Recommendation to adopt resolution authorizing the application for the fourteenth cycle of the Used Motor Oil Block Grant and Implementation. (Citywide)

The California Integrated Waste Management Board (CIWMB) provides block grants to local jurisdictions to promote the collection and recycling of used motor oil and used motor oil filters. This will be the City's fourteenth Used Motor Oil Block Grant. The CIWMB requires a resolution of the City Council authorizing the grant application. The attached resolution also authorizes the City Manager, or designee, to execute all necessary documents to carry out the purposes of the grant.

The State of California allocates funds to each jurisdiction annually. The grant period runs from July 1, 2008 through June 30, 2011. Grant amounts are calculated on a per capita basis from a fund of at least \$10 million dollars.

The City uses these funds to promote used oil recycling through various advertising and media outlets such as: newspaper advertisements, video productions, brochures, refuse truck signs and unique giveaways distributed at Citywide events. This year, grant activities will continue to support these same efforts.

This letter was reviewed by Deputy City Attorney Amy R. Burton on May 2, 2008 and by Budget Management Officer Victoria Bell on May 15, 2008.

City Council action on this matter is requested on June 10, 2008 in order to submit the grant application to CIWMB before the June 30, 2007 deadline.

The City of Long Beach will receive approximately \$132,000 to continue to fund motor oil recycling activities. The exact amount will not be known until July 2008. This amount will be deposited in the Refuse/Recycling Fund (EF 330) in the Department of Public Works (PW). Matching funds are not required.

Approve recommendation.
