Recommendation to adopt resolution approving the Annual Assessment Report from October 1, 2008 to September 30, 2009 for the Fourth Street Parking and Business Improvement Area, declaring its intention to levy the annual assessment and setting the date of hearing for Tuesday, October 7, 2008, at 5:00 p.m. (District 2)

The Fourth Street Improvement Association promotes and markets the Fourth Street commercial area, using funds generated through the assessment of area businesses located in the Fourth Street Parking and Business Improvement Area (FSPBIA). State law governing Parking and Business Improvement Areas requires that an annual assessment report be submitted to the City Council by the Advisory Commission designated for the Assessment District. On July 24, 2008, the FSPBIA Board voted to recommend to the City Council approval of the FSPBIA Assessment Report (Attachment A).

The Assessment Report describes the boundaries, proposed activities and budgetary information, as well as the method and basis for continuation of the assessment. The report proposes no change in the method of levying the assessment and no significant changes to proposed activities.

The recommended Resolution of Intention grants approval of the assessment report, declares the intention of the City Council to levy the assessment for proposed activities and sets the date of a public hearing for October 7, 2008 (see attached resolution).

This letter was reviewed by Assistant City Attorney Heather Mahood on July 18, 2008, Budget Management Officer Victoria Bell on August 26, 2008, and the City Treasurer's Office on August 15, 2008.

City Council action is requested on September 16, 2008, to set the date for the public hearing as soon as possible after the start of the contract year, which begins on October 1, 2008.

It is estimated that the FSPBIA will generate \$10,800 in Fiscal Year 2009 (FY 09) through the proposed continuation of the existing assessment. Assessment funds are collected through additional fees attached to FSPBIA business licenses and passed directly through to the Fourth Street Improvement Association for implementation of annual programs. Sufficient funds are currently appropriated in the Parking and Business Area Improvement Fund (SR 132) in the Department of Community Development (CD). There is no fiscal impact to the General Fund.

Approve recommendation.
