Recommendation to Authorize the General Manager to execute an agreement with AireSpring, for the purchase of Internet services at the Treatment Plant for a three-year period for an amount not-to-exceed \$79,920.

BUREAU: Business - Administration

The cost to the Water Fund will be incurred over a three-year period through FY 23 with the actual annual amounts unknown at this time but the total amount will not exceed a total of \$79,920. The additional costs are unbudgeted in FY 20 in the Water Fund. However, it is expected that these costs can be absorbed within the Water Fund using projected savings within the Fund.
