EXECUTIVE STAFF REPORTS

2. [22-083BH](#) Recommendation to receive and file a report from the Director of Health and Human Services.

Kelly Colopy, Director of Health and Human Services, provided the following information to the Board:

- The Health Department entered a float into the Belmont Shore Christmas Parade and won best in show. The theme of the float was "The Nightmare Before Christmas", and the float will also make another appearance at the Daisy Avenue Christmas Parade on Saturday, December 10th.
- Invited the Board to attend the Department's 2022 Holiday All Staff Meeting,

which will be held on December 15th at El Dorado Park.

- The Centers for Disease Control (CDC) notified the Department that they will be providing the Department \$6.7 million in public health workforce/infrastructure funding. That amount will be in addition to the \$2 million per year received from the California Department of Public Health (CDPH).
- The City's Winter Shelter Program will be located this year on the Community Hospital campus, providing 81 beds. This item will go before the City Council on December 13th.
- Cynthia Howell, Long Beach Recovery Officer, will be taking on the role of Acting Physician Services Bureau Manager, filling the position vacated by Pamela Bright on an interim basis until a new manager is hired.

This BH-Agenda Item was approve recommendation.

3. [22-084BH](#)

Recommendation to receive and file a report from the City Health Officer on Communicable Disease Control activities.

Dr. Anissa Davis, City Health Officer, provided the following information to the Board:

- RSV cases reached a plateau and may be starting to show signs of decreasing.
- COVID-19 cases are increasing rapidly and earlier in the season than in previous years. We are experiencing a COVID-19 surge and we are currently in the CDC's medium transmission category. The County of Los Angeles is currently in the high transmission category, and the County is currently looking into masking mandates for crowded indoor spaces. The City will be aligning with any masking guidance released by the State.
- Flu cases are also increasing rapidly and earlier in the season than in previous years. California is in the very high CDC transmission category, with Southern California being hit especially hard. Cold and flu treatment medications are currently in short supply due to the high demand. Currently working diligently with skilled nursing facilities to vaccinate residents.
- The World Health Organization (WHO) officially changed the name Monkeypox to MPX. Cases have decreased and vaccinations are still available to all those who are interested.

- The City held a National Transgender Day of Remembrance event at Harvey Milk Park on November 20th.
- A World AIDS Day celebration was held on December 1st. Long Beach is one of the epicenters of HIV transmission in Los Angeles County. The Long Beach HIV Planning Group is working on the next iteration of the City's HIV/STD Strategy.

This BH-Agenda Item was approve recommendation.

REGULAR AGENDA

4. [22-085BH](#) Recommendation to receive, file and discuss a presentation on the City's Health Equity Investment Framework.
- Ms. Colopy provided a presentation on the City's Health Equity Investment Framework, a copy of which was received and filed as part of the permanent record. The City will use this framework to identify conditions and their underlying causes, then invest in improving the outcomes stemming from these conditions through engaging the community and community-based organizations.

This BH-Agenda Item was approve recommendation.

5. [22-086BH](#) Recommendation to receive nominations and conduct elections for the positions of Chair, and Vice Chair of the Board of Health and Human Services for 2023.

The Board engaged in a brief conversation on the appropriate way to conduct elections of officers. This item was laid over until the January 13th meeting.

This BH-Agenda Item was laid over.

6. [22-087BH](#) Recommendation to discuss mental health and substance abuse issues.

Ms. Colopy indicated that the City will be receiving approximately \$750,000 in opioid settlement funds. The City will be focusing on several efforts including conducting an educational campaign and distribution of Narcan to schools, as

well as harm reduction strategies such as the distribution of opioid/fentanyl test strips and Narcan across the City and partnering with community organizations engaged in harm reduction activities.

Ms. Colopy indicated that she recently toured the MLK Behavioral Health Care Center which aligns the County's mental health and substance abuse treatment services of all levels.

A brief discussion ensued regarding the challenges of providing mental health services to the homeless population. Ms. Colopy indicated that the City will be launching a mental health and substance abuse treatment van that can go out and provide services directly in the community.

This BH-Agenda Item was approve recommendation.

7. [22-088BH](#) Recommendation to discuss environmental justice issues.

There was no new information to provide on this item.

This BH-Agenda Item was approve recommendation.

8. [22-089BH](#) Recommendation to discuss Board Goals and Infrastructure, including:
