Recommendation to adopt resolution which amends the resolution approving the compensation fixed by the Board of Water Commissioners of the City for Officers and Employees in the Water Department.

On June 25, 2020, the Board of Water Commissioners approved Resolution No. WD-1431 fixing compensation of Water Department employees.

On April 28, 2019, the Board of Water Commissioners adopted Resolution No. WD-1411. Several amendments were made at that time to reflect changes as a result of negotiated items between the City and the Long Beach Supervisors Employees Association (LBSEA).

On March 17, 2020, the City Council adopted a Memorandum of Understanding (MOU) with the Association of Long Beach Employees (ALBE) for a contract term through September 30, 2023. As a result of these negotiations, there were several impacts to the Water Department Salary Resolution and those changes are reflected in Attachment A.

As is customary, staff reviewed the entire Resolution to determine if any further revisions were needed as a result of administrative oversight or to provide further clarity. Those clean-up items are also listed in Attachment A.

We respectfully request that you approve the attached Resolution approving the Water Department's Resolution No. WD-1431, as adopted.

Approve recommendation.
