

eComments Report for Ethics Commission Meeting of March 10, 2021

PUBLIC COMMENT	Michelle Baker	michellebaker199@gmail.com		Hello, why aren't citizens allowed to provide telephonic comments? Also, there is no procedure with the City to file an ethics complaint against the mayor or city council or employees. It is very confusing how to navigate that process and should be clearly stated in the ethics handbook and website. Please allow residents to provide telephonic comments and all meetings should be on WebEx as well.	3/8/2021
REMARKS FROM THE CHAIR AND COMMISSIONERS	Michelle Baker	michellebaker199@gmail.com		Chair Susan Wise and members of the committee, I would like to ask why there are not telephonic comments allowed at the Ethics Commission meetings? Also, I would like to address why there is not a process to file a complaint against a City Council member, City Manager or the Mayor? Finally, I would like you to address my concerns that non profits started by the mayor and vice mayor are not required to publish list of donors? That is an ethical concern,	3/9/2021
