Recommendation to authorize City Manager to execute agreements with Long Beach Unified School District for the operation of the After School Education Safety Program at Burbank, Edison, Garfield, Grant, Hudson, King, Lafayette, and Lee Elementary School sites; authorize City Manager to execute any future documents, including amendments, necessary to accept, implement, and administer the agreements; and increase appropriation in the General Grants Fund (SR 120) in the Department of Parks, Recreation and Marine (PR) by \$1,380,267. (Districts 1,2,4,6,7,9)

The After School Education Safety (AES) Program is a collaboration between the City and the Long Beach Unified School District (LBUSD), funded by the California Department of Education, which enables more elementary school children to participate in after school educational enrichment activities. LBUSD has allocated \$1,380,267 of its AES funding to the City of Long Beach. The AES Program augments the ongoing Long Beach Winners Reaching Amazing Potential (LB WRAP) program at the eight school sites selected by LBUSD and listed above. The AES Program will fund program staffing, supervision, and administrative assistance through June 30, 2008. Funding for this program is immediately available from LBUSD upon execution of all documents.

Approximately 150,000 students per year will be served through the new LB WRAP program. The attached matrix (Attachment A) identifies the distribution of funds for each school site.

This matter was reviewed by Deputy City Attorney Gary J. Anderson on July 24, 2007, and Budget and Performance Management Bureau Manager David Wodynski on July 26, 2007.

City Council action is requested on August 7, 2007, to enable the increase in appropriations and to minimize interruption of AES Program activities.

The City's AES Program costs will be fully offset by AES Program grant funds. The AES grant is currently unbudgeted, therefore, an appropriation increase of \$1,380,267 is requested in the General Grants Fund (SR 120) in the Department of Parks, Recreation and Marine (PR). There will be no fiscal impact to the General Fund (GP).

Approve recommendation.

PHIL T. HESTER
DIRECTOR OF PARKS, RECREATION AND MARINE
