In accordance with Long Beach Municipal Code (LBMC) Chapter 20.16, State of California Government Code, Section 66458, and applicable local subdivision Ordinances and subsequent rulings, a final subdivision map conforming to State Subdivision Map Act requirements is required to be approved by the City Council. The developer, Onni Broadway Block Long Beach, LLC (Developer), a Delaware limited liability company, requests to subdivide to construct a twenty-one story mixed-use high-rise located at 330 East 3rd Street and 333 East Broadway.

The Developer has submitted a duly certified final parcel map No. 82965 (Attachment A) which is in conformance with the conditions and requirements placed on the tentative parcel map approved by the Planning Commission on August 20, 2020 (Attachment B), and requests approval of the final parcel map No. 82965.

Subdivision agreements providing for the off-site improvements, conditioned on this Project, have been prepared. The Public Works Department requests the City Council authorization to execute the subdivision agreements.

In accordance with the California Environmental Quality Act (CEQA) and the CEQA Guidelines, Mitigated Negative Declaration (MND), IS/MND-04-20 (State Clearinghouse No. 2009071006) was prepared for this project, see Planning Commission Staff Report dated August 20, 2020 (Attachment C and D).

This matter was reviewed by Deputy City Attorney Vanessa S. Ibarra and by Budget Management Officer Nader Kaamouh on October 3, 2022.

City Council action on this matter is not time critical.

A subdivision processing fee in the amount of \$9,478 was deposited in the General Fund Group in the Public Works Department. This recommendation has no staffing impact beyond the normal budgeted scope of duties and is consistent with existing City Council priorities. There is no local job impact associated with this recommendation.
