Recommendation to authorize City Prosecutor to execute all necessary documents to receive and expend grant funding awarded to the City Prosecutor by the Long Beach Community Foundation in the amount of five thousand dollars (\$5,000), and increase appropriation in the General Grants Fund (SR 120) in the City Prosecutor Department (CP) by \$5,000.

The Long Beach Community Foundation (LBCF) has approved a \$5,000 grant to the Office of the City Prosecutor to assist the office with its gang prevention, crime reduction, and neighborhood improvement efforts. By approving this agenda item, the City will be able to accept the funds and use the funds for a broad range of activities supporting the work of the City Prosecutor's Office.

The City Prosecutor's Office is recognized as a leader in several respects. In 2013, the City Prosecutor's Gang Prevention Strategy was recognized by Neighborhoods USA as one of the nation's "Best Neighborhood Programs." During the presentation of the award at Neighborhoods USA's annual conference in Minneapolis, Minnesota, the Gang Prevention Strategy was described as follows:

"In Long Beach, police and prosecutors have developed a three-part strategy that suppresses gang violence, creates community partnerships, and keeps at-risk kids in school. Combining new technology with a neighborhood-based approach, the Gang Prevention Strategy could become a model for prosecutors across the nation"

In addition to gang prosecutions, the City Prosecutor works with the Police Department, Long Beach Unified School District, and community groups on gang prevention and anti-truancy programs. The Parent Accountability and Chronic Truancy (PAC.T.) Program is now in its third year and has improved class attendance by over 30% in some youth considered at-risk for dropping out of school.

The City Prosecutor's Office is also a leader in creative diversion programs designed to reduce crime long term, save taxpayers money, and reduce court congestion. One example of a successful diversion program is the Community Service Worker (CSW) program where low level, first-time offenders are allowed to perform community labor in lieu of facing jail time or significant fines (which often go unpaid). The CSW program has saved taxpayers hundreds of thousands of dollars over the past 5 years, while beautifying and improving city beaches, wetlands, parks, streets and other public areas.

This grant will be used to support the City Prosecutor's Office in a number of its efforts, including tattoo removal for human trafficking victims and former gang members. By utilizing

private nonprofit funds, the Office of the City Prosecutor can augment its efforts without directly using city funds. The City Prosecutor's Office has worked with the LBCF to help raise funds over the past year, and will continue to work with them to further utilize private sources to reduce crime in Long Beach.

This adjustment to the FY 2017 budget is requested to reflect the acceptance of this grant award. City Council action is requested no later than February 21, 2017, so that funds can be used starting immediately.

There is no fiscal impact to receive \$5,000 in grant funds. As the funds are unbudgeted, an appropriation increase in the City Prosecutor Grants Fund (SR 120) by \$5,000 in FY 2017 in the City Prosecutor Department (CP) is requested as part of the recommended action. There is no match required and, therefore, no fiscal impact to the General Fund or any other city fund.

Approve recommendation.

DOUGLAS P. HAUBERT  
CITY PROSECUTOR
