<b>Title:</b>	Recommendation to (1) request City Attorney to prepare an amendment to the City Charter which can be placed on the June 2008 ballot that would allow the voters to approve the transfer of up to 15% of Harbor net income to the City of Long Beach for use in the "tidelands area" and an additional 5% transfer of these funds to the City's "general funds" for use in non-Tideland areas; and (2) request City Attorney to assist the City Council State Legislative Committee in drafting State legislation that can be carried by the Long Beach Assembly and Senate contingency enabling the City of Long Beach to transfer 5% of the Port net income for use as "general funds" as a means to reduce the impact of the State "raiding" the property tax funds generated in Long Beach that would have been utilized for City services.
