Recommendation to authorize City Manager to execute subdivision agreements for offsite improvements and find that all requirements of the final subdivision map that subdivides the northern quadrant of the Douglas Park area have been satisfied, and approve the final map for Tract No. 70937-3, located north of Cover Street and west of Worsham Avenue. (District 5)

In accordance with Long Beach Municipal Code Chapter 20.16, State of California Government Code Section 66458, applicable local subdivision ordinances and subsequent rulings, a final subdivision map conforming to State Subdivision Map Act requirements shall be approved by the City Council. The subdivider, The Boeing Company (Boeing), has submitted a duly certified final map of Tract No. 70937-3, which is in conformance with the conditions and requirements placed on the tentative map approved by the Planning Commission on October 13, 2009.

The project is a 10.20-acre subdivision of land. A vicinity map is attached, showing the location of the project. Subdivision agreements have been prepared, providing for the installation of public improvements and for survey monuments in connection with the subject site.

This matter was reviewed by Deputy City Attorney Linda Trang on November 11, 2011, and by Budget Management Officer Victoria Bell on November 14, 2011.
