Recommendation to approve the use of the Sixth Council District's one-time infrastructure funds transferred from the Capital Projects Fund (CP) in the Public Works Department (PW) into the Legislative Department (LD) operating budget in the amount of \$15,000 to support the hiring of a new, temporary Legislative Department, part-time staff member who would provide additional outreach to Sixth District residents regarding the proposed Land Use Element; and

Increase appropriation in the General Fund (GF) in the Legislative Department (LD) by \$15,000.

As the proposed update to the Land Use Element states: the recent and severe economic recession, new legislative mandates and fluctuating weather patterns, along with community input have served as driving forces to create a vision for Long Beach. Planners have brought forward to the Planning Commission and at a later date will bring to the Long Beach City Council this updated element in order to adopt changes based on the needs and trends occurring in the City. Long Beach is, once again, a city in transition; reinventing itself in a new global economy.

Despite many efforts, public comment periods, and community meetings: many community residents have expressed that their voices have not been heard or considered. Many residents may be completely unaware of the Land Use Element.

The allocation of these funds will assist in hiring a part-time staff member who would go door

to door to stakeholders ranging from: property owners, business owners, tenants, and community groups and survey for what is proposed, wanted, needed, and lacking from the Land Use Element in the Sixth District. The goal is to provide additional comments and recommendations that can be useful and reflective of community input prior to bringing the element forward for final approval.

The total appropriation increase of \$15,000 in the Legislative Department (LD) budget is offset by a transfer of one-time infrastructure funds to the General Fund from the Capital Projects Fund (CP) in the Public Works Department (PW).

Approve recommendation.

DEE ANDREWS
COUNCILMAN, SIXTH DISTRICT
