Recommendation to receive supporting documentation into the record, conclude the hearing and grant a One-Year Short-Term Entertainment Permit, with conditions, on the application of Save The Queen, LLC, dba The Queen Mary, 1126 Queens Highway, for Entertainment With Dancing by Patrons. (District 2)

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council make a determination that the application is complete and truthful; the applicant, the person interested in the ownership and operation of the entity, and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and, that the public peace, welfare, and safety will not be impaired. If this is so, the application shall be approved, a short-term permit shall be approved, or the application shall be denied.

The City Council has the authority to approve the following options: 1) grant the Permit, with or without conditions; or 2) grant a One-Year Short-Term Entertainment Permit, with or without conditions; or, 3) deny the Permit on the application.

Attached for your review is the application from Save The Queen, LLC, dba The Queen Mary. This application is for entertainment on-ship and entertainment for the Sea Walk area and parking lots. This application does not include entertainment in the Dome or the publicly owned Events Park, which requires a Special Events Permit from the Office of Special Events and Filming. Also attached are reports from various departments and a summary of those reports, as well as the license history of the establishment.

City departments have conducted their investigation in accordance with the LBMC. The following summarizes their findings:

- > The Police Department recommends that the permit for entertainment with dancing by patrons be approved as a One-Year Short-Term Entertainment Permit with separate sets of tiered conditions for on-ship entertainment and off-ship entertainment.
- > The Fire Department recommends that the permit for entertainment with dancing by patrons be approved.
- > The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- > The Development Services Department recommends that the permit for entertainment with dancing by patrons be approved.

The Department of Financial Management, Business Relations Bureau, has reviewed all submitted department documents and correspondence and, after a thorough investigative process, recommends that the permit for entertainment with dancing by patrons be approved as a One-Year Short-Term Entertainment Permit subject to conditions (attached).

In the event that any of the recommended conditions attached to any permit or licenses are in conflict, the permittee shall adhere to the strictest of the applicable conditions. This location has been licensed as entertainment since 1993 and was approved for a One-Year Short-Term Entertainment Permit on March 4, 2008.

This item was reviewed by Deputy City Attorney Cristyl Meyers on June 16, 2009.

The hearing date of July 7, 2009, has been posted on the business location, with the applicant and property owners within 300 feet notified by mail.

The following fees were collected with the application: Building Review \$20 and Zoning Review \$14 (Development Services Department), Police Investigation \$1,125 (Police Department), Temporary Entertainment permit \$340 and Labels \$90 (Financial Management Department).

The following fees will be collected if the application is approved: Business License \$309.77 and Regulatory \$930 (Financial Management Department).

Approve recommendation.

LORI ANN FARRELL
DIRECTOR OF FINANCIAL MANAGEMENT/CFO
