Recommendation to adopt resolution authorizing City Manager to execute a contract with Zonar Systems, Inc., of Seattle, WA (not an MBE, WBE, SBE or Local), to provide Citywide Global Positioning System (GPS) monitoring services and hardware, in an annual amount not to exceed \$304,854, for a period of two years, with the option of renewing for two additional one-year periods, at the discretion of the City Manager. (Citywide)

City Council approval is requested to enter into an annual contract with Zonar Systems, Inc. (Zonar), to provide internet-based GPS monitoring services and hardware.

Zonar currently provides the monitoring services for 401 City vehicles assigned to Bureaus of various City Departments: Public Works, Financial Management, Gas and Oil, and Development Services. The Fleet Services Bureau plans to expand the installation to include an additional 251 units in Fiscal Year 2014 (FY 14), with complete City fleet coverage by the end of FY 15. GPS tracking is effective for efficient route/trip planning; vehicle location tracking; compiling vehicle pre- and post-trip inspection records; vehicle idle policy enforcement and monitoring; and, vehicle utilization studies.

The City Charter Section 1801 requires that contracts for City purchases be awarded to the lowest responsible bidder after a competitive bid process, but allows for awards without a competitive bid process when authorized by a Resolution of the City Council.

Zonar is the sole supplier for the existing GPS monitoring systems, and research has shown that other systems will not interface with the current units. Therefore, no useful purpose would be served by advertising for bids and to do so would be deemed as an unnecessary expenditure of public funds and staff time.

This matter was reviewed by Deputy City Attorney Amy R. Webber on June 13, 2013 and **by** Budget

Management Officer Victoria Bell on June 18, 2013.

City Council action to award a contract is requested on July 9, 2013, to ensure that the contract is in place expeditiously.

The annual cost of this contract, in the amount not to exceed \$304,854, is budgeted in the Fleet Services Fund (IS 386) in the Department of Financial Management (FM). There is no local job impact associated with this recommendation.

Approve recommendation.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LONG BEACH AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH ZONAR SYSTEMS, INC., WITHOUT ADVERTISING FOR BIDS, FOR THE PURCHASE OF GLOBAL POSITIONING SYSTEM (GPS) MONITORING SERVICES AND HARDWARE FOR A PERIOD OF TWO YEARS, WITH AN OPTION TO RENEW FOR TWO ADDITIONAL ONE-YEAR PERIODS, IN AN ANNUAL AMOUNT NOT TO EXCEED \$304,854

JOHN GROSS
DIRECTOR OF FINANCIAL MANAGEMENT

APPROVED:

PATRICK H. WEST
CITY MANAGER
