WITHDRAWN

~~Recommendation to increase appropriations in the General Fund Group in the Public Works Department by \$832, offset by the Third Council District One-time District Priority Funds for the installation of additional parking signage at Alamitos Bay Landing; and~~

~~Decrease appropriations in the General Fund Group in the Citywide Activities Department by \$832 to offset a transfer to the Public Works Department.~~

Additional signage is sought for Alamitos Bay Landing to improve the management of the limited available parking to address issues of long-term parking and the needs of business patrons.

This matter was reviewed by Budget Manager Grace H. Yoon on November 10, 2019.

This recommendation includes a request for the Public Works Department to install additional parking signs in the Alamitos Bay Landing area. The total appropriation increase in the General Fund Group in the Public Works Department by \$832 is offset by a decrease in appropriation of Third Council District One-time District Priority Funds in the Citywide Activities Department. Implementing this recommendation is anticipated to result in a minimal impact to staff hours beyond normal budgeted scope of duties and a minimal impact on existing City Council priorities.

Approve recommendation.
