

Legislation Details

File #: 19-1232 **Version:** 1 **Name:** ER - Community Choice Aggregation
Type: Agenda Item **Status:** Approved
File created: 11/18/2019 **In control:** City Council
On agenda: 12/10/2019 **Final action:** 12/10/2019
Title: Recommendation to receive and file a report on the feasibility of a Long Beach Community Choice Aggregation (CCA);

Direct City Manager to continue to monitor the energy market/regulations and report to the City Council annually or sooner if substantial market changes occur;

Direct City Manager to prepare a study that analyzes the potential CCA governance options of forming a stand-alone City enterprise, creating a new Joint Powers Authority (JPA), or joining an existing JPA;

Direct City Manager to perform community outreach regarding the CCA concept along with potential benefits and risks to customers, as well as to gain feedback on how supportive the community might be of a Long Beach CCA;

Direct City Manager to continue the City's partnership with Southern California Edison to raise awareness of existing programs that provide Long Beach residents and businesses with various options to purchase a greater mix of renewables and utilize energy more efficiently; and

Defer for two years any decision whether to participate in a CCA, in any format, or sooner if new information becomes available solidifying benefits, to allow for possibly increased stability in the California electricity market, which will lessen possible risk to residents and businesses. (Citywide)
