Title: WITHDRAWN
Recommendation to request City Manager to provide a report to the City Council within 20 days identifying the fiscal impacts associated with Project Labor Agreement (PLA) construction contacts; and that staff consider the fiscal impacts associated with a construction threshold of \$500,000 as well as \$1 million dollars, as had previously been recommended. This is necessary in order to determine if there is any financial significance between the two in terms of fiscal impact to the City.

Further, in considering the fiscal impact of this proposed agreement, the City should carefully consider what alternatives are available to the City in regards to the project coordinator/officer that has been included as a component of the proposed agreement.
