This recommendation requests the City Manager to provide a contribution of \$1,000 to Centro CHA to support their event as written above. The total appropriation increase in the General Fund Group in the City Manager Department in the amount of \$1,000 is offset by a decrease of appropriation of Seventh Council District One-Time District Priority Funds in the General Fund Group in the Citywide Activities Department. Implementing this recommendation is anticipated to result in a minimal impact to staff hours beyond normal budgeted scope of duties and is expected to have a minimal impact on existing City Council priorities.

Approve recommendation.
