Recommendation to increase appropriations in the General Fund (GF) in the City Manager Department (CM) by \$6,500, offset by the Second Council District One-time District Priority funds transferred from the Citywide Activities Department (XC) to provide funds to Fix Long Beach who will be hosting a Spay and Neuter event in the Second Council District; and

Decrease appropriations in the General Fund (GF) in the Citywide Activities Department (XC) by \$6,500 to offset a transfer to the City Manager Department (CM).

Fix Long Beach will be hosting a Spay and Neuter Event in the Second Council District, which is intended to reduce pet homelessness and support pet health by providing a Spay/Neuter clinic at Bixby Park Dog Park on March 9th. Councilwoman Pearce would like to support the event by using the Second Council District one-time District Priority funds.

Per the City's "Procedures for Implementation of Divide by Nine Funding," the Second Council District is requesting to transfer one-time District Priority Funds to the Special Events Bureau of the City Manager Department who will be providing the funds to Fix Long Beach.

The total appropriation increase of \$6,500 in the General Fund (GF) in the City Manager Department (CM) is offset by a decrease of appropriation of Second Council District one-time District Priority funds in the General Fund (GF) in the Citywide Activities Department (XC).

Approve recommendation.
