Recommendation to authorize City Manager to execute all documents with the County of Los Angeles to receive \$105,893 to operate a Youth Jobs Program that will assist approximately 53 youth, ages 14-21; execute any needed subsequent amendments; and increase appropriations in the Community Development Grants Fund (SR 150) in the Department of Human Resources (HR) by \$105,893. (Citywide)

The Los Angeles County Board of Supervisors authorized funding for the six Los Angeles County (County) Workforce Investment Boards and other Service Providers to continue facilitating this year's youth employment opportunities for qualifying youth. The Youth Jobs Program (YJP) is designed to provide paid work experience opportunities and work readiness skills to qualified youth. Eligible youth may work an average of 100-120 hours during their participation in the program, while earning skills, experience, and wages. The County recently notified Pacific Gateway that it is to receive additional funds of \$105,893 to augment its current strategies and serve an additional 53 eligible youth for the 2014-2015 Youth Jobs Program. Eligible populations will include youth from low-income families and those connected to the probation, foster and/or public assistance systems, including recipients of cash aid under California Work Opportunity & Responsibility to Kids (CalWORKs).

The County will help facilitate youth outreach, deploying an automated database solution for Pacific Gateway to utilize for enrollments. Pacific Gateway will lead work site development efforts across its four cities, and will be responsible for work readiness training, quality assurance oversight, payroll, and case management of the trainees.

This matter was reviewed by Deputy City Attorney Kendra Carney and by Budget Management Officer Victoria Bell on August 14, 2014.

City Council action is requested on September 16, 2014, in order to facilitate processing required documents.

The Youth Jobs Program grant of \$105,893 is funded by the Net Cost County Funds through a grant from the County of Los Angeles and is currently not budgeted. An appropriation increase of \$105,893 is requested in the Community Development Grants Fund (SR 150) in the Department of Human Resources (HR) as part of the recommended action. No City matching funds or in-kind services are required. Approval of this item will result in placement of approximately 53 youth into temporary employment.

Approve recommendation.
