Recommendation to increase appropriations in the General Fund Group in the City Manager Department by \$700, offset by the Third Council District One-time District Priority Funds transferred from the Citywide Activities Department to provide a contribution to the Wilson Instrumental Music Booster Organization; and

Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$700 to offset a transfer to the City Manager Department.

**INTRODUCTION:**

The Wilson High School instrumental music program has contributed positively to the community and the entire City of Long Beach since the school opened. Supporting music and the skills, friendship, and cooperation it fosters is a priority for the City and improves the lives of students and countless neighborhoods. Annually the Wilson High School Band performs a concert in the Recreation Park to commemorate the end of the year. This year that concert is being held on May 22, 2021 and support is sought for that upcoming event.

The Wilson High School instrumental music program brings benefits to the whole city, including students, residents, and visitors therefore, the City Council should support their positive contributions and plan to host this upcoming event.

This matter was reviewed by Budget Manager Grace H. Yoon on May 14, 2021.

## **STATEMENT OF URGENCY**

This event is scheduled for May 22, 2021 and funding shortly after this event is sought.

[Timing Considerations]

This recommendation requests the City Manager Department to provide a donation to the Wilson Instrumental Music Booster Organization for support of their annual concert. The total appropriation increase in the General Fund Group in the City Manager Department by \$700 is offset by a decrease of appropriation of Third Council District One-time District Priority Funds in the General Fund Group in the Citywide Activities Department. Implementing this recommendation is anticipated to result in a minimal impact to staff hours beyond normal budgeted scope of duties and a minimal impact on existing City Council priorities.

Approve recommendation.
