INTRODUCTION:

The Peter Archer Rowing Center at Marine Stadium 10N will be undergoing a number of renovations to improve the usability and community access to this facility. With the popularity of rowing and the desire to improve this facility along with the build out of bathrooms there is a community benefit to supporting this project.

This matter was reviewed by Budget Manager, Grace H. Yoon on July 23, 2020.

This recommendation requests the City Manager Department to provide a payment to the Long Beach Rowing Association in support of this project at Marine Stadium 10N. The total appropriation increase in the General Fund Group in the City Manager Department by \$9,234

is offset by a decrease of appropriation of Third Council District one-time District Priority Funds in the General Fund Group in the Citywide Activities Department. The requested action is anticipated to require a minimal level of staff hours beyond the budgeted scope of duties and is expected to have minimal impact on existing City Council priorities.

Approve recommendation.
