Recommendation to authorize City Manager to execute an agreement with the YMCA of Greater Long Beach to provide camping service for the annual Adaptive Recreation in a Special Environment Program (ARISE Program) Camp Oakes excursion; and

Authorize City Manager to execute all documents necessary to implement and administer the 2006 excursion. (Citywide)

The Department of Parks, Recreation and Marine (Department) ARISE Program is an after-school and workshop program located at Stearns Champions Park that provides recreation and socialization activities for individuals with developmental and physical disabilities, Program participants come from all over the city and surrounding areas.

The ARISE Program is designed for participants ages nine and older, who are reasonably self-sufficient and able to function in a group environment. Program activities include art, music, dance, sports, special events, and excursions. The ARISE Program conducts an annual excursion to the YMCA's Camp Oakes for a camping experience. The YMCA requires the execution of a contract for their camping services. The services include meals, lodging, and recreational activities. Department staff also participates in the excursion, performing tasks that are not covered by the YMCA. Their responsibilities include, but are not limited to camp recreation leadership and 24-hour supervision. This year's visit to Camp Oakes is from May 8 to May 12.

This matter was reviewed by Senior Deputy City Attorney Donna F. Gwin on April 3, 2006, and Budget Management Officer David Wodynski on March 10, 2006.

City Council action is requested on April 4, 2006, to enable the timely execution of the agreement for camping services.

Approximately 60 participants are expected to attend this year's ARISE Program excursion. Each participant will be required to pay a \$350 fee. A fee-related revenue will be deposited in the General Fund. The total cost of the ARISE Program excursion is estimated at \$23,000. YMCAs services cost \$10,000 and City staff costs are approximately \$1 3,000. Sufficient appropriations to support the excursion are budgeted in the General Fund (GP) in the Department of Parks, Recreation and Marine (PR).

Approve recommendation.
