File #: 20-0290, **Version:** 1

Recommendation to authorize City Manager, or designee, to execute an agreement, including any necessary amendments, with the South Bay Counseling Center, of Wilmington, CA, for the Future First Project, a prevention project to develop leadership skills for transitional aged youth, in an amount not to exceed \$10,000, for the period of October 1, 2019 through December 31, 2019. (Citywide)

City Council approval is requested to execute a contract with South Bay Counseling Center to provide a prevention project to develop leadership skills for transitional aged youth enrolled at Beach High School, of Long Beach, CA, a continuation high school.

The purpose of this prevention project includes increasing social connections for youth; providing youth with strategies to build emotional resilience through life skills and leadership training; increasing sense of inclusion and developing talents and skills; building youth knowledge of available beneficial assistance/resources and enhancing ability to access as needed; and, enhancing and expanding youth community-based networks through trainings.

The deliverables of this prevention project include: two school-wide assemblies on hope that will include 100 students; three classroom workshops with 50 participants each, covering Hope and Resiliency, Healing with High Hope, and Expressing Your Best Self; one drop-in program (50 participants); extended drop-in hours for access to mentors and leadership development (participants vary); and, one culminating event.

This matter was reviewed by Deputy City Attorney Taylor M. Anderson on March 26, 2020 and by Revenue Management Officer Geraldine Alejo on March 31, 2020.

City Council action is requested on April 14, 2020, to ensure an agreement is in place and revenues can be received to offset program costs for the period of October 1, 2019 through December 31, 2019.

The total agreement is \$10,000 for the program period of October 1, 2019 through December 31, 2019. Funding to support the contract is budgeted in the Health Fund Group in the Health and Human Services Department, offset by grant revenue. This recommendation has no staffing impact beyond the normal budgeted scope of duties and is consistent with existing City Council priorities. There is no local job impact associated with this recommendation.

Approve recommendation.

KELLY COLOPY

DIRECTOR
HEALTH AND HUMAN SERVICES
