEMENT DISTRICT

### 2020 – 2021 Program

The assessments provide funding for a Maintenance Program and a Marketing Program, as well as the ongoing administration of the BID as described below.

### Maintenance Program

Maintenance services will be provided to public areas within the BID and will include litter and graffiti removal, and similar services, which will maintain a well-kept, clean environment. The goal of the Maintenance Program is to help attract and retain tenants and shoppers and increase commerce and occupancy rates. Currently, there are several components to the Maintenance Program:

#### **CLEAN TEAM**

Beginning in May 2016, the Association partnered with The Conservation Corp of Long Beach, which is a paid training program specifically geared towards educating and training at risk youth ages 18-25 that are working towards a high school diploma or pursuing post-secondary education. Working five days per week, the Conservation Corp cleans-up of an average of 5,000-8,000 lbs. of trash/debris monthly. They will pressure-wash sidewalks throughout the BID for a total of four hours weekly and provide for graffiti removal and abatement and bulk item collection. Additionally, the Association has added annual window washing and awning washing two times per year. The number of strategically placed trash bins has also been increased. In 2020, The Conservation Corp of Long Beach added three (3) bulky items to the eWaste Drive events.

The Association has developed a partnership with CD8 for bi-annual hazardous waste drives and electronic recycling. The Go Long Beach app, which is not funded via the BID assessment, is also used for reporting bulk waste and graffiti with an average response time of 24 hours.

#### **COMMUNITY SERVICE WORKERS (CSW)**

The Association staff will supervise CSWs on the first Friday of the months April through September, as they clean the BID. This will be done in partnership with Council Districts 8 and 9. The CSWs will clean, report graffiti, distribute BID advertisements and info, pull weeds, and help with gum removal. Although it is unpredictable how many workers may participate on any given day, crews have been averaging between 10 and 50 workers and work four-hour shifts.

#### FAÇADE IMPROVEMENT PROGRAM

The Association implemented a Façade Improvement Program designed to assist businesses and property owners in the area apply for the City's existing \$2,000 rebate program. The program allows businesses/owners to participate in the program without having to pay in advance. The Association has negotiated with several contractors to make this possible.

# **Security Program**

#### SECURITY PATROLS

The Security Program will include private security patrols by All Action Security. The patrols will include vehicle patrol seven days per week from 10:00 AM to 6:00 PM, Monday through Friday and 11:00 AM until 7:00 PM Friday through Sunday. All Action Security is also on call 24 Hours per day. The Association and All Action will coordinate their efforts with the Long Beach Police Department (LBPD). The goal of these services is to create a visible deterrent to criminal activity, and encourage shoppers, residents, and tenants to visit the area. Monthly security meetings will be held with the Association, All Action Security and the LBPD.

#### **BUSINESS COMMUNITY WATCH PROGRAM**

The Association has established a Business Community Watch Program. The program is comprised of both business and community members. One of the goals of the program is to identify issues in the BID and work together with the LBPD to resolve these issues. The Program will include a monthly security meeting with CSI Patrol, LBPD, local businesses with private security, Jordan High School police, and local business and property owners.

### **Marketing Program**

A Marketing Program has been established in order to increase awareness of the BID and all of its programs. Initial marketing efforts included the establishment of a logo, branding, community involvement, event involvement and social media.

The Association will participate in special events by setting up booths and/or assisting in marketing events such as the Uptown Jazz Festival, Activate Uptown (an open streets event), and the Veteran's Day Parade and Festival. The Association will also attend many community meetings to educate the community about the BID. Ongoing marketing efforts have introduced the "Uptown Business District," which is more easily understood in the community.

The Association has increased classes, outreach, meetings, and monthly signature events. The Association has partnered with Council District 9 to redesign the annual Veteran's Day Celebration to include an open streets festival, which is focused on local vendors and business outreach. The Association prepares a monthly newsletter highlighting resources, local businesses, and opportunities and maintains a dedicated social media presence consistently highlighting local businesses. Digital billboards along the 91 Freeway will be dedicated to monthly advertisements promoting the BID and its happenings.

The Association will continue to reach out to the community and participate in events located within the BID. Some events are done in conjunction with the City and local Neighborhood Associations and organizations.

In the garden of the Michelle Obama Neighborhood Library, the Association helps promote a monthly event called PopUp Town Social, which brings together local residents and businesses to enjoy local food vendors, children's activities, local live music, DJs and fun. This allows the members of the community to get to know each other in one of the area's landmarks. The Association helps sponsor and support the weekly Houghton Park Farmers Market, with marketing and business communications.

Economic development activities will include working with potential business tenants, developers, banks, and government agencies to attract new businesses to Uptown. The Association will create a

unified voice to advocate on behalf of property owners at various government agencies. The goal is to benefit property owners by increasing occupancy rates and commerce. The Association highly anticipates working with City officials to assist in any way to improve the economic vitality of the BID.

The Association will be collaborating with the City's Economic Development Department and the Small Business Development Center to pilot a new business programs called Start It Up and KIVA. The Start It Up program targets new businesses in the BID, providing increased access to capital and helping to move the pop-up vendors into brick-and-mortar locations. The KIVA program helps businesses in the BID receive up to \$10K in interest-free loans to help support their business. The Association has been certified as a trustee to help facilitate the process, as well as support business and property owners with their application and the writing of their scope.

### **Overhead**

In addition to the costs to provide the programs mentioned above, the Association will incur costs for staff time and expenses related to such programs, as well as the management of the BID. Staff time includes oversight and coordination of both Association and contractor-provided services, annual tax roll preparation, and addressing property owner questions and concerns. These activities are directly related to the programs provided within the BID, and without them, the programs could not be efficiently carried out on an ongoing basis.

In April 2019, the Association voted to close its office space at 6082 Atlantic Avenue, to reduce overhead and rental fees which allowed for the increased maintenance and security patrol services.
