The Long Beach Municipal Code (LBMC) requires an application be filed and a hearing be held before the City Council whenever this type of activity is requested and before an entertainment permit is granted or denied.

The LBMC also requires that the City Council make a determination that the application is complete and truthful; the applicant, the person interested in the ownership and operation of the entity, and the officers and trustees of the entity are law-abiding persons who will operate and conduct the business activity in a lawful manner; and, that the public peace, welfare, and safety will not be impaired. If this is so, the application shall be approved, a short-term permit shall be approved, or the application shall be denied.

Attached for your review is the application from The Gaslamp LLC, DBA The Gaslamp Restaurant & Bar. Also attached are reports from various departments and a summary of those reports, as well as the license history of the establishment.

City departments have conducted their investigation in accordance with the LBMC. The following summarizes their findings:

- The Police Department recommends that the permit for entertainment with dancing by patrons be approved subject to specific conditions.

- The Fire Department recommends that the permit for entertainment with dancing by patrons be approved.
- The Health and Human Services Department finds that the building/location meets department requirements for the proposed use with the condition that the establishment remain in compliance with the Long Beach Noise Ordinance (LBMC Chapter 8.80).
- The Long Beach Development Services Department recommends that the permit for entertainment with dancing by patrons be approved with the conditions set on CUP Case No. 0408-26.
