Recommendation to authorize City Manager to execute a contract for state legislative representation services provided by Michael J. Arnold and Associates for an amount not to exceed \$102,261 for a period of one year. (Citywide)

The firm of Michael J. Arnold and Associates has successfully represented the City of Long Beach in Sacramento before the State Legislature and various state agencies since 1983. Michael J. Arnold and Associates provides invaluable advice, technical legislative assistance, historical perspective, and strong advocacy on City issues, as well as maintains excellent relationships with Legislators and staff in Sacramento.

The purchase order between the City and Michael J. Arnold and Associates for Fiscal Year 2006 (FY 06) expired on September 30, 2006. Based on the firm's unique knowledge and extensive understanding of the City of Long Beach and local government issues, as well as the reputation of the firm's partners in Sacramento, the approval of an annual contract is recommended.

This recommendation would result in a monthly payment of \$8,049 (previously \$7,799). The total proposed contract would include \$96,583 for the annual

retainer and up to \$5,700 for approved expenses, for a total contract amount not to exceed \$102,283.

City Council action is requested on October 3, 2006 to ensure continuation of services from Michael J. Arnold and Associates.

This letter was reviewed by Deputy City Attorney Lori A. Conway and Budget Management Officer David Wodynski on September 26, 2006.

The annual cost for this service is not to exceed \$102, 283, based on a monthly retainer of \$8,049 and up to an annual total of \$5,700 for approved expenses. Funds to support this activity are budgeted in the General Fund (GP) in the City Manager's Office (CM), a portion of which is shared by departments and funds throughout the City that benefit from these services, including many non-General Fund operations.
