Recommendation to receive and file the application of Pequena Enterprises, LLC, dba Tacos La Pequena, for an original application of an Alcoholic Beverage Control (ABC) License, at 4915 Long Beach Boulevard, submit a Public Notice of Protest to ABC; and direct City Manager to withdraw the protest if a Conditional Use Permit Exemption (CUPEX) is granted. (District 8)

Levine Act: Yes

It is City Council policy to review applications for ABC licenses to determine if a basis for protest against the issuance of the license exists. The attached application lists the possible bases for protest.

LEVINE ACT

This item is subject to the Levine Act. The Mayor, Councilmembers, and Commissioners who have received a contribution of more than \$250 within 12 months prior from a party, participant, or their representatives involved in this proceeding may do either of the following: (1) disclose the contribution on the record and recuse themselves from this proceeding; OR (2) return the portion of the contribution that exceeds \$250 within 30 days from the time the elected official knew or should have known about the contribution and participate in the proceeding.

All parties, participants, and their representatives must disclose on the record of this proceeding any contribution of more than \$250 made to the Mayor or any Councilmembers within 12 months prior to the date of the proceeding. The Mayor, Councilmembers, and Commissioners are prohibited from accepting, soliciting, or directing a contribution of more than \$250 from a party, participant, or their representatives, during a proceeding and for 12 months following the date a final decision is rendered.

The Department of Alcoholic Beverage Control received the above application on May 19, 2023. The applicant is still in the planning stages and has not filed for a Conditional Use Permit Exemption (CUPEX). Provided the Planning Commission approves the CUPEX, the recommendation includes a request to direct the City Manager to withdraw the Public Notice of Protest. City Council action is requested on August 1, 2023, to respond to the Department of Alcoholic Beverage Control at the first opportunity, after the July 12, 2023 due date.

There is no fiscal impact associated with this recommendation.
