File #: 06-1354 **Version:** 1 **Name:** CD5 - Lakes & Pond Management: Wate Quality *
Waterfowl
Type: Agenda Item **Status:** Approved
File created: 12/14/2006 **In control:** City Council
On agenda: 12/19/2006 **Final action:** 12/19/2006

Title: Recommendation to request City Manager to report within 45 days the following: 1) Does the City employ a limnologist who is responsible for on-going assessment and maintenance of the City's lakes and ponds? 2) Does the City have a comprehensive plan to manage and maintain these lakes and ponds? 3) Has the water quality and condition of these lakes and ponds been assessed and what are the results? 4) Are the configuration and management of these lakes and ponds a part of the City's storm water management program? 5) Does the City employ an avian specialist who can work with the City to develop an avian protection plan that includes a public education effort to discourage (and/or perhaps fine) visitors who feed birds at the lakes and ponds?
