Recommendation to approve the use of the Third Council District's one-time infrastructure funds in the Capital Projects Fund (CP) in the Public Works Department (PW) in the amount of \$10,000 to support the installation of traffic safety fencing at Bellflower Boulevard and 7th Street.

With concerns around safety at the intersection of Bellflower Boulevard and 7th Street, additional fencing is needed to reduce pedestrian access to medians on Bellflower Boulevard, south of 7th Street, and on 7th Street, east of Bellflower Boulevard.

The total project cost of \$10,000 is funded by the Third Council District's one-time infrastructure funds in the Capital Projects Fund (CP) in the Public Works Department (PW).

Approve recommendation.
