Recommendation to find that all requirements of the final subdivision map for condominium purposes have been satisfied; and, approve the final map for Shoreline Gateway, Tract No. 73862, located at 707 West Ocean Boulevard. (District 2)

In accordance with Long Beach Municipal Code Chapter 20.16, State of California Government Code Section 66458, applicable local subdivision ordinances and subsequent rulings, a final subdivision map conforming to State Subdivision Map Act requirements shall be approved by the City Council. The subdivider, Current Living, LP, a Delaware limited partnership, has submitted a duly certified final map of Tract No. 73862, which is in conformance with the conditions and requirements placed on the tentative map approved by the Planning Commission on February 29, 2016.

Current Living, LP, proposes to convert 707 West Ocean Boulevard, a 223-unit mixed-use building known as The Current, to condominium units. The site is shown on the attached vicinity map. Offsite improvements were conditioned on, and completed at the time the building was constructed; no further off-site improvements are required for the approval of this subdivision map.

This matter was reviewed by Deputy City Attorney Linda T. Vu on January 31, 2017 and by Revenue Management Officer Geraldine Alejo on February 7, 2017.

City Council action on this matter is requested on February 21, 2017, to allow the developer to complete the subdivision tract creation.

A subdivision processing fee of \$11,682 was deposited in the General Fund (GF) in the Public Works Department (PW). There is no local job impact associated with this

recommendation.

Approve recommendation.
