Title: WITHDRAWN
Recommendation to respectfully recommend that the City of Long Beach request of the California Integrated Waste Management Board's authority to continue to allow its residents to dispose of household sharps waste. In doing so, this would allow Long Beach residents to dispose of household sharps in the same manner as they had prior to the new law (SB 1305 Medical Waste Management Act) with the assurance that such waste is not dumped in a landfill but incinerated at high temperatures; and

In the interim of receiving approval by California Integrated Waste Management Board to allow continued disposal in household trash, the City of Long Beach needs to distribute information through its Refuse Collection Services as to how and where residents can dispose of their needles, syringes and other sharps.
