Recommendation to receive the supporting documentation into the record, conclude the public hearing, and grant an Entertainment Permit with conditions for entertainment with dancing to Altar Brands LLC dba Altar, at 230 Pine Avenue. (District 1)

**Levine Act: Yes**

The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing held before the City Council whenever this type of activity is requested and before an entertainment permit (Permit) is granted or denied.

The LBMC also requires the City Council to approve the issuance of the Permit if they find that: the issuance of the Permit at the proposed location is consistent with federal, State, and local laws, rules, and regulations; it will not constitute an undue burden on the neighborhood; the applicant(s) or responsible persons have not been convicted of any misdemeanor involving moral turpitude or felony offense within the past five years; and, neither the applicant(s) nor any responsible persons have a history of committing significant violations of the City of Long Beach (City) code and have not provided false or misleading information on their application.

The City Council has the authority to approve the following options: (1) grant the Permit, with or without conditions; or (2) deny the Permit on the application. Once the Permit is granted, pursuant to LBMC 5.72.120.5, the Permit will be subject to an administrative review by the Financial Management Department every two years. This review process will consist of a multi-department analysis to determine compliance and identify if issues exist. This provision

does not affect the City's ability to modify, revoke, or suspend a permit at any time.

City departments have conducted their investigations in accordance with the LBMC. Attached are the departmental investigative reports, history, entertainment permit application, and floor plan.

The following summarizes departmental findings:

- The Police Department recommends that the Permit for entertainment with dancing be approved, subject to conditions.
- The Fire Department finds the building/location meets department requirements for the proposed use.
- The Health and Human Services Department finds the building/location meets department requirements for the proposed use.
- The Development Services Department finds the building/location meets department requirements for the proposed use.

The Financial Management Department, Business Services Bureau, has thoroughly reviewed all submitted department documents and correspondence and recommends the Permit for entertainment with dancing be approved subject to conditions (attached).

In the event that any of the recommended conditions conflict with other permits or licenses, the permittee must adhere to the strictest of the applicable conditions. This location has been licensed as a Hall Rental since May 2022.

This matter was reviewed by Deputy City Attorney Monica J. Kilaita on August 17, 2023.
