Recommendation to Adopt Resolution WD-1418 authorizing the General Manager to enter into Purchase Order Agreement with GovConnection, Inc. under the purchase conditions specified in the OMNIA Public Sector partners (previously known as the TCPN Cooperative Purchasing Network Agreement) for the purchase of computer equipment to cumulatively not exceed \$200,000 per year, without board approval, subject to two (1) year renewals at the discretion of the General Manager.

Funding for the purchases has been included in the FY 2020 Water Department budget and have been included the financial projections. By not participating in the OMNIA purchasing cooperative, the Water department could not participate in government pricing and incur additional computer equipment procurement costs, additional unit costs and shipping times by bidding out the technology specification.

Approve recommendation.
