Recommendation to authorize City Manager to execute all documents with the County of Los Angeles to receive funds totaling \$245,000 to operate a Summer Youth Employment Program that will assist approximately 165 youth ages 16-24; increase appropriations in the Community Development Grants Fund (SR 150) in the Department of Human Resources by \$245,000; and execute any needed subsequent amendments. (Citywide)

The Los Angeles County of Board of Supervisors authorized funding on June 21, 2011 for the seven L.A. County Workforce Investment Boards to facilitate summer youth employment opportunities for qualifying youth. The Summer Youth Employment Program (SYEP) is designed to provide paid work experience opportunities and work readiness skills to qualified youth. Eligible youth may work an average of 100 hours during the summer months, while earning skills, experience, and wages. The County recently notified Pacific Gateway that it is to receive a contract for \$245,000 to serve approximately 165 eligible youth for the 2011 SYEP. Eligible populations will include youth from low-income families and those connected to the probation, foster and/or public assistance systems.

The County will help facilitate youth outreach, deploying an automated database solution for the Network to utilize for enrollments. Pacific Gateway will lead work site development efforts across its four cities, and will be responsible for work readiness training, quality assurance oversight, payroll, and case management of the trainees.

This letter was reviewed by Deputy City Attorney Gary J. Anderson on July 8, 2011 and by Budget Management Officer Victoria Bell on July 8, 2011.

City Council action is requested on July 19, 2011, in order to facilitate processing of required documents.

The receipt of grant funds is not currently appropriated. Therefore, an appropriation increase of \$245,000 in the Community Development Grants Fund (SR 150) in the Department of Human Resources is requested as part of the recommended action. There is no impact to the General Fund. Approval of this item will result in placement of approximately 165 youth into temporary employment.

Approve recommendation.

DEBORAH MILLS  
DIRECTOR OF HUMAN RESOURCES
